EUROPE is not even thinking of the date of Thanksgiving Day.

SUNDAY in Chicago may soon be a day of rest instead of a day of arrest.

A reckless paragrapher asserts that all wrist watches are bought on tick.

It has gone far enough to insure big changes for the Balkan States on the next maps.

Now that the Panama Canal is closed, New York is safe from a Japanese bombardment anyhow.

It is generally thought that the President's Thanksgiving proclamation this year will be fervent and heartfelt.

PRESIDENT WILSON's love for the writings of Charles Dickens was not strong enough to induce him to take Mr. Weller's advice.

SPAIN's desire to exert itself for peace should cheer the people of that country, as they have a monarch with no desire to be a war lord.

THAT Kansas farmer who is reported to have purchased an aeroplane is probably preparing to keep up with the soaring prices of wheat.

In five days brokers' commissions in New York amounted to \$1,750,000, which will no doubt turn up a few more lights on Broadway.

REFORMERS who ask the women to go without their fall hats in order to aid the good work, evidently do not care much for the milliner's vote.

A substantial prize has been won by a Belgian inventor in Italy for an artificial leather made of cotton which is said to be as durable and elastic as the genuine article.

"PRESIDENT approves recognition of Carranza," says a headline. The President just now is in a state of mind to look approvingly on almost any proposition.

GUESTS invited to a wedding in New York had to chip in \$500 as bail to get the bridegroom out of prison and still some people go on accepting every invitation they get.

THERE were 52 cases of ptomaine poisoning among Oxford people as a result of eating something sold on the grounds of the Granville county fair according to last reports from Oxford.

"Just The Thing."

A tailor's work is sedentary. That is why most tailors suffer from constipation. G. W. Roberson, Wichita Falls, Texas, says: "I find Foley Cathartic Tablets the most delightful, cleansing cathartic I have ever taken. They are just the thing." They keep the stomach sweet and the liver active, drive away headache, dizziness, tired feeling, biliousness, bloating and other results of clogged bowels. Prompt and effective, without gripe or pain. Stout people praise them for the light, free feeling they give.

THE TWO FERDINANDS

The two Ferdinands, Czar of Bulgaria and King of Roumania, are literally facing each other in another crisis which may mean the extinction of the kingdom of one or the other.

INDIANA CELEBRATED "JAMES WHITCOMB RILEY DAY"

A number of papers over the country alluded to him as being dead, which must have given Mr. Riley a new light on fame.

IF GREAT BRITAIN MAKES A DECLARATION OF CONTRABAND CONCERNING COTTON PIECE GOODS, AND OTHER COTTON PRODUCTS, WE MAY EXPECT THAT THE MILL MEN WILL OPEN UP THEIR BIG GUNS ON THE ALLIES.

The administration program for national defense to be recommended to the forthcoming session of a Congress proposing a total expenditure on the army and navy next year of about \$400,000,000.

CHIEF JUSTICE CLARK HOLDS THAT THE DAY HAS PASSED FOR THE RE-ENTRANCE OF "COUNTY COURTHOUSE"

His suggestion is that such a building as that dedicated in Raleigh should be known as the "County Capitol."

THAT MR. HENRY WHO RECENTLY MARRIED A NEW JERSEY WIDOW WITH EIGHTEEN CHILDREN WILL PROBABLY BE SOON ECHOING THE IMMORTAL WORDS OF ANOTHER MR. HENRY WHO CRIED "GIVE ME LIBERTY OR GIVE ME DEATH!"

A New York preacher says the Lord sent the war on the world as a rebuke and a punishment to the nations of the earth for their sinfulness, but it is a reasonable safe wager that the belligerents will continue to blame each other for having started the fracas.

THE GREAT INTEREST THAT IS NOW MANIFEST THROUGHOUT THE COUNTRY IN THE GOOD-ROADS MOVEMENT IS CLEARLY SHOWN IN THE INCREASING ACTIVITY OF STATE GOVERNMENTS IN THE WORK.

At the present time all of the States with the exception of Indiana, Mississippi, South Carolina and Texas, have enacted laws providing for State aid in road work.

LAND OF PLENTY

While the fairest farm fields of Europe are ravaged by war this country is harvesting the greatest crop within its history.

Last year the greatest wheat crop ever known was produced in this country and now this glorious land of plenty is preparing to supply the wants of the world. An exchange says:

"This year all the farm production worked with the design and under so great a stimulus to outdo any previous result. The weather was never the most promising. The season was one of exceptionally low temperature and excessive rainfall. But for the staple food crops, which are now practically secure the government reports a total quantity exceeding all previous records."

"Wheat is better than a billion-bushel harvest and 11,000,000 bushels above the record yield of 1914. Corn indicates a yield exceeded only in 1912. The oat, the barley, the rye and the hay crops are all above those of any previous year, the potato crop is a good average, and the fruit yields are above the average."

And yet prices are high. However, it is due principally to foreign demand.

THE BOOK CLUB.

First Meeting of the Season Held With Miss Clark.

A very interesting meeting of "The Book Club" was held at the home of Miss Eunice Clark Tuesday afternoon Oct. the fifth. This was the first meeting of the season and almost the entire membership was present. The new President, Mrs. Howard A. Edwards in a most pleasing manner thanked the Club for the honor bestowed upon her and in reading "What is a Woman's Club," members were impressed with the duty and responsibility of each to make this the best year in its history. The year books were distributed and much credit is due the program committee for the successful efforts in preparing the course of study, and arranging such artistic books.

These books contain programs for each meeting. The subject of the year being a study of Spain, Norway, Sweden and Holland.

The library committee submitted a carefully prepared report. Arrangements were made to have them placed in the home of Mrs. Wilkins that the public may have access to them.

The Club is indebted to the President for several excellent volumes.

The responses to roll call were good wishes to the Club.

The program was especially interesting the study being "The Golden Land of Spain"

Reading "A Map Study of Spain and her Industries," Mrs. Edwards.

Paper: "Madrid, the Spanish Capital," Mrs. Ward.

Reading "Castles in Spain," (Longfellow) Mrs. G. C. Green.

The house was artistic in the arrangement of golden rod, marigold and autumn foliage. The hostess was assisted by Miss Hart in serving delicious salad and ice courses.

SOUTH WELDON.

Contestants Receive Checks for the Prettiest Flower Yards.

The October meeting of the South Weldon Home Improvement Club was held at the home of Mrs. M. M. Drake. At this the first meeting of the fall season there was a large and enthusiastic attendance. Mrs. Johnston, the president, reported that checks for the following amounts had been sent to the contestants for the prettiest flower yard:

Miss Essie Rawlings - \$5.00.
Mr. Lucius Sheffield, - - 3.00.
Mr. James Pilley, - - - 3.00.
Mrs. Betty Dixon, - - - 2.00.
Mrs. C. F. Peffer, - - - 2.00.
Mrs. Barnes, - - - - 2.00.
Mrs. L. M. Edwards, - - 1.00.

The club is highly pleased at the interest manifested by the citizens and is grateful to the business men of South Weldon, who by their generous contributions made these awards possible.

A cook book is being compiled by each member contributing her favorite recipes. It is expected at an early date to put this in the hands of the publisher.

Two new members were received thereby filling the vacancies made by two of our members who have moved elsewhere. It was decided to limit the club membership to fifteen and to meet the first Friday in each month.

The next meeting will be at the home of Mrs. J. A. Johnston on November the 5th.

Mrs. I. E. Green and Mrs. A. S. Allen were guests of the club.

Mrs. Drake served cake, cream and mints.

Two Children Had Croup.
The two children of a W. N. Six, merchant, Cleveland, Ga., had croup last winter. One was a boy of 6, the other a girl of 3 years. Mr. Six writes: "Both got so choked up they could hardly breathe and couldn't hardly talk. I gave them Foley's Honey and Tar and nothing else and it entirely cured them. This reliable medicine should be in every home for it gives immediate relief from colds, coughs and croup, breaks raw inflamed throat and loosens phlegm."
