BIO BUSINESS.

The children of the neighborhood had started an amusement company, which they planned to operate for commercial and recreation purposes, with the other children as the victims, or rather patrons. The company's property consisted, among other things, of a fine new swing. Since business was rather dull the first afternoon the owners of the "park" were taking turns enjoying the rides themselves. One of the little girls evidently thought that she had not received her share of the fun.

"George," she cried, "if you don't let me swing now I'll tell mamma!"

George was not abashed. "Aw, go out!" he remonstrated. "We're not running this company on the tell-mama plan."—Indianapolis News.

QUITE SO.

"We may live to see the airplane in common everyday use like the automobile."
"Sure! But our chance of living to see that will be better if we leave the experimenting to other people."—Life.

PERFECT CONFIDENCE.

Weldon People Have Good Reason For Complete Reliance.

Do you know how—
To find relief from backache;
To correct distressing urinary ills;

To assist weak kidneys?
Many people in this community know the way.

Have used Doan's Kidney Pills. Have proved their worth in many tests.

Here's testimony from this community.

Miss E. T. Powell, dressmaker, 524 Arlington St., Rocky Mount, N. C., says: "I suffered from backaches and pains in the back of my head and between my shoulders. My kidneys didn't act right and I could get no rest. Doan's Kidney Pills relieved the aches and pains in my back, corrected the kidney annoyance and did me a great deal of good."

Over three years later Miss Powell said: "I have had no signs of rheumatic pains or any kidney trouble since I endorsed Doan's Kidney Pills before. I cannot praise Doan's too much for what they have done for me."

Price 60c. at all dealers.
Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Powell had. FOSTER-MILBURN CO., Manufacturers. Buffalo, N. Y.

Dr. Frederic Jacobson Says, 75 per cent. of women need Phosphates to give them Strong, Healthy, rounded figure and to avoid Nervous Breakdown. Thousands of women grow strong in Nature's way.

"Consider the Lilies of the Field, How They Grow."

The life of the lily is but a few weeks or months. The life of man is "three score years and ten." But to live one's life in its fullness women like the lily, must be nourished by those same vital elements which nature provides for nourishing every living thing; and these include the valuable phosphorus often lacking in the usual food we eat today. Argo-Phosphate is rich in these wonderful elements. It contains them in concentrated tablet form which is easy to take and quickly assimilated and absorbed into the system, and from youth to old age, builds and rebuilds body and brain in beautiful harmony with Nature's perfect plan. "That's why" Argo-Phosphate makes good solid flesh and muscles.

SPECIAL NOTICE.—Argo-Phosphate contains the Natural phosphates which thousands of physicians are prescribing daily to build up thin, pale, colorless women to give them rosy cheeks, red lips and a beautiful complexion. Many cases have been reported where women have increased their weight from 15 to 25 pounds with a few weeks treatment, and any woman who desires a well rounded and developed form, should secure from her druggist, this new drug which is inexpensive and is dispensed by the W. M. COHEN DRUG COMPANY with or without a doctor's prescription. Free sample mailed by the Argo Laboratories, Atlanta, Ga.

22 Million Families in the United States

IF EACH FAMILY saved one cup of wheat flour it would amount to 5,500,000 pounds, or more than 28,000 barrels. If this saving was made three times a week, it would amount to 858,000,000 pounds, or 4,377,000 barrels in a year.

You can do your share in effecting this saving and really help to win the war by omitting white bread from one meal today and baking in its place muffins or corn bread made according to this recipe:

Corn Meal Muffins

1/2 cup corn meal
1/2 cup flour
1/2 teaspoon salt
4 teaspoons Royal Baking Powder

2 tablespoons sugar
No eggs
1 cup milk
2 tablespoons shortening

Sift dry ingredients together into bowl; add milk and melted shortening and beat well. Bake in greased muffin tins in hot oven about 20 minutes. Same batter may be baked as corn bread in greased shallow pan.

FOOD WILL WIN THE WAR

BOYS COME BACK.

BY FRANK L. STANTON.

I'm wantin' to stay till the morning sun
Shall light the day when the war is won;
When the world's made over—all so new
It'll be like the world God meant for you!
And that's what's coming—as true as day—
It's the old home-word from the boys away!
I've seen 'em takin' the ocean track—
I'll wait—till the boys come home!

O to be with 'em—in light and night,
And not to know that you've fought your fight!
That you've one with the shadows that seem to creep
Over the graves where the old boys sleep!
When you feel the thrill of the old war-will
And a fight for your country is in you still!
But the rustin'—rifle must keep the rack,
I'll wait—till the boys come back.

I'll wait to cheer 'em—from over the foam
To the lights of home—to the lights of home!
To the arms that were empty, but would not stay
The steps of the boys as they marched away!
When the bells ring "Home" in a mornin' song,
I'll wave a hand in the cheerin' throng—
Light! Light! Light for the war-clouds black,
I'll wait—till the boys come back.

THE FIELDS OF HOME.

O young and bright and happy, gladsome days,
Could I call back your sunny, care-free ways
And live again those full and timeless hours
That ended 'mid the hush of evening bowers
So cool and peaceful, sweetened with the dew
And woodland song that only night-time knew!
Could I look out and see the great moon rise
And marvel how she climbed the stepless skies,
And dream again those fair dreams of my youth
And revel in the beauty of a truth
New-born and wondrous, where a widening world
Each day new glory and new dreams unfurled!
O stern and serious Time loose thou the cords
And turn me back with kind assuring words
To those fair days again and let me be
A wand'rer through those fields so fair and free,
Where breath of clover roods upon the breeze
And busy songbirds tenanted the trees,
Where jolly playmates coming up the lane
Would greet me with a joy almost profane,
And climbing o'er the treacherous old rail fence
Would join me with a satisfying sense
Of well-earned leisure! onward we would stroll
O'er ditch and bramble, on through wooded knoll
And down the shadowed hillside to the creek
So filled with every creature shy and sleek;
Where all the livelong day no thought of time
Could hurry our young feet from mud and slime;
Till nightfall and the thought of storied witch
Would drive us back o'er bramble and o'er ditch
To where the home lights beckoned o'er the hill,
And the home call of the dear old whip-poor-will
Would bring us all with boyish appetite
To suppertime and stories of the night.
O Father Time, I pray thee let me roam
Back to the fields and friends of that dear home
And hear those voices, feel the boyish thrill
I knew in that dear home upon the hill.

GRAVE SITUATION.

"So Marie is engaged?"
"Yes, to an undertaker."
"An undertaker? She must be dead in love."

HAD SIMILAR FAILIN G.

Misses—It's only fair to warn you, Bridget, that my husband swears a little sometimes.
Bridget—That's all right, mum. So do I.—Life.

TYPICAL.

Judge—What is the verdict of the jury?
Foreman—Your honor, the jury are all of one mind—temporarily insane.

WHAT DOES IT MEAN?

What does this sentence mean? asked the teacher. "Man proposes, but God disposes."

A small boy in the back of the room waved his hand frantically.

"Well, Thomas," said the teacher, "what does it mean?"
"It means," answered Thomas, with conscious pride, "pride" "ther a man might ask a woman to marry him, but only the Lord knows whether she will or not."

HAD TRIED THE CURE.

Doctor—Your throat is in a very sad state. Have you ever tried gargling with salt water?

Skipper—Yes, I've been torpedoed six times.

MOTHERS TO BE

Should Read Mrs. Monyhan's Letter Published by Her Permission.

Mitchell, Ind.—"Lydia E. Pinkham's Vegetable Compound helped me so much during the time I was looking forward to the coming of my little one that I am recommending it to other expectant mothers. Before taking it, sometimes I suffered with neuritis so badly that I thought I could not live, but after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely relieved of neuralgia. I had gained in strength and was able to go around and do all my household work. My baby when seven months old weighed 19 pounds and I feel better than I have for a long time. I never had any medicine do me so much good."—Mrs. FRANK MONYHAN, Mitchell, Ind.

Good health during maternity is a most important factor to both mother and child, and many letters have been received by the Lydia E. Pinkham Medicine Co., Lynn, Mass., telling of health restored during this trying period by the use of Lydia E. Pinkham's Vegetable Compound.
