A CALL TO COLORS.—Messrs. Fenner Smith, John L. Anderson, of Roanoke Rapids, and John Napoleon Josey, of Scotland Neck, left last week for Camp Jackson.

SAVE SUPERANNATED OYSTERS.—Polluted oysters may be purified, it is claimed, by keeping a short time in water containing a little calcium hypochlorite. The oysters are not only made perfectly safe and suitable food, but the flavor is not affected.

MY FLAG.—The following is repeated daily by all the school children in town:

I pledge allegiance to MY FLAG and to the Republic for which it stands, one nation indivisible with Liberty and Justice for all.

A SMALL FIRE.—On Monday morning about 2 o'clock, fire broke out in a small frame building at the Weldon Cotton Mills. The building burned to the ground in a very short time. No one knew the cause of the fire. The loss was very small.

LOOK OVER YOUR LIVE STOCK CAREFULLY.—Don't fail to look over your live stock carefully. Select those animals which are productive and which ought to be kept, and sell those which are unproductive. Prepare the cull animals for early market, and save the room and feed for good stock.

TROUBLES THAT NEVER COME.—When Old Man Robinson Crusoe first landed on this island he sat up in a tree all night to keep away from the wild beasts. He spent a miserable night and found the next day that there were no wild beasts on the island. And a great many people climb trees to escape things that do not exist.

U. D. C.—The Junius Daniel Chapter U. D. C. will meet on Thursday, Nov. 8th instead of Wednesday, Nov. 7th, with Mrs. R. S. Travis as hostess. Let all the Daughters be present and hear the report of delegates to annual meeting.

Mrs. IDA WILKINS, Pres. Mrs. W. C. ALLEN, Sec.

SAFE IN THE BOAT.—Those housewives who put in much time during the past summer laying up provisions for the winter have no reason to feel worried. Whatever comes, they will have what they have preserved, and if need be will be able to sell some. It was thrift and patriotism to can everything worth while.

THE GOLDEN RULE.—What is known as the golden rule in morals, is the rule laid down by Jesus in the sermon on the mount, and stated by him to be the law and the prophets. "Therefore all things whatsoever ye would that men should do to you, do ye even so to them; for this is the law and the prophets."—Matt. 7:12.

THE WAYS OF A MULE.—A person who harnesses and unharnesses a mule for months may forget himself and stoop for something at the animal's heels. Then the mule, docile for so many days, begins to kick. When the luckless driver regains his senses he imagines the mule had been waiting craftily all those weeks just to get a good opportunity to kick him.

WEEK OF PRAYER.—The ladies of the M. E. Church will hold their annual Week of Prayer services in the Baraca room of the church on Monday, Tuesday and Wednesday next. Let every woman of the church try to attend these meetings. The times demand that we make sacrifices and let us examine ourselves and see if we are doing our part. Mrs. H. C. SMITHS, Pres. W. M. S.

APPLES VALUABLE AS FOOD.—Apples should be used in our diet as often as possible. They are easily obtained, reasonable in price, lend variety to the menu and are of value as a food and as a preventive of disease. Nothing in all our varied and fascinating range of fruits holds quite the same quality and qualifications as the apple. The more apples we add to our dietary the clearer brain and clearer skin we are likely to have. A new ripe apple at its best is digested in 85 minutes.

ELEGANT RECEPTION

At the Home of Mrs. H. B. Furgerson, in Halifax, in Honor of Miss Nannie Gary.

The ladies of the Halifax Chapter U. D. C. gave quite an elegant reception at the home of Mrs. H. B. Furgerson, in Halifax, on Thursday, October 25, in honor of Miss Nannie Gary, who was elected recording secretary for the N. C. Division U. D. C. at the annual convention recently held in Kinston. Miss Gary already held the office of district secretary, and the Division made no mistake when they elected her to this important office. The Halifax ladies appreciated the honor conferred on them in this selection and entertained all the Daughters of the county, who could be present. Quite a number came up from Enfield, some from Linton and about twenty from Weldon went down to do honor to Miss Gary and enjoy the hospitality of this historic old town.

Mrs. Furgerson's home was beautifully decorated with flags, ferns, and masses of white chrysanthemums while the light of colored candles gave a soft glow to the parlors and dining room where cake, cream, coffee and minis were served to a cordial and appreciative assembly.

In the receiving line were Mrs. Gilliam and Mrs. Sterling M. Gary, step grandmother and mother of the honoree, Miss Gary, Mrs. Furgerson, the hostess, the officers of the Halifax Chapter and Presidents of visiting chapters.

In anything of a hospitable or patriotic nature Halifax has always stood among the first, and this was no exception to the rule as it was enjoyed by all present. Her many friends were glad to meet among the guests Mrs. Richard Hale, of Texas, who as Miss Minnie Caraway, was so much beloved.

This congregation is now installing a handsome organ which will add greatly to the beauty of the new church.

IDLENESS.—"Idleness is the badge of gentry and the bane of body and mind, the nurse of naughtiness, the stepmother of discipline; the chief author of all mischief, one of the deadly sins, the cushion upon which the devil chiefly reposes."

SHOULD BE STOPPED.—Inexperienced boys and girls continue to drive automobiles in the face of the law which says expressly that they shall not, and accidents continue to happen. Few officers have the nerve to report a pretty little girl as she sits in a big car and threatens to run down some hapless pedestrian. Many policemen feel as if they were playing with their jobs when they "pull" the very youthful son of a local celebrity as he speeds about town greedily to the danger of the citizens. But this practice of allowing children to run automobiles should be stopped before some terrible accident happens.

TO MAKE A MERRY CHRISTMAS.—No \$2 that you can spend in Christmas-present giving will go further than a subscription for The Youth's Companion. Look over your long list and see how few things on it are certain to be as eagerly treasured during every one of the fifty-two weeks of 1918. Acquaintance with it soon ripens into lasting friendship, for it has that rare and priceless quality among periodicals—character—and the character of the Youth's Companion has made fast friends for it all round the world.

The Companion alone is \$2, but the publishers make an extraordinary double offer—The Youth's Companion and McCall's Magazine together for \$2.25.

Our two-at-one price offer includes:

He doesn't have the night sweats and looks much better. My other little boy had scrofula and this medicine cured him after the doctor's medicine had failed. I do not hesitate to recommend the 'Discovery' at all times."—Mrs. ROSA LEE HOGAN, Route 1.

Buy Your Hudson Now At The Low Price

Prices Will Advance Soon

You men who have held off buying Hudsons are going to be disappointed. You are going to wait until it is too late to buy one at the present low price. We expect the announcement of a price increase any day now, but before that time comes our supply may be exhausted.

We have only two Hudsons that we can sell at the low price we ask today. When these are gone, the next shipment from the factory will be at higher prices.

Men familiar with the material market, who have watched practically every other make of car go up

in price, wonder why Hudsons did not advance long ago. Hudsons would have, too, but for the fact that Hudson prepared for the present market by her purchases of materials last year, when the market was considerably lower. Now these are nearly exhausted, and Hudsons built from now on will be of materials bought on a higher market. So Hudsons must cost more.

Will you wait too long? Will you be disappointed? Come to see us today, for even tomorrow may be too late to take advantage of this great saving.
