

WOMAN ALL RUN DOWN

Made Strong and Well by Vinol

Waynesboro, Pa.—"I was all run down after a hard spell of bronchitis so it was hard for me to keep about. I had pains in my chest and took cold easily. A friend asked me to try Vinol. I did and it built me up so I am strong and well and I am able to do my housework which I had not done for three months before taking Vinol."—Mrs. Y. R. Hornaday, Waynesboro, Pa.

Vinol creates an appetite, aids digestion, makes pure blood and creates strength. Your money back if it fails.

WE are pleased to welcome Mr. and Mrs. C. S. Vinson back to Weldon. They have been living at Roanoke Rapids for sometime and now return to the good old town.

UNLESS a man gets married, he will probably go to his grave believing that he knows it all.

FITZHUGH RHEM.—The following announcement has been issued: Mr. and Mrs. J. H. Fitzhugh announces the approaching marriage of their daughter, Miss Inda Ward Fitzhugh to Mr. John Allen Rhem, of Weldon, N. C. The marriage to take place in November.

WALK.—Walk. Walk somewhere everyday. Walk for pleasure. Walk for exercise and health. Walk in the woods and fields, to your work. Walk somewhere—anywhere—every day and enjoy it while you walk.

Get the walking habit. Make it a hobby, and if you like, ride it, but don't get the habit of "going on wheels." Wheels are not healthy; they are expensive; they get you there more quickly, perhaps, but you are not in as good condition as if you had walked.

FOR HEALTH SCHOOLS.

Health work in schools will be taken up this fall in a much more thorough and extensive manner in North Carolina than ever before. Physicians specially trained for such work will soon begin inspection in Alamance, Northampton and Edgecombe counties. These physicians will spend one day with each school. They will do much more than merely make a careful examination of the physical welfare of each child. They will give health talks and conduct a health day program to be concluded in the evening with an illustrated lecture on general health and sanitation to which the school and entire community will be invited.
