CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out" if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50-cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine, entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

SHOULD WOMEN VOTE.

This, Like Every Other Question, Has Two Sides, Each Possessing Arguments Which Appeal to Their Champions.

If there is any one reason on earth why woman should not vote, it is this:

BECAUSE SHE IS A WOMAN!
And compared to this, all other reasons pale into insignificance.

Some people assume to think that woman should not vote because she is not man's mental equal. But that is mere subterfuge, for every intelligent man must admit that he could not have been blessed with the power of thought and reason had his mother not transmitted them to him.

BECAUSE SHE IS A WOMAN!
When God created the mother of man He inflicted her with a physical frailty for a purpose, and since the beginning of the human race woman has been the weaker sex, although her mental and moral faculties are far above par.

BECAUSE SHE IS A WOMAN!
Woman's great province on this earth is to bring children into the world and perpetuate the human race, and when she performs this divine obligation as the Creator intended she is rendering her full duty to society. Other than the care of the home and ministering to the sick and the afflicted, more should not be asked of her.

BECAUSE SHE IS A WOMAN!
Yes, and because she is a woman she should be protected and shielded from the storms of life, from the mental quagmire of present day political campaigns, from contact with the rougher and sterner side of humanity.

BECAUSE SHE IS A WOMAN!
The mental and moral condition of posterity depend primarily upon the traits of character transmitted from the mother to the child, and many believe that to drag woman into the political arena would be a detriment to the humanity of the future.

BECAUSE SHE IS A WOMAN!
The peace of the home, the purity of child life, the care of sick and afflicted—is there a greater sphere which woman could fill, or one-half so important?

Man should view woman as she is, as occupying a plane far above his own, as the light which draws his own steps to the greater attainments and the highest callings of life.

And only in the stress of overwhelming and final emergency should she be asked to descend from the lofty pedestal upon which she has been placed by the one who created her in her glorious form of purity.

Because she is a woman—and the world need no better reason.

VERY CAREFUL.

"Did you break anything to-day, Norah?" asked the lady of the house.

"No, ma'am," was the reply.

"Are you sure you didn't break a single thing?"

"Yes, ma'am."

"Not even one of the commandments, Norah?"

"Oh, well, ma'am, I wouldn't be wicked enough to call a commandment a thing, ma'am."

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proved catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally, it acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure.

This is the busy season for the farmer and the hen.

But nearly all of us have another guess coming.

Sick Women Attention

Is it possible there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, which proves beyond contradiction that this grand old medicine has relieved more suffering among women than any other one medicine in the world?

We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine for women—and every year we publish many new testimonials, all genuine and true. Here are three never before published:

From Mrs. S. T. Richmond, Providence, R. I.
PROVIDENCE, R. I.—"For the benefit of women who suffer as I have done I wish to state what Lydia E. Pinkham's Vegetable Compound has done for me. I did some heavy lifting and the doctor said it caused a displacement. I have always been weak and I overworked after my baby was born and inflammation set in, then nervous prostration, from which I did not recover until I had taken Lydia E. Pinkham's Vegetable Compound. The Compound is my best friend and when I hear of a woman with troubles like mine I try to induce her to take your medicine."—Mrs. S. T. Richmond, 84 Progress Avenue, Providence, R. I.

From Mrs. Maria Irwin, Peru, N. Y.
PERU, N. Y.—"Before I took Lydia E. Pinkham's Vegetable Compound I was very irregular and had much pain. I had lost three children, and felt worn out all the time. This splendid medicine helped me as nothing else had done, and I am thankful every day that I took it."—Mrs. MARIA IRWIN, R.F.D. 1, Peru, N. Y.

From Mrs. Jane D. Duncan, W. Quincy, Mass.
SOUTH QUINCY, MASS.—"The doctor said that I had organic trouble and he doctored me for a long time and I did not get any relief. I saw Lydia E. Pinkham's Vegetable Compound advertised and I tried it and found relief before I had finished the first bottle. I continued taking it all through middle life and am now a strong, healthy woman and earn my own living."—Mrs. JANE D. DUNCAN, West Avenue, West Quincy, Mass.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

"Bob--this is SOME thirst-quencher"

Some thirst-quencher is right! The mosturing games are well worth the energy if followed by a cool glass of Pepsi-Cola.

Not only delicious and wholesome, but invigorating at all times—after contests of brain or brawn. And in the home it has the same appetizing and comfort-giving effects. You can get it at the fountain—or carbonated in bottles, at your grocer's.

IS THE YOUNG MAN SAFE?

"Is the young man safe?" The heart-wrung cry Has an age long ring that brings its sigh.

'Tis the nameless dread at the father's heart, As he sees his son from the home depart;

'Tis the burden of many a mother's prayer For her boy who wanders she knows not where;

'Tis the harrowing fear that will not sleep Till it plows in the forehead its furrows deep.

"Is the young man safe? Can he safely tread In a path with crime and pitfalls spread? Can he pass unscathed through the devil's snares That are clustered thick in the city's squares? Can he rest secure when he little knows That his seeming friends are his subtlest foes?"

"Is the young man safe?" when in very truth His path is strewn with the wrecks of youth!

Safe? When the State protects the den That gluts it still with the lives of men? Safe? When a man for a paltry toll May set a snare for a fellow soul?

"Is the young man safe?" when our laws condone The "Thou shalt nots" on the slab of stone? "Is the young man safe?" Let the Church and State Heed David's cry at the city gate;

Let the city guard as its choicest wealth The young man's vigor and moral health. God make us wise—for the hour is near When the youth is gone and the man is here.

SIGNS OF THE TIMES.

Evangelist Sees in Modern Cities Fulfillment of Prophecy.

Richmond Times-Dispatch.

"The straphangers on the electric cars, the jitney busses jostling one another on crowded thoroughfares, the limited express trains and the six-decked ocean greyhounds are a fulfillment of the prophecy of Daniel that in 'the time of the end many shall run to and fro and knowledge shall be increased,'" declared Evangelist William C. Moffet to the large audience which crowded the tent at the corner of Main Street and Allen Avenue last night.

After traveling six thousand years only as fast as the horse, the camel and the crude sailing vessel could carry us, the speaker asserted that it was not accidental that men to-day had harnessed steam and electricity, almost annihilating time and space. The printing, telegraphy and the modern facilities for travel and communication, the evangelist regarded as providentially provided to bring about the fulfillment of Christ's declaration that "the Gospel of the kingdom shall be preached in all the world for a witness to all nations, and then shall the end come."

Basing his remarks on the twenty-fourth chapter of Matthew's gospel, the speaker pointed to the wane of the old-fashioned gospel piety, the terrible epidemic of crime, the moral laxity, the world-wide spirit of war and strife as signs of the time, marking the nearness of Christ's kingdom. The attempt of some to fix a time for that event, he declared to be contrary to the Scripture "of that day and hour knoweth no man, no, not the angels of heaven."

SEVERE MEASURE.

A woman went into a New York police station and began reading the Bible to the officers in charge. She was arrested promptly and taken to the Bellevue hospital insane ward and subjected to observation.

This recalls the story of the man who went into Westminster Abbey and knelt in the aisle to pray.

Up ran a verger who colored the kneeling man and proceeded to turn him over to the police.

The man objected, whereupon the verger replied:

"If I don't make an example of you, sir, we'll have people prayin' all over th' church."

APT DEFINITION.

"Sadie, what is a gentleman?"

"Please, ma'am," she answered, "a gentleman's a man you don't know very well."

A MERCILESS JUDGE.

One Who Shows No Mercy.

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Weldon resident has withstood this sternest of all tests.

George W. Tye, Cedar street, Weldon, says: "I was having trouble with my kidneys. They were not acting as they should and the kidney secretions were unnatural. I also had pains in the small of my back and through my kidneys. Doan's Kidney Pills relieved me of all aches and pains, regulated the action of my kidneys and did me good in every way."

No Trouble Since.

On June 29, 1914, Mr. Tye said: "The cure Doan's Kidney Pills made for me has been a lasting one and I have had no occasion to use them for the past two years. I gladly confirm my former endorsement."
