**SHE HAD WAYWARD DAUGHTER.**  
Neighbor was Surprised When She Found Cause for Severe Rebuke Administered by Mother.

A lady living in a large apartment house relates the following: "I had occasion one day to visit the apartment of a neighbor. Such grave and earnest tones of remonstrance reached my ears, as I approached my friend's room, that I hesitated about intruding. I found her winsome young daughter with her, and the mother had evidently been rebuking her, for the girl's face was flushed, and there were tears in her eyes.

"Come in," said my friend. "I have finished what I was saying to Jenny, and I hope she will remember my wishes."

"Ah, these children—these children!" thought I to myself. "I have just been telling her," continued my friend, "that she must not wear her evening gloves when she goes shopping in the morning. In the first place, it is not genteel, and in the second place, it is extravagant."

Her evening gloves! And yet, I assure, her tone and expression and the impression made on the child, would have belittled a serious wrong-doing—one that had issues in time and eternity.

**Doctor Says Nuxated Iron Will Increase Strength of Delicate People 100% in Ten Days**

In many instances, people have suffered a mild agony for years doctoring for nervous weakness, stomach, liver or kidney disease, or some other ailment. When their real trouble was lack of iron in the blood—how to tell?

New York, N. Y., in a recent issue of the *Medical Review*, Dr. E. Mayer, a Boston physician who has studied the iron question in detail, and in great European medical institutions, writes: "If you were to make an actual blood test, on all people who are ill, you would probably be greatly astonished to find the exceedingly large number who lack iron and who are ill for no other reason than the lack of it. The blood of iron is enriched and their multitude of dangerous symptoms disappear. Without iron, the blood at once loses the power to change food into living tissue, and therefore nothing you eat does you any good, you don't get the strength out of it. Your food merely passes through your system like corn through a mill with the rollers so wide apart that the mill can't grind. As a result of this poisonous blood and nerve starvation people become generally weakened, nervous and all run down and frequently develop all sorts of conditions. One is too thin, another is too fat, another is too pale, some are so weak they can barely walk, some think they have dropsy, kidney or liver trouble, some can't sleep at night, others are shy and tired all day, some fussy and irritable, some skin and bloodless, but all lack physical power and endurance. In such cases, it is wise, therefore, to take a stimulating medicine or narcotic drug, which will whip up your flagging vital powers for the moment, but at the expense of your life later on. No matter what the trouble, if you are not strong and well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two or three tablets of ordinary Nuxated Iron, three times a day after meals for two weeks. Then test your strength again, and see how far you can walk, how long you can work, and how much you can carry. You will be surprised to find that your strength and endurance are greatly increased, and that you are able to do more work and walk farther than you were able to do before. This is the best blood builder in the world. The only trouble was that the old forms of iron, such as iron filings, iron sulphate, etc., often caused people to feel that they were sick and were not benefited, and for these reasons they probably did more harm than good. But with the discovery of the newer forms of iron, such as this Nuxated Iron, the trouble is completely removed. It is so simple, it is pleasant to take, does not injure the teeth and is almost immediately beneficial."

**APPARENTLY SO.**

"If you refuse me my life will be an aching void."  
"Another sutor told me that once."  
"What happened?"  
"He has a wife that weighs over 200 pounds and it strikes me that his life is rather full."

**Mrs. Smith Recommends Chamberlain's Tablets**

"I have had more or less stomach trouble for eight or ten years," writes Mrs. C. H. Smith, Haverhill, N. Y. "When suffering from attacks of indigestion and heaviness after eating, one or two of Chamberlain's Tablets have always relieved me. I have also found them a pleasant laxative." These tablets tone up the stomach and enable it to perform its functions naturally. If you are troubled with indigestion, give them a trial, get well and stay well.

**Says Phosphates Make Beautiful Women and Strong, Healthy, Vigorous, Robust Men**

Physicians all over the world are prescribing phosphates to build up run down enemic conditions and those who have treated their patients with Argo-Phosphate are changing thin, enemic women with tonless tissues flabby flesh into the most beautiful, rosy checked and plump round formed women imaginable.

Atlanta, Ga.—Dr. Jacobson said in a recent interview that 90 per cent of anemia comes from nervous breakdown which can only be corrected by supplying the necessary phosphates to the nervous system that is lacking in the food you eat, and this can be quickly supplied by taking one or two 5-grain Argo-Phosphate Tablets after each meal, and at bed time. It will in many cases make a pale, scrawny face the picture of health, in a few days. I have seen women that I expected would have to be kept under treatment for months restored to perfect health in one or two weeks time.

Special Notice.—The Argo-Phosphate recommended by Dr. F. H. Jacobson contains phosphates such as are prescribed by leading physicians throughout the world, and it will be found the most effective form for treating patients with Nervous Dyspepsia, Stomach troubles, Brain Fog, and Nervous Prostration. It will renew youthful vim and vigor, and build up the whole body. Argo-Phosphate is dispensed by W. M. Cohen Drug Co. Free sample mailed by the Argo Laboratories, Atlanta, Ga.

**Helps Sick Women**

Cardui, the woman's tonic, helped Mrs. William Everette, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, and the pains were very severe. A friend told me I had tried everything else, why not Cardui? I did, and soon saw it was helping me. After 12 bottles, I am strong and well."

**TAKE CARDUI**

**The Woman's Tonic**

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

**All Druggists**

**EVER SALIVATED BY CALOMEL? HORRIBLE!**

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury, quicksilver. Calomel is dangerous. It crumbles into sour bile like dynamite, crumbing and sicks you. Calomel attacks the lungs and should never be put into your system.

When you feel bilious, sluggish, constipated and all knotted out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without bringing you up inside, and can not silitate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

**WHY IT IS SO.**

Some find work where some find rest,  
And so the weary world goes on;  
I sometimes wonder when life is gone,  
The answer comes when life is gone.

Some eyes sleep when some eyes wake,  
And so the dreary night hours go;  
Some hearts beat where some hearts break;  
I often wonder why 'tis so.

Some hands fold where other hands  
Are lifted bravely in strife;  
And so through ages and through lands  
Move on the two extremes of life.

Some feet halt while some feet tread  
In tireless march a thorny way;  
Some struggle on when some have fled;  
Some seek, where others shun, the fray.

Some sleep on while others keep  
The vigils of the true and brave;  
They will not rest till roses creep  
Around their names above the grave.

Father Ryan.

**SHORT METER.**

The twins, just arrived at the creeping age, were visiting grandma's. Now, grandpa, after working in the fields all day, rested his feet by going barefoot. The first night at family prayers the family was much surprised at grandpa's agitation and very short prayer. Being questioned, he replied: "Guess you'd be agitated with those two rascals tickling your feet."

**AND HE WAS GOOD.**

"Now, Tommy," said Mrs. Bull, "I want you to be good while I'm out."  
"I'll be good for a nickel," replied Tommy.  
"Tommy," she said, "I want you to remember that you cannot be a son of mine unless you are good for nothing."—St. Paul Dispatch.

**Group.**

If your children are subject to croup, get a bottle of Chamberlain's Cough Remedy, and when the attack comes on to be careful to follow the plain printed directions. You will be surprised at the quick relief which it affords.

**NOTICE TO SICK WOMEN**

Positive Proof That Lydia E. Pinkham's Vegetable Compound Relieves Suffering.

Bridgeton, N. J.—"I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound for inflammation and other weaknesses. I was very irregular and would have terrible pains so that I could hardly take a step. Sometimes I would be so miserable that I could not sweep a room. I doctored part of the time but felt no change. I later took Lydia E. Pinkham's Vegetable Compound and soon felt a change for the better. I took it until I was in good healthy condition. I recommend the Pinkham remedies to all women as I have used them with such good results."—Mrs. MILDRED T. CUMMINGS, 322 Harmony St., Penn's Grove, N. J.

Such testimony should be accepted by all women as convincing evidence of the excellence of Lydia E. Pinkham's Vegetable Compound as a remedy for the distressing ills of women such as displacements, inflammation, ulceration, headache, painful periods, nervousness and kindred ailments.
