Old Folks Saved From Suffering

Mr. Mary A. Dean, Tenthredine, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley's Kidney Pills have proven most beneficial in my case."

Mr. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from bed to urinate five or six times. Now I do not have to get up at night, and consider myself in as good health as any person of my age. I attribute to Foley's Kidney Pills, which I have taken nothing else."

Mr. M. A. Bridges, Robinson, Mass., writes: "I suffered from kidney trouble for many years. I commenced taking Foley's Kidney Pills ten months ago, and though I am 70 years of age, I feel like a 40-year-old man."

Foley's Kidney Pills are a gentle, strengthening and purifying, and restore normal action to the kidneys and to a disordered and painful bladder. They act quickly and contain no dangerous or harmful drugs.

Pastine A Soluble Antiseptic Powder to be dissolved in water as needed For Douches

In the local treatment of woman's life, such as leucorrhoea and inflammation, but douches of Pastine are very efficacious. No woman who has ever used medicated douches will fail to appreciate the clean and healthy condition Pastine produces and the prompt relief from soreness and discomfort which follows its use. This is because Pastine possesses superior cleansing, disinfecting and healing properties.

For ten years the Lydia E. Pinkham Medicine Co. has recommended Pastine in their own private correspondence with women, which proves its superiority. Women who have been relieved say it is "worth its weight in gold." At druggists. 50c. large box or by mail. Sample free. The Paxton Toilet Co., Boston, Mass.

WHAT HE MISSED.

Was It Worth While to Live a Life of That Kind?

A paper comes drifting into these headquarters containing an account of the death of a man who died full of years—seventy-three, and to his credit was the fact that during all those years he had never smoked, never chewed tobacco, never swore, never drank whiskey or beer or any intoxicating liquors.

Never smoked! Never, when the day was heavy and his heart was sad, sat down on his vine-covered porch and from a pipe filled with the divine weed, puffed away and filled the air with fancies of a thousand forms. Never enjoyed a pipe dream—never saw bright faces in the smoke that curled and leapt from the wooden bowl, never found that solace which the weed does bring. During those seventy-three years never tasted tobacco in any form—what did he miss!

Never drank the rose-tinted wine—the wine that inspired Homer and Horace and Cicero to do their immortal stunts; the wine that Paul admonished Timothy to take for the stomach's sake and his often infirmities; the wine that the Saviour made out of water! Never put under his hide the reeking red liquor that makes men crazed and demoralized, that causes them to whip their wives and beat their heads against padded cells, never went out with the boys and painted things a bright vermilion hue. Never, when the train of business and the heart's sorrows crowded fast and crowded faster premeditatedly went out "on a bust"—filled himself full of anything that would intoxicate and tried in that way to give Nature a chance to take up a loop here and there in machinery that the mind had worn to a frazzle.

Never, when anger caused his cheeks to redden, gave vent to his thoughts by uttering strange, loud oaths the same as sailors' drunken use—but retained his calmness no matter what winds were stirring—what calamity befell!

Did he miss much—was it worth while to live a life of that kind? To live a life clean and sober and decent. To remember each morning when he awoke from pleasant dreams where he was the night before, to know that strange insanity which alcohol brings to the brain had never marred his way; had never caused him to do things in a minute that it took a life time to regret and then he was in doubt if he had made amends. Did he miss much—no not much. And if to miss what he did he gained heaven—well, it were worth the sacrifice, even allowing that he might have had a great deal of fun!—Everything.

TOOL CHEST COURTSHIP.

"It is 'plane' that I love you," he began.

"Is that on the 'level'?" she asked.

"Haven't I always been on the 'square' with you?"

"But you have many 'wises,'" she remonstrated.

"Not a 'bit,' he asserted.

"What made you 'brace' up?" she queried coquishly.

"The fact that I 'saw' you," he replied, with a bow.

"I ought to 'hammer' you for that," she answered saucily.

"Come and sit by me on the 'bench,'" he urged.

"Suppose the other should 'file' in?" she murmured. "You should not let your arms 'compass' me."

"I know a preacher who is a good 'joiner,'" he suggested, and they rushed out.—Building Age.

A Pine Whooping Cough Remedy

Mothers, Dr. Bell's Pine Tar Honey is just the remedy for your children's cold ailments. The fact is that pine is a quick remedy enemy of cold conditions. Its qualities loosen the mucus in the throat, soothes the lungs and opens up the air passages. The combination of honey, soothing and pleasant, with the loosening pine quality makes this an ideal cough remedy for children. Each passing year brings for it new friends. A family of growing children cannot afford to be without it. 25c. a bottle.

The price of prosperity is patience, persistence and perseverance.

BACK-FIRED.

The head of the family, with his beloved briar root pipe and his favorite magazine, had settled back in the rocker for a quiet, comfortable evening.

On the other side of an intervening table was the miniature counterpart of himself, the wrinkling of whose eight-year-old forehead indicated that he was mentally wrestling with some perplexing problem. After a while he looked toward his comfort-loving parent, and with a hopeless inflection asked:

"Pa?"

"Yes, my son."

"Can the Lord make everything?"

"Yes, my boy."

"Everything?"

"There is nothing, my son, that He cannot do."

"Papa, could He make a clock that would strike less than one?"

"Now, Johnny, go right upstairs to your ma, and don't stop down here to annoy me when I'm reading."

Johnny went and wondered still.—Chicago Ledger.

Beware of Substitutes.

In these days of keen competition it is important that the public should be aware that they get Chamberlain's Cough Remedy and not take substitutes sold for the sake of extra profit. Chamberlain's Cough Remedy has stood the test and been approved for more than forty years.

Obtainable everywhere.

It's hard to convince doctors and druggists that health is wealth.

Children Cry FOR FLETCHER'S CASTORIA

A woman seldom lectures her husband on the sin of gambling when he wins.

It may be a surprise to you to learn that in many cases group can be prevented. Mrs. H. M. Jones, Elkhart, Ohio, relates her experience as follows: "My little boy is subject to cough. During the past winter I kept a bottle of Chamberlain's Cough Remedy in the house and he began having that cough again. I would give out or two doses of it and it would break the attack. I like it better for children than any other cough medicine because children take it willingly, and it is safe and reliable—obtainable everywhere."

The fewer creditors a man has the easier it is for him to look the whole world in the face.

Get Rid of Those Poisons in Your System.

You will find Dr. King's New Life Pills a most satisfactory laxative in releasing the poisons from your system. Accumulated waste and poisons cause manifold ailments unless released. Dizziness, spots before the eyes, blackness and miserable feeling generally are indications that you need Dr. King's New Life Pills. Take a dose tonight and you will experience grateful relief by morning. 25c.

Sometimes a man's past takes a short cut and heads off his future.

GRANDEUR OF OLD OCEAN.

Victor Herbert tells of a young woman from Wisconsin who came to visit relatives in an Eastern city not far from Newport.

"The young woman had never seen the sea, and, of course, was very anxious to do so. The relatives took her to Newport, and as they stood on the white sand of Bailey's Beach gazing dreamily out over the vast blue expanse of the Atlantic one of the party said to the visitor:

"So, Jennie, this is the first time you've ever seen the sea?"

"Yes," replied the young Westerner, it is the very first time."

"And," queried the other, "what do you think of it?"

"Ah, she replied, with a long indrawn breath, and an ecstatic smile, "it smells just like oysters!"

STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Forreston, Ky.—In interesting advice from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headaches so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good. I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Theford's Black-Draught, and quit taking other medicines. I decided to take his advice, although I did not have any confidence in it. I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick headaches since I began using it. I am so thankful for what Black-Draught has done for me."

Theford's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be kept in every family chest. Wood's Seeds.

Seed Wheat. The Seed Wheat we offer are from the best and most productive crops grown in the finest wheat-growing sections of Virginia, and are carefully selected by us to remove all impurities and small but inferior grain, so as to supply our customers only with plump and well developed seed wheat, which should yield considerably more per acre than ordinary wheat, and which is perfectly clean. All of our Seed Wheat are selected from good yielding crops, which with our methods of cleaning, makes the Seed Wheat which we offer very much superior to ordinary seed wheat.
