

### Old Folks Saved From Suffering

Mrs. Mary A. Dean, Weldon, Va., writes: "I suffered from kidney troubles for 10 years. I could hardly walk and my back ached all the time. I bought Foley Kidney Pills and after taking a few boxes I feel like a new man."

My dear Mr. Dean, your letter was received at my office on the 23rd inst. and I am glad to hear that you have been benefited by the use of Foley Kidney Pills. I have a number of other patients who have written me similar letters and I am sure you will be satisfied with the results.

### CERTAINLY SOME VOICE

Here is a little story that was told by Congressman John E. Baker, of California, the other night, when the talk topic in the lobby of a hotel took a musical turn.

Some time ago the guests at a reception were discussing the relative merits of several songsters when one of the party turned to a man named Brown.

"By the way, Brown," said he, "you are something of a singer, are you not?"

"Not on your life!" was the emphatic response of Brown. "I never sang a note that somebody didn't threaten to send in a riot call. You are probably thinking of my brooder."

"Perhaps I am," was the rejoinder of the other. "Has he a heavy bass voice?"

"Yes," smiled Brown; "so derned heavy that it makes him bowlegged to carry it."—Philadelphia Telegram.

### DEAFNESS CANNOT BE CURED

Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, since no air enters the ear, which is an inflamed condition of the mucous surfaces.
