

LEST WE FORGET OUR SOLDIERS.

It takes men to make soldiers and we have them. But the most ruthless enemy a soldier has is the limit of his endurance. There comes a time in the terrific strain of battle when mental and physical exhaustion is no longer endurable. Perhaps he is waiting to go "over the top," or is keeping long hours at the post when fatigue and hunger overtake him. Sleep we cannot assure him, but we can supply him food and necessary comforts. This is the least we can do for our soldiers. When we buy War-Saving Stamps we contribute to their comfort, to their efficiency and probably save their lives. Let us not forget the soldiers who are fighting our battles.

AN INVITATION.—We return thanks to our friend Mr. Wm. A. Carter to be present at the graduating exercises of the United States College of Veterinary Surgeons, on Wednesday, April 17th, Washington, D. C.

WHAT WE ARE AT HOME.—Our life abroad is but a reflex of what is at home. We make ourselves in a great measure at home. This is especially true of women. The woman who is of course, rude and vulgar at home, cannot be expected to be chaste and refined in the world. She cannot shake them off. They are woven into the web of her life.

NOW IS THE TIME TO PAY.—The life of an editor was saved the other day by the presence of a silver dollar in his pocket. A crank shot at him and the bullet struck the dollar. Should we happen to get shot before you pay up your subscription and there is no dollar to stop the ball we shall always presume you might have saved our life.

STOP! LOOK! LISTEN.—A good example is the best teacher. Precepts are useless if contradicted by our daily living. If we are slaves to our evil passions, how can we teach our children self control. If we sometimes speak or act in untruth, we cannot expect them to be truthful. Do not scold; do not use harsh words; for they will surely be reflected in your children.

SHOULD NOT PASS UNNOTICED.—It is a pity that the parents of the boys who were throwing rocks at the school building on Sunday night while Mr. Pou was speaking could not have been present and known that their sons were guilty of such unpatriotic acts. These are serious times and such conduct reflects dishonor on our town as well as on the gully parties and should not pass unnoticed.

THE BOOK CLUB.—Mrs. Lee Johnson entertained the Book Club at their regular meeting held Tuesday, April 2. Miss Clark, the President, gave some interesting facts in regard to patriotic work in North Carolina as a foreword to the exercises of the day and was followed by roll call responses to which were given in quotations from pioneer prose writers this being the topics of the hour. The program consisted of a poem read by Mrs. Johnson, extract read by Mrs. W. L. Knight showing that John Smith was the first author of a book on America and paying tribute to Rev. Jonathan Edwards as one of the greatest men of his time. Mrs. L. C. Draper read a selection "The Stout Gentleman," showing how imagination and curiosity can lead one on to an unreasonable degree of suspense and annoyance. The hostess served a delicious salad course and in spite of a slight April storm and shower the meeting was enjoyed.

THURSDAY AFTERNOON CLUB.—Mrs. Cornwall was hostess to the "Thursday Afternoon Club." The guests were Mrs. Leigh and Mrs. Hall. After the business was dispensed with a very interesting program was given: Story—O. Henry—Mrs. Shepherd. Poem—The Hero—H. Jerome Stockard. Vocal solo—Mrs. Howard. Poem—Nigger Demus—John Charles McNeil—Mrs. Harrell. Poem—Selfishness—John Chas. McNeil—Mrs. F. J. Bounds. Poem—Paul Jones—Mrs. Wood. Mrs. Cornwall, assisted by Mrs. Wall, served a delicious salad course. Mrs. F. J. Bounds, chairman, of the sewing committee then distributed garments to be made for the soldiers. The meeting then adjourned.

THE RED CROSS.—The wheels are beginning to go round in the steady union in the Division headquarters office for the second War Fund campaign. All over the United States in the coming war fund drive, workers for the Red Cross will be telling the story of the achievements of the past year, the wonder record of which all true Americans are justly proud.

Do you realize that every cent of every dollar received for the Red Cross War Fund is spent for war relief?

Do you know that your Red Cross is an all-American, largely volunteer organization, authorized by Congress, headed by President Wilson, audited by the War Department, enthusiastically approved by our army and navy?

A box of raw material 271 yards value \$50 has been sent from Red Cross to Commission for Belgian Relief, New York. We wish to thank all who have contributed.

Notice will be given you for your renewals to the Red Cross magazine and your annual membership dues. Be ready to respond right away so your magazine will not be delayed.

RETURNS THANKS.—Since the children, so many of them from southern camps, have been passing through Weldon on the local trains the ladies of the Red Cross have prepared and given out quite a number of boxes of delicious lunches. In some way the report became current that these were not appreciated and in some cases thrown away. That this was not true the following letter received a few days ago goes to show. As chairman of the canteen committee Mrs. Wilkins wishes to thank all who had a part in this service and feels very sure that this letter expresses the sentiment of many who received and enjoyed the lunches. Camp Jackson, Columbia, S. C., April 2, 1918.

Mrs. Ida Wilkins, Weldon, N. C. Dear Madam: I happened to be the lucky guy that received one of your boxes of eatables. This lunch came in very handy as we were on the road several hours. I wish to thank you personally for this lunch and the Red Cross as a whole. These things will long be remembered by the soldiers. Again thanking, Yours truly, JOHN C. WHITAKER.

MOTHER GAVE THIS DELICATE CHILD VINOL
And He Got Well and Strong. That's True.
Monaca, Pa.—"My little boy, who is the youngest of three, was weak, nervous and tired all the time, so he was most unfit at school, and nothing seemed to help him. I learned of Vinol and gave it to him. It has restored his health and strength and he has gained in weight."
—Mrs. Frederick Sommers, Monaca, Pa.
Vinol is a constitutional cod liver and iron remedy for delicate, weak, ailing children. Formula on every bottle, so you know what you are giving them. Children love it.

THE JUNIUS DANIEL CHAPTER

Entertained by Mrs. Walter E. Daniel.

The Junius Daniel Chapter U. D. C. held their regular meeting on Wednesday, April 3rd, with Mrs. W. E. Daniel, as hostess. The day was beautiful and balmy, the lawns and hedges with their new dress of green, washed by a recent April shower, gave a call from nature to each one of her children to come out in the sunshine and with renewed hope and spirits to take up the work of "doing" and "giving" that right and justice may win and peace and plenty abound in the earth. The ladies met promptly and the meeting was opened by singing a hymn and prayer. After roll call the committee reported quite a nice additional sum collected for a bed in a hospital in France. Selections were read showing the patriotic work of the U. D. C., and a statement made that these beds were already in use and were gratefully appreciated by friends whose loved ones had been nursed back to health by this means. A request was read that each U. D. C. Chapter keep a list of the men who are in the service and in the event of the death of one of these who was a son of a veteran a Confederate battle flag be sent to be placed upon the grave. Mrs. W. E. Daniel was appointed to see that this is done. Attention was called to the "better babies" campaign and mothers were urged to co-operate with the national committee whose purpose is the conservation of childhood and whose aim is a better and stronger type of manhood and womanhood in the future. Mrs. J. W. Sledge read a very interesting selection "With the Americans at the Front" which pictured in a graphic manner the life our boys are leading and the help given by the "Red Triangle" or Y. M. C. A. near the firing line. Mrs. J. B. Zollicoffer was elected delegate and Mrs. J. S. Turner alternate to district meeting which will be held in Littleton April 27. An invitation to all is given and it is hoped that a good crowd will go to this meeting. A committee was appointed to arrange for appropriate exercises on the 10th of May which is annually observed. The chapter adjourned with their motto to meet Wednesday, May 1st, with Mrs. C. W. Gregory. The hostess served a lovely ice cream course which was much enjoyed.

Send for **Swift & Company's 1918 Year Book**
It shows that Swift & Company sells the meat from a steer for *less* money than the live steer cost!
Proceeds from the sale of the hide, fat, and other by-products covered all expense of dressing, refrigeration, freight, selling expense and the profit of \$1.29 per steer as shown by Swift & Company's 1917 figures as follows:

Average price paid for live cattle per steer	\$84.45
Average price received for meat	68.97
Average price received for by-products	24.09
Total received	93.06
This leaves for expenses and profit	8.61
Of which the profit per steer was	1.29

There are many other interesting and instructive facts and figures in the Year Book.

FROM ROSEMARY.
Knowing our country is in a serious condition and sad to know some of our young men from this village, other towns and neighborhoods will have to leave their homes, mothers, friends and companions, with the expectation of never seeing each other again! If any holding any unkind feelings in their heart against their friend and fellowman, may he in all good will in his heart deep as the broad waters that covers the seas, offer your hand in friendship, as the separating point is now at hand.
A year ago this spring, I visited my old home, Ringwood. I have been away nearly 20 years, the older heads that were there then, are dead, and those of my school mates, who some are doctors and lawyers, and in other business, and of whom I feel proud of have made their homes elsewhere, except Mr. C. A. Williams, who has been a merchant of that town 50 years.
