ENTERTAINED SENIOR CLASS.—Thursday, the 14th day of February, from four to six, the Senior Class of the Weldon High School was delightfully entertained by Miss Elizabeth Clark. The guests were received by the hostess. A contest "Peg at My Heart" was entered into and enjoyed to the fullest. Miss Margaret Pierce, the successful contestant, was presented a handsome box of candy. Appropriate souvenirs of Valentine's Day were presented during the serving of a most delightful salad course. Mrs. Newton Shepherd, a member of the class, who had yielded to Cupid's darts, was among the guests. At six o'clock the class reluctantly left, voting Miss Clark a charming hostess.

DR. LANDRETH LECTURES.—The lecture of Dr. Ira Landreth, of Nashville, Tenn., delivered at the Methodist Church on the evening of Feb. 15th, was fully enjoyed by an appreciative audience. We regret that so few people found it convenient to hear him. Sam W. Small was billed for the lecture, but was taken sick enroute and Dr. Landreth was called in to fill his engagements, how well he substituted to the delight of the audience was in abundant evidence. Among many other things to the point he said he could promise with great assurance that National Constitutional Prohibition would be an accomplished fact by July 4th, 1920. The Dr. is a platform orator of the first class, and we hope to be able to hear him again.

HALIFAX.—The Elizabeth Montfort Ashe Chapter of the D. A. R. met on Thursday afternoon at the pleasant home of Mrs. Annie Gowan. A good attendance responded to the roll call, among whom was Mrs. R. S. Travis, of Weldon, a new member. Much business was transacted and much interest shown in the various appeals from the State and National organizations for aid in Red Cross and Navy League work and in the D. A. R. reconstruction work in France. A favorable report was made on the preparation for the speedy removal of the Constitution House to the new lot in the grove. The Chapter now numbers 44 members, with twelve new applications.

A large engraving was exhibited, being a rare print representing "The First Prayer in Congress." This is a gift from Mrs. A. R. Burnham, of Fairhope, Alabama, secured by Mrs. Mary H. Lee for preservation among the chapter archives.

Mrs. Florence Willcox read an interesting selection relating to George Washington, after which the meeting resolved itself into a social group for enjoying the delicate refreshments prepared by the hostess. She was assisted in serving by Miss Gay Bear and Mrs. Swain Norman.

MAXIMUM PRICES FOR CORD WOOD.—The Fuel Administrator has established the following maximum prices for cord wood that may be charged customers in Weldon effective Thursday, February 21st, 1918:

Delivered price for 4 or 8 feet wood split per cord \$5.50.

A WORD TO THE WISE SHOULD BE SUFFICIENT.—Read the following and be governed accordingly: "Mary had a cold one day."

It started in her head; And everywhere that Mary went That cold was sure to spread.

"It went with her to school one day,

It seldom is the rule For happy children, bright and gay To fear a cold at school.

"So the teacher came up close, Took Mary on her knees; Right then and there she got her dose,

And soon began to sneeze. "So hock and sneeze became the rule

In that fair countryside, The doctor made his many tents, And new-born babies died.

"Never, never, blame the Lord; But learn this simple rule, To keep your 'bad colds' to yourself

And cease to act the 'fool.' "

HEADS OF HOUSEHOLDS.—It is the mothers who are the heads of the households. The culinary department of your household is in your dominion. You decide all questions of diet. All the sanitary regulations of your house are under your supervision. To regulate the food, and the apparel, and the habits and decide the thousand questions of home life is a tax upon your brain and nerve and general health absolutely appalling if there is no divine alleviation.

It does not help you much to be told that Elizabeth Fry did wonderful things mid the criminals of Newgate. It does not help you much to be told that Florence Nightingale was kind to the wounded in Crimea. It would be better for us to tell you that the divine friend of Mary and Martha is your friend, and that he sees all the annoyances and disappointments and abrasions and exasperations of an ordinary housekeeper from morn till night and from the first day of the year to the last day of the year and at your call he is ready with help and re-enforcement.

VINOL MAKES GOOD BLOOD

Positive—Convincing Proof

Many so-called remedies for anemia are only so in name. Their makers are afraid to prove their claims by telling what their medicines contain.

The only way to be honest with the people is to let them know what they are paying for. Here is the Vinol formula. When the doctor knows what a medicine contains, it ceases to be a "patent" medicine.

3) Cod Liver and Beef Peptides, Iron and Manganese Peptides, Iron and Annonium Citrate, Lime and Soda Glycero-phosphates, Caeacris.

Any doctor will tell you that the ingredients of Vinol, as named above, enrich the blood and banish anaemia and create strength. When the food is pure and rich and red, the life is strong and robust.

You can prove this at our expense cause your money will be returned Vinol does not improve your health.

Success of a New Remedy For Backache, Kidneys, Rheumatism

ELLERVIEW, TEX.—"I was suffering with rheumatism when I came in possession of Dr. Pierce's Anemic Tablets. I had not taken them at once and haven't felt but few symptoms of it since. Anemic is a large word for rheumatism. I am so glad I have a relief. I have suffered so much from it and from neuralgia of my head."—Mrs. LENA KNIGHT, Route 1.

NOTE: Folks in town and adjoining counties are delighted with the results they have obtained by using AN-URIC, the newest discovery of Dr. Pierce, who is head of the Invalids' Hotel and Surgical Institute, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they spent in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort, and new strength they obtained from Doctor Pierce's Anemic Tablets, double strength. To obtain is a certain uric acid solvent and conquers headache, kidney and bladder diseases and rheumatism, if you've never used the Anemic, send ten cents to Dr. Pierce for a large trial package. This will prove to you that Anemic is many times more active than lithia in eliminating uric acid. If you are a sufferer, go to your best druggist and ask for a small bottle of Anemic.

WELDON MOTOR CO.

Weldon, N. C.

THIS is the day of specialists or the person who can do one thing better than another fellow. The day of the so-called "Jack of All Trades and Master of None" has passed and the master of one has taken his place. The Art of Specialization probably applies more closely to the automobile industry than to any other. Every automobile is constructed mechanically different.

We are specialist on FORD cars, having studied this car and its construction for the past two years, and have confined ourselves almost exclusively to the repairing of them. We have studied and learned all of the "short cuts" so that absolutely no time is lost, as every minute counts when a car is in trouble. We are prepared to give the quickest service.

Our stock of GENUINE FORD PARTS is a complete one, and is kept in this condition at all times. We do not handle IMITATION parts for Ford cars for obvious reasons. We respectfully request that you give us a chance to make good with you.
