

MOTHER'S REMEDY FOR BRUISES

Children's Burns, Sprains and Minor Hurts Quickly Relieved by Sloan's Liniment.

It is the nature of children to hurt themselves—to come crying to mother with little fingers bruised with heads bumped, with sprained ankles and wrists.

They are painful hurts, too. But their pain and sting can't survive the gentle use of this liniment. A single application of Sloan's Liniment and—the little fellow's bravely kept back tears give way to smiles. His hurt is relieved.

In every home where there are children a bottle of Sloan's Liniment is a necessity.

Aching muscles, rheumatism, lumbago, stiff neck, backache, chilblains, etc., can be effectively relieved with Sloan's Liniment. Cleaner than nussy ointments or plasters.

Sloan's Liniment can be obtained at all drug stores, 25c., 50c. and \$1.

KILLS PAIN

THE ROANOKE NEWS,

THURSDAY, NOV. 9, 1916.

LOCAL INTELLIGENCE.

You'll not catch any fish if you spare the rod.

The younger a man is the more he has to unlearn.

Silent watches of the night are those we forget to wind.

Not quite two months to Christmas. How time does fly.

The turtle is slow but he gets there in time for the soup.

An ounce of honest criticism is worth more than a pound of flattery.

A homely girl is always pretty in the eyes of the man in love with her.

Kittner comes down to 40c. per pair for putting on rubber heels.

"Wealth adds to worry," but most people are looking for trouble anyway.

The open season for hunting in Halifax county begins next Wednesday the 15th.

The docket for the week is clear not a case since our last report, due perhaps, to prohibition now in effect in Virginia.

Mrs. Herbert Poe and children, of Rocky Mount, have been spending the past few days here with Mr. and Mrs. H. M. Poe.

J. I. Wyche, accompanied by F. J. Bounds, motored to Emporia Saturday morning to attend the burial of Mr. Wyche's brother-in-law, R. C. Land, of that place.

GOOD TIMES COMING.—From all reports the prospect for plenty of hog and hominy in Halifax county this fall and winter are mighty good, and is a sure sign that the farmers of the county will not have to send all the money they get for high-priced cotton and tobacco to some other section of the country for bread and meat.

STREET WORK.—Machinery has been sent in by the street improvement contractors for putting on the finishing touches to Washington Avenue. The second coat will be "hot stuff" when it is put down and will give a beautiful smooth finish to the street. Elm street and portions of Sycamore street are also to be paved.

ADVERTISED LETTERS.—The following is a list of letters remaining "uncalled for" in the Weldon postoffice:

Mrs. Dilar Davis, C. W. Harlan. Persons calling for above letters will please say "advertised," giving date of advertising.

D. T. CLARK, P. M., Weldon, N. C. Nov. 6, 1916.

NEW LAW OFFICE.—We take pleasure in calling attention to the law card of H. B. Harrell, Jr. Mr. Harrell has recently been licensed to practice his profession after passing a successful examination before the Supreme Court. He is a son of Mr. and Mrs. H. B. Harrell, of this town, is an excellent young man and we wish him great success. His office is over Ricks' Jewelry Store.

OST—On November 1st some- where between South Weldon and the Methodist church, a handsome brooch, consisting of a horse shoe of pearls with a four-leaf clover, and small diamond in center. Finder will receive suitable reward if returned to Mrs. J. I. Wyche.

SPEAKING OF TAXES.—People who complain of high taxation in North Carolina should chase themselves to Nevada, where the per capita cost of State government is the highest in the United States while North Carolina is the lowest with one exception—South Carolina. The average per capita cost of State governments in the United States for 1915 was \$3.85. Nevada was highest, with \$10.36. Virginia was \$3.54; North Carolina, \$1.76; South Carolina \$1.64.

RUNAWAY TEAM.—A pair of horses attached to a wagon belonging to Green Carlisle, a tenant on W. A. and O. W. Pierce's farms between Weldon and Halifax, ran away Friday night, smashed the wagon into splinters, leaving one pair wheels at J. U. Vaughan's corner and carrying the others on to South Weldon. The wagon was slammed against telephone poles, breaking down wires and putting one of two phones out of commission. Only the coupling pole was left undamaged.

SCHOOL CIRCUS.—A Barnum & Bailey Circus was the form of a Halloween entertainment given by the faculty and students at Fasniff School, Hendersonville.

The students carried out the program in a way to make the real article green with envy. Miss Tempe Zollcoffer, of Weldon, and Miss Helen Coles, of Jacksonville, Fla., were in the pink of condition as clowns and dispensed striped candy to a favored few. Misses Zollcoffer and Coles scored 100 points as clowns and caused the spirit of John Lowlow to stir up and take notice.

OLD SUBSCRIBER GONE.—E. L. Stephenson, of Halifax, one of the oldest and best known citizens of Halifax county, died at his home Tuesday, of last week, and his remains were laid at rest Wednesday, November 1st. Mr. Stephenson was one of our oldest subscribers. He had been on our subscription list for the past twenty-five or thirty years and always kept his subscription paid in advance, making it a rule to pay us on the first Monday of February every year, never failing to meet us at Halifax on that date. A good man has gone.

GLEANINGS FROM THE ENFIELD PROGRESS.—The three handsome new brick store buildings between the Bank of Enfield and the Harrison-Hall Drug Store are about completed and they add very much to the appearance of the street. Work is being pushed on the new \$22,000 graded school building, and it is hoped that it will be completed in time for a portion of the spring term.

Bennie Ward, son of Mr. and Mrs. William Ward, of Route 2, died in the Park View hospital at Rocky Mount on injuries received in an automobile accident near Tarboro Sunday night, October 29th, while returning home from Bethel with friends.

DEATH OF D. KEETER.—Deveraux Keeter, one of our oldest citizens, died at his home on First street, Saturday night, after being sick for a long time; aged 66 years.

Mr. Keeter was a well known farmer and merchant and attended so strictly to his own business that few of our people ever saw him upon the streets. He is survived by his wife and several children and grandchildren.

The funeral service took place Monday afternoon from his late residence and was conducted by Rev. J. G. Blalock, in the presence of a large circle of relatives and friends. The interment was in the cemetery. The bereaved family have our sympathies in their loss.

A. C. House has gone to Saranac Lake, N. Y., on a hunting trip.

OH! MY BACK!

The Expression of Many a Kidney Sufferer in Weldon.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills relieve sluggish kidneys—relieve aching backs.

Here's Weldon proof: Mrs. Mary J. Allen, Fourth St., Weldon, says: "I had pains in my back and I could hardly get up out of a chair at times. In the morning, I was sore and lame. I had headaches and dizzy spells and the kidney secretions were too frequent in passage. Two boxes of Doan's Kidney Pills cured me of all symptoms of kidney trouble and I haven't had a return of the complaint."

MISSION CLOSED.
The Series of Meetings at Grace Church, Conducted by Rev. Bertram E. Brown, Closed Sunday Night With a Splendid Service.

The mission which has been in progress at Grace church here for the past week, conducted by Rev. Bertram E. Brown, of Tarboro, closed Sunday night, the last service being held in the M. E. church to accommodate the large congregation, and the main auditorium was filled to overflowing, all denominations of Weldon attending the service, and such a scene must have been very acceptable to God, Baptists, Methodists, Presbyterians and Episcopalians all meeting in a body to hear the final sermon by Mr. Brown.

Mr. Brown's subject was the "Losing of Jesus." It was a sermon which appealed to the heart and no one could fail to catch a vision of the Christ, who attended the service with a prayerful mind and heart, who followed the speaker step by step throughout the sermon.

Mr. Brown is greatly beloved in Weldon by people of every denomination. He is a man of deep piety and consecrated to the work of the Master.

Rev. N. C. Duncan, rector of Grace Church, went to Tarboro Saturday and preached at Calvary Church Sunday for Mr. Brown. Mr. Duncan is also a consecrated servant of God and his sermons are always helpful and uplifting and he and Mrs. Duncan are greatly beloved here by all who have come in touch with them since they have been in Weldon.

How pleasant it is for brethren to dwell together in unity and brotherly love, and again we say that such a service as was held at the M. E. Church Sunday night showed a sweet spirit of Christian love and it came as a benediction at the close of a mission, the influence of which will be felt in our community for sometime.

We were pleased to see in the congregation Sunday night friends from Halifax, Rosemary, Roanoke Rapids and other places.

The man who doesn't know a woman until after he marries her may regret the acquaintance.

Money furnishes a house, but it takes love to furnish a home.

Restored To Health By Vinol
Atlee, Va.—I am weak, run-down, no appetite, my blood was poor, I could not sleep nights and was rapidly losing flesh, but I am a farmer and had to work. Medicines had failed to help me until I took Vinol. After taking three bottles my appetite is fine, I sleep well, my blood is good and I am well again.

AN AGED WOMAN!
Tells How Vinol Made Her Strong
In her eighty-second year Mrs. John Wickersham, of Russellville, Pa., says: "I was in a run-down, feeble condition and had lost flesh. A neighbor asked me to try Vinol, and after taking two bottles my strength returned; I am gaining in flesh, it has built up my health and I am feeling fine for a woman of my age, so I get around and do my housework."

The reason Vinol was so successful in Mrs. Wickersham's case was because it contains the very elements needed to build her up.

Every Woman Has The Right To a Hoosier.

EVERY woman is entitled to every work-saving device that will make kitchen work easier. Going without a Hoosier—saying the very moderate price by taking miles of unnecessary steps, every meal you get and every meal you clean up after, is poor economy.

Do you realize that you can have a Hoosier in your kitchen immediately by paying only \$1. And complete the payments at the rate of \$1 per week without interest or increasing the cost?

THE VITAL PART OF YOUR CABINET

The picture above shows how the scientific arrangement of the Hoosier makes it a real helper. Storage place is above and below. There is plenty of unhampered room above and around the aluminum (or porcelain) work-table.

There are no useless little partitions to chop up the space and leave no room for work. Your cabinet must have big table space to work on. The Hoosier gives it. Come and see these six exclusive features:

- 1—The all-metal glass front flour bin.
- 2—The gear-driven shaker flour sifter which makes flour light and fluffy.
- 3—Scientific arrangement—articles needed most frequently easiest reached.
- 4—Revolving caster (shown in center of illustration.)
- 5—The ingenious, big capacity sugar bin—holds more than twice as much as most other bins.
- 6—Finally, the doors that roll back at the sides of the cabinet, entirely out of the way.

And regardless of the room in your kitchen, there's a special Hoosier model to fit, at a price you can easily afford.

Prices and Terms
There are 1,000,000 Hoosier Cabinets in use. Enormous factory outpour makes our low prices possible.

If you buy now, you can have the Hoosier delivered at once by paying only \$1. Then pay at the rate of \$1 per week, without extra cost or interest.

COME IN AND SEE
Why Over a Million Women Use the Hoosier

Seven out of ten of these million Hoosiers were bought on the recommendations of satisfied users. Women who knew from experience what the Hoosier would do.
