

DOCTOR SAYS VINOL IS THE BEST TONIC

Honest Opinion Doctor Gave His Patient

Bedford, Ohio.—"I was in a pitiful condition, weak, nervous and run down so I could not do my housework. I had doctored for years and tried everything under the sun. A friend told me about Vinol. I asked my doctor about it, and he replied, 'It certainly is the best medicine that can be had today. I couldn't give you any better.' I took it, and today I am as well and strong as any woman could wish to be, and it was Vinol that saved me."—Mrs. Frank A. Horky, Ash St., Bedford, Ohio.

We guarantee this famous cod liver and iron tonic for all such conditions.

DECIDEDLY THE BEST.—The concert given by the children from the Oxford Orphanage on Thursday evening last was decidedly the best they have ever given here and was heartily enjoyed by a good crowd in spite of the bad weather.

Each child acted well and the patriotic pageant at the close was an appropriate and appealing part of the exercises. It is a little remarkable that it nearly always rains when the orphans come to Weldon but they are welcomed and appreciated nevertheless.

ELECTION OF OFFICERS.—At a recent meeting of the Baraca Class of the M. E. Church the semi-annual election of officers resulted as follows:

President—J. Wade Powell.
Vice-President—D. C. Johnson.
Secretary—N. M. Shearin.
Assistant Secretary—Allan W. Anderton.

Treasurer—J. I. Wyche.
Orphanage Treasurer—H. D. Allen.

Librarian—E. G. Garlick.
Press Reporter—E. L. Hayward.
Teacher—H. V. Bounds.
Assistant Teacher—W. T. Shaw.

YOUR CHILDREN.—However worldly and sinful people are they want their children good. How are you going to have them good? Buy them good books? Teach them a few excellent catechisms? Bring them to church? That is all very well, but of little final result unless you do it with the grace of God in your heart. Do you realize that your children are started for eternity? Are they on the right road? Those little forms that are now so bright and beautiful—when they have scattered in the dust, there will be an immortal spirit living on in a mighty theatre of action, and your faithfulness or your neglect now is deciding their destiny.

The order has resulted in an increase of several million dozen to the egg supply of the country.

A GOOD MOTHER.—The mother who brings her children up in truthfulness and sobriety to useful spheres, and who looketh well to the ways of her household when the passing of time has left the frosts of winter in her hair, and the beauty of youth is fled, then is she worthy of all honor. To our mind, no nobler epitaph to a woman's memory could be written than that she has been a good wife and mother.

DON'T FORGET THIS.—A pleasant woman in the home is like a gleam of Heaven's brightest sunshine. Her presence soothes, comforts and cheers the heart of man. Don't forget this, girls, when you get married. The only way to be pleasant is to make the study of art; convert it into science and study it as such. A woman who makes the man she loves believe she knows not the meaning of worry, and who always has for him a pleasant smile and a word of welcome, will find that tender thoughts of her are creeping further into his heart than those of the beauty whom she envies. Girls, you don't know what an effect continued pleasantness has upon a man. We would suggest to you to make a study of the art of being pleasant.

Possibly our friends, the enemy, may be induced to talk peace while some of them snail-ive.

True argument should be a torchlight—not a club.

CHEERFULNESS.—How sweet in infancy, how lovely in youth, how saintly in old age. There are a few noble natures whose very presence carries sunshine with them wherever they go; a sunshine means pity for the poor, sympathy for the suffering, help for the unfortunate, and benignity toward all. How such a face enlivens every other face it meets, and carries into every company vivacity and joy and gladness. But the scowl and frown, begotten in a selfish heart, and manifesting itself daily, almost hourly fretfulness, complaining, fault finding, angry criticisms, spiteful comments, on the motives and actions of others, how they thin the cheek, shrivel the face, sour and sadden the countenance. No joy in the heart, nobility in the soul, no generosity in the nature; the whole character as cold as an Alpine rock, as arid as the waste of Sahara. Reader, which of these countenances are you cultivating?

GALOMEL DYNAMITE. A SLUGGISH LIVER.

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

A COMMON ERROR.

The Same Mistake Is Made by Many Weldon People.

It's a common error To plaster the aching back, To rub with liniments, rheumatic joints,

If the trouble comes from the kidneys.

It's time to use Doan's Kidney Pills.

Here is convincing proof of merit.

Johnston Ailsbrook, Eighth St., Scotland Neck, N. C., says: "I had pains in my back and across my loins. I also had headaches and dizzy spells. The kidney secretions were too frequent and very painful in passage and at times highly colored. I took treatment after treatment, but nothing benefited me, in fact, I became worse all the time and frequently had to stop work. I finally got Doan's Kidney Pills and continued using them until I was cured of all symptoms of kidney trouble. I cannot praise Doan's Kidney Pills enough for what they have done for me."

Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ailsbrook had.

FOSTER-MILBURN CO., Manufacturers, Buffalo, N. Y.

DEATH OF DR. MORTON.—Rev. W. D. Morton, pastor of the First Presbyterian church at Rocky Mount, died at his home in that city on the 9th inst., of acute indigestion. Dr. Morton had many friends in Weldon who will learn of his death with great sorrow, he having preached here on many occasions. A writer in the News & Observer in speaking of his death, says:

"The deceased pastor was a man loved and respected by all. He made hundreds of friends and no enemies. His sterling character and kindness won for him a welcome in every home and as a citizen he was a man that any community would be proud to boast of. He was a tireless worker for the cause of Christianity and his God and during his fifty years in the ministry he brought hundreds to Jesus Christ and did wonderful things to better the spiritual life in every community in which he served. He built one of the largest congregations in the city from the little wooden church, Rocky Mount has suffered a sad and irreparable loss and the Presbyterian Church has lost one of its most active and valuable workers."

The race is not deteriorating. The quarrels over the spring marble games will soon be just as vigorous as ever.

Energy is the motive power of the human machine. Don't waste it in blowing the whistle.

"DON'T SIT DOWN AND QUIT."

W.S.S. WAR SAVINGS STAMPS ISSUED BY THE UNITED STATES GOVERNMENT

DON'T "sit down and quit" selling THRIFT and WAR-SAVING STAMPS while the Liberty Drive is being made. Now is the time for you to get in your most valuable work and make the War-Savings Campaign do what it was intended—reach small investors, those not able to buy Liberty Bonds. This campaign will find many people who want to invest their savings in Government securities but who are not in a position to buy a Liberty Bond. This is the purpose of the War-Saving Stamp—to afford the person of limited means the same opportunity to share the benefits offered by the Government for the loan of money that are open to large investors.

YOUR EXTRA ACRE.

What will your extra acre be? Corn, wheat or cotton, beans, peas or potatoes? Everybody is now agreed that it will be the farmer by his planting extra acres in food products who will make the war shorter than it would otherwise be.

Therefore, his extra acres have a right to be called "VICTORY ACRES."
