THE DEADBEAT A THIEF.

Honesty is not Only the Right Policy, But it is the Basis of Right Living.

A person who will not pay his grocery bill or any other account, though he attend church regularly and sing with the lungs of an archangel, cannot have more religion than an infidel Turk. Persons who expect to pass entirely through life by bearing merchants out of their due, will have a rocky sailing once they shuffle off this mortal coil. Honesty is not only the right policy, but it is the basis of right living—Hickory Record.

Commenting on the foregoing the Statesville Landmark adds:

The deadbeat—the individual who constantly and willfully and negligently fails and refuses to pay his debts, is simply a thief. His offense isn't so defined in the statute books, but morally it is just that. The Landmark has more respect for a thief who pilfers when your back is turned than the scoundrel who takes your goods before your face, through deception and fraud. The thief who pilfers while your back is turned doesn't deceive you, he doesn't pretend that he will make good. The other thief is not only a robber but a liar. He is morally just as much a thief as the other and he adds to that additional offense by lying and deceiving and causing one to lose confidence in his fellows. If we'd quit apologizing for the deadbeat, call them by their right names and treat them as we do the other kind, the number would be less. Instead it is constantly increased by the kind consideration accorded to them.

RIGHT MAKES MIGHT.

"Let us have faith that right makes might; and in that faith let us dare to do our duty as we understand it."—Abraham Lincoln.

THE ONWARD MARCH of Bronchitis, and deep seated Coughs is arrested by **Dr. Pierce's Golden Medical Discovery.** In those serious conditions of the blood which invite Consumption; in severe, lingering Coughs, and Weak Lungs, which threaten you with this fatal disease, and when other help has failed—this medicine is a proved remedy. As a blood-cleanser, strength-restorer, and tonic it is sure to benefit. In all lingering Bronchitis and Throat affections, and in every disease that can be reached through the blood, it never fails to benefit or cure. In tablet or liquid form.

The machinery of the body needs to be well oiled, kept in good condition just as the automobile, steam engine or bicycle. Why should the human neglect his own machinery more than that of his horse or his engine? Yet most people do neglect themselves. Clean the system at least once a week with **Dr. Pierce's Pleasant Pellets.**

What Is Uric Acid?

Everyone has uric acid in the system, but naturally in small quantities. Excessive amount is caused by eating too much meat and foods that ferment in stomach. The kidneys, being the filters of the blood, are supposed to separate and throw the poisons out of the system. Weak, tired and overworked kidneys fail to do this, hence the uric acid accumulates and the strain is carried by the blood to the acid tissue structure, causing backache, lumbago, rheumatism, dropsy, drowsiness, and tired feeling.

To overcome the trouble is only a matter of toning up the kidneys, and this is best done by a treatment with **Anurie**, three times a day. **Anurie** is a recent discovery of Dr. Pierce of Buffalo, N. Y., and can be obtained at any drug store. Experience taught Doctor Pierce that **Anurie** is a more powerful agent than lithia in dissolving uric acid, and it is then carried out of the system.

No. Six-Sixty-Six

This is a prescription prepared especially for **MALARIA or CHILLS & FEVER.** Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not grip or sicken. 25c.

W. M. COHEN.

As we stated some time ago Mr. W. M. Cohen sold out his business as a druggist to Mr. L. W. Murphrey and we have wanted to give a more lengthy sketch of his business career among us, but have been prevented until the present.

WILLIAM MERCER COHEN was born in Enfield, N. C., in the year 1867. After proper preparation in his home schools he entered the Maryland College of Pharmacy, in Baltimore, from which place he graduated in 1889. In April of that year he came to Weldon, bought the drug business operated by Dr. I. E. Green and immediately began plans for its enlargement and improvement. Public spirited and enthusiastic, he believed in progression and entered fully into the affairs of our town and community and worked to promote improvements of every kind. For twenty years he was Town Treasurer and held this important position to the satisfaction of all concerned. Perhaps no man who has lived among us has done more to relieve distress and pain than he in filling prescriptions and furnishing medicine to all alike, whether they had money to pay or not. In this way Cohen's Drug Store became the haven of those seeking relief of any kind. Kind hearted, polite, and sympathetic. The needy never called in vain.

He was married in January, 1907, to Miss Willie Hall Green, who has entered into his plans and purposes as a true wife should. Finding it to his advantage to do so he sold out his complete stock, good will and all interests in January last to Mr. L. W. Murphrey, who had so long had charge of the Pharmaceutical department of the business and will continue it on the same liberal and philanthropic plans established by Mr. Cohen.

As Mr. Cohen is still a young man, we wish for him many more years among us, and trust he will find it to his interest and pleasure to let Weldon and her people have first place in whatever he may do or undertake, assuring him of our appreciation and interest in him and his.

FLOWERS AND CHEER.

Love for Flowers is Sunshine in the Soul.

Did you ever stop to observe how the beauty and brightness of flowers is lent to the faces of persons who lovingly care for them? There is a certain relation between the flowers that grow in your garden, and your own spirits. And, whether consciously or not you are affected in no small degree by the blossoms and their state of prosperity. If the flowers come bravely and bloom as they should, you are correspondingly elated. The sight of them tranquilizes the nerves. The odor soothes the temper. The very presence of the cheerful, growing things make you content with the earth and your lot upon it.

Have you not among your acquaintances some kind soul who revels in her garden or in the pots in her window? In the winter her windows stare bleak and bare in the sullen street. In the summer it is twice as gay, and the woman who tends the garden spot is perpetually hovering over the sweet beds.

Did you ever know such a woman to be peevish, pessimistic or anything but busy and contented with life? She herself is a bright flower, casting beauty and cheer into the world. The secret lies in the fact that we get out of life only what we put into it. We grow what we give. Love for flowers is sunshine in the soul.

The heart that is devoted to flowers is a flower garden itself, sweetening its atmosphere with unmeasurable influence for good. The care of flowers, and better still for the nerves, for it trains to tenderness of mouth; the thought of them is good occupation for the mind; the love for them develops and sweetens the spirit.

ONLY ONE.

The Record in Weldon Is Unique One.

If the reader has a "bad back" or any kidney ills and is looking for an effective kidney medicine, better depend on the remedy endorsed by the people you know. Doan's Kidney Pills have given great satisfaction in such cases. Weldon citizens testify to this. Here is a case of it:

E. D. Purnell, printer, Washington Avenue, Weldon, says: "I had a dull pain across my back and at times I was so sore and lame I couldn't stoop or bend. The trouble was caused by a strain, which left my kidneys weak. The least cold settled on my kidneys and made my condition worse. Doan's Kidney Pills soon relieved me, putting my back and kidneys in good condition."

YOUNG MEN.

Courage Should Grow With The Experience of God's Helpfulness.

In a recent address President Wilson said: "The only men who serve the world now are young men, and men who never grow old; men in whose systems the steam goes strong all the time, and who do not get so stiff that their whole machinery buckles up."

This is the age of youth. There is constant talk of the "dead line." Sometimes it is put as low as forty. More and more, however, there is a tendency to recognize the important fact that the dead line may be passed by a youth of twenty, and not by an old man of seventy. Indeed, many a veteran of three-score and ten is younger for all essential purposes than the average young man who has just attained his majority.

Forward, Youth! Youth with its enthusiasms, youth, with its optimism, youth with its good cheer, youth with its buoyancy and vigor! The world can never have too much of it.

And as we grow older we may have more of it, rather than less, if we will—ever more enthusiasm, optimism, good cheer buoyancy and vigor. Courage should grow with the experience of God's helpfulness. Zeal should deepen with the deeper knowledge of God's purposes. Love for all men, and peace and joy, should increase with increasing communion with the love of God.

Then forward. Age. Age that tempers youth, but does not destroy it. Age that ripens youth, but does not dry it up. Age that merely carries youth along to loftier ideas and wider views. For the right kind of old age is only the happy youth of eternity.—Exchange.

EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your liver like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great, give it to the children because it is perfectly harmless and doesn't gripe.
