

# MAN AND WIFE ARE NOW 50-50 IN HEALTH RACE.

Tanlac Is Cause of Novel Contest—Their Games Create Interest.

Tanlac is responsible for a novel race for regained health and happiness in the Luther home, 412 Wachona street, Winston-Salem.

Upon finishing the fourth bottle—between them—William Luther and his wife, Mrs. Pearl Luther, stood 50-50 in their contest.

"We are both in the pink of condition," Mr. Luther and his wife united in telling the Tanlac Man.

"Just a short time ago," the husband continued, "I was in a rundown condition. I suffered loss of appetite and from insomnia."

"And I," broke in Mrs. Luther, "suffered stomach ills that came from indigestion. Like Mr. Luther, I suffered from sleeplessness and loss of appetite. The little time I did sleep found me experiencing fearful dreams."

"Not so now," man and wife chorused. "Thanks to Tanlac matters have changed."

"While I have gained two and a half pounds more than my husband, he has bested me in sleep. The difference is not much, however, and before long I hope to catch up with him in this department of our race. Even now I am sleeping better than I have in years. We are even on the eating part as he and I have about the same good, hearty appetite."

"We combine in recommending Tanlac to sufferers, especially to man and wife for we feel they will derive the enjoyment that is ours from our interesting health contests."

This ideal spring tonic—appetizer, blood and invigorant, is sold only in Weldon by William M. Cohen; in Scotland Neck by E. T. Whitehead; in Roanoke Rapids by Hancock & House; in Enfield by Harrison & Hall; and in Linton by Harrison's Drug Store.

## COUNTY BOARDS OF ELECTION.

Named by the State Board in Session Saturday—Rules on Senatorial Candidates and on Expenses of Candidates.

The State Board of Elections met in Raleigh Saturday and named the various county boards of elections. It also passed a resolution with respect to candidates for State Senator; ruled that the expenses of a candidate begins when he takes his first step to secure the office and not when he formally files his official notice; a resolution that the State board meet on the sixth day of June, canvass the presidential primary vote and wire the result to the Democratic and Republican National conventions officials.

The resolution relative to the expenditure of money declares that a candidate must report in his expenses account all of the money he has spent or that his friends have spent for him in the furtherance of his candidacy, whether the money was spent before or after he files the notice of his candidacy with the State Board of Elections.

The following was adopted relative to senatorial candidates:

1. When a senatorial district is composed of a single county, all notices and statements of money spent must be filed in the manner required by candidates for county officers.

2. When a senatorial district is composed of more than one county in the several counties composing the district agree that a particular county is entitled to name a candidate, then the candidates in the primary will run only in the county entitled to name the candidate and the notices and statements of money spent shall be filed in the case of county offices.

3. If there be a failure to agree as to what county is entitled to name the candidate, then candidates will have to run in all the counties composing the district and notices and statements of money spent will have to be filed in the case of candidates for State offices.

The County Boards of Election for Halifax and adjoining counties are as follows:

Halifax—Whit A. Johnston, Littleton; Jacob P. Dickens, Halifax; W. S. Saunders, Roanoke Rapids. Northampton—Garland E. Midyette, Jackson; B. B. Fennille, Jackson; W. F. Outland, Woodland. Warren—S. G. Daniel, Littleton; Chas. N. Hardy, Aspen; W. J. Bishop, Norlina.

A shiftless man is always boasting of what he would do if he had the money.

Nailing a lie won't always keep it down.

**DIED OF HIS INJURIES.**—Geo. Vincent died at the hospital early Wednesday morning.

He was at his father's a few miles from town on Sunday two weeks ago and was thrown from a horse. The horse afterwards stepped on him from which he received internal injuries. On last Friday night he had an internal hemorrhage. The doctor was called and he rushed him to the hospital, where death resulted soon after.—Roanoke Rapids Herald.

**WHAT TO EAT IN THE SPRING.**—March and April are the most trying months of the year for the housewife to know what to prepare to eat. Early fruits and vegetables for which the appetite craves are not easily obtainable, besides they are usually too expensive to have on the daily bill of fare. For this reason, too much of meats and heavy foods are eaten in the spring and are frequently the cause of "spring fever" and that tired feeling common to the first warm days.

**AFTER A WHILE.**—Half the joy of life comes from getting good out of things as we go along. Some of us are always putting off our enjoyments. After a while, we expect to take a rest, see a friend, read a book. But after a while never comes, the good times we are looking forward to lies as far away as ever. All our life is spent in meaning to overtake it and enjoy it. Meanwhile we toil, drudge and grow old, passing by with unselfish eye the happiness we might get out of every day.

**AUTOMOBILE ACCIDENT.**—Several persons were injured in an automobile accident at Garysburg Sunday and is a miracle that the accident was not more serious. Mr. and Mrs. H. J. Cordle and two children, of Littleton, motored here Sunday and taking Mr. and Mrs. R. R. Rodwell and child with them they took a trip over into Northampton. When near the old Petersburg railroad cut in Garysburg the automobile stalled upon the road, and Mr. Rodwell got out to crank it up. But before Mr. Rodwell could do so the automobile ran backwards and turned over into the ditch, catching the occupants under it. Mrs. Cordle had her arm badly sprained and Mrs. Rodwell sustained slight injuries. The other members of the party escaped with only a few bruises. Their escape from death or serious injury was most wonderful and they all feel thankful that they came out of the accident alive.

**Take This for LaGrippe Coughs**

The danger of lagrippe lies in its tendency to develop pneumonia, and the March death record from pneumonia is appalling. Stop your cold before it reaches the danger point, and take Foley's Honey and Tar Compound. Mr. W. P. Bowen, Jimps, Ga., writes: "I had a terrible attack of lagrippe, aches and pains all over my body, and a dry lagrippe cough. I began taking Foley's Honey and Tar and when I had taken one bottle my cough was cured, my cold was well."  
Sold by E. CLARK.
