

Dr. Frederic Jacobson Says, 75 per cent. of women need Phosphates to give them Strong, Healthy, rounded figure and to avoid Nervous Breakdown Thousands of women grow strong in Nature's way.

"Consider the Lives of the Field, How They Grow"

The life of the lily is but a few weeks or months. The life of man is "three score years and ten." But to live one's life in its fullness women like the lily, must be nourished by those same vital elements which nature provides for nourishing every living thing, and these include the valuable phosphates so often lacking in the usual food we eat. Argo-Phosphate is rich in these wonderful elements. It contains them in concentrated tablet form which is easy to take and quickly assimilated and absorbed into the system, and from youth to old age, builds and rebuilds body and brain in beautiful harmony with Nature's perfect plan. "That's why" Argo-Phosphate makes good solid flesh and muscles.

**SPECIAL NOTICE**—Argo-Phosphate contains the Natural phosphates which thousands of physicians are prescribing daily to build up thin, pale, colorless women to give them rosy cheeks, red lips and a beautiful complexion. Many cases have been reported where women have increased their weight from 15 to 25 pounds with a few weeks treatment, and any woman who desires a well rounded and developed form, should secure from her druggist, this new drug which is inexpensive and is dispensed by the W. M. COHEN DRUG COMPANY with or without a doctor's prescription. Free sample mailed by the Argo Laboratories, Atlanta, Ga.

**WE KNEW IT NOT.**

A peasant worked hard, day by day, With heedless care I pass'd the day, Nor thought worth while to save my life, A price was set—Fate was my foe.

A man with eyes as blue as sky, Went on his way one day, He needed not, but sought for some, A friend of mine—Fate was my foe.

A modest one her way pursued, Working for others, self forgot, A rude and cruel man was there— She was a queen—Fate was my foe.

An earnest one went to his work, By day and night, if I could do, And the ways of least distress, A soul of worth—Fate was my foe.

There came a fair and bright day, To rest or play I was not free, As slow and sad my way I went, The Lord had planned—Fate was my foe.

Thus by our pathway daily runs, The true and noble way of life, With light esteem we pass that day, Too late we know their precious worth.

They moved by higher things and things, Rise step by step, while we are here, But reach to us a kindly hand, Our truest friends—Fate was my foe.

**Too Prosperous**

"I see where a country editor lived the other day." "What's remarkable about that?" "Country editors don't live forever." "Quite true," but the paper's circulation states that this man was a conspicuous figure on the public squares of his town because he always wore a silk hat and a frock coat." "You can't tell me he was a country editor and nothing more. That fellow must have owned stock in the village bank."—Birmingham Age-Herald.

The text of a man is in what he is able to do. Rhinestones sparkle, but they don't cut glass.—Milwaukee News.

**Constipation and Indigestion.**

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Madison, Ill., writes that when she first moved to Madison she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. "She did not rest well at night, and felt worse and a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person."

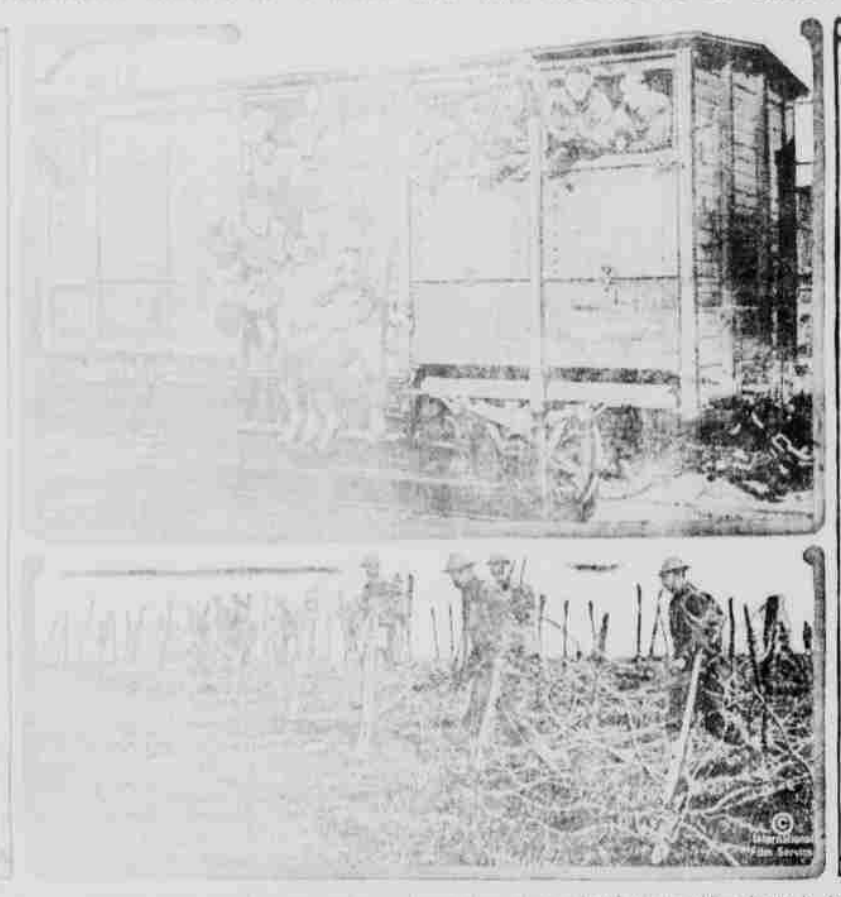

**Rheumatic Pains Relieved.**

"I have used Chamberlain's Liniment (see page 1) in the chest and lameness of the shoulders due to rheumatism, and am pleased to say that it has never failed to give me prompt relief," writes Mrs. S. N. Finch, Halifax, N. Y.

This would be a great and glorious old world in a few years if our children would only achieve what we expect and predict for them.

**"The New-Way" ENGINE**  
GOES AND GOES RIGHT

CONTINENTALLY USED -

On every successfully conducted farm or ranch today will be found one or more gasoline engines. Power is used wherever possible. The desire for economy and efficiency and the realization that running a farm is a real business enterprise has brought this about.

The thousands of "New-Way" engines in use on the American Continent have demonstrated that more real money can be made with the help of the right engine than by an actual cash investment in six months' pay and keep for a hired man.

Hired help is seldom reliable and always grumbling. The "New-Way" engine is always reliable and never grumbles or gets cranky Summer or Winter.

**DO AWAY WITH THE WATER NUISANCE**  
The "New-Way" is waterless. Water in an engine or the lack of it is always a source of trouble, annoyance and possible expense. It freezes in Winter and boils away in Summer.

**W.S.S. WATER SAVING STAMPS GIVEN BY THE UNITED STATES GOVERNMENT.**

**ASK YOUR DEALER ABOUT "NEW-WAY" ENGINES**  
Your dealer will be glad to show you these engines and explain their many points of superiority. He will tell you how the "New-Way" differs from the common type of mail order engine. He will show you that regardless of price it is a better buy for you. You won't be asked to pay your money for an engine which you know only from a picture and that costs more money for freight and express.

**BUY BEFORE PRICES GO UP**  
Scarcely of material is making a shortage of engines of all kinds. This is sure to result in higher prices and that soon. Buy now.

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard
