

# VINOL REMOVES THE CAUSE OF CHRONIC COUGHS

**A Constitutional Remedy That We Guarantee**

Lagrange, N. C.—"For years I suffered with a chronic cough, so I could not sleep nights and continued to lose flesh. My druggist asked me to try Vinol. It cured my cough. I can sleep nights and have gained twelve pounds. Vinol is the best tonic and tissue builder I have ever taken.—W. D. Ren, Lagrange, N. C. We guarantee Vinol for chronic coughs, colds and bronchitis. Not a potent medicine. Formula on every bottle. Your money back if it fails."

Begin this spring looking on the sunny side. Be a "booster" for Weldon.

**COUNTY CHAPTER OF THE RED CROSS ORGANIZED**—On Friday, April 19th, at Bachelor's Opera House, in Weldon, the Halifax County Chapter of the American Red Cross was organized. Messrs. Andrews and Lane, of the Bureau of Development, of Atlanta, Ga., were present to assist and explain the purpose for having a county chapter, with the organization in the different towns of the county as independent branches. After some discussion it was decided that the work could be carried out in a more efficient manner in this way, and much trouble eliminated at the headquarters.

Representatives were present from Enfield, Scotland Neck, Halifax, Roanoke Rapids, Litleton and Weldon.

The following officers were elected: Chairman, Mr. W. E. Daniel; Vice-Chairman, Mrs. R. C. Dunn, Enfield; Treasurer, Mr. C. A. Wyche, Roanoke Rapids; Secretary, Mrs. E. L. Hayward, Weldon.

There will be a special call meeting of the Red Cross at Bachelor's Opera House Wednesday, April 24th, at 4:30 to elect directors and other important business.

The work room has been repaired and looks very much improved. Our branch of the Red Cross hopes to accomplish more this year than ever before, and with such a band of faithful and unselfish members, and with the loyal co-operation given, it can be done. Mrs. W. L. Knight, Chair.  
Mrs. E. L. HAYWARD, Sec.

**THE sale of war-savings stamps** has been exceeding two million dollars a day—a sum that would have paid the entire cost of running the government a few years ago. And the money that the government thus gets for war purposes is largely money that would otherwise be spent needlessly perhaps injuriously.

**MRS. MOLLIE HALE**  
Passed Away Quietly at her Home in Halifax.

In the death of Mrs. Mollie Hale the community has been called on to give up one of its most estimable and sweet Christian characters. She passed away quietly at her recently-occupied home, the Congregational, on April 16th, after a very prolonged and painful illness of three to four years duration with many loved ones around her powerless to stay the hand of death. During this time much had been done and many prominent physicians consulted without alleviating her suffering except partially.

She has several times undergone treatment at various hospitals, but could only get temporary relief and that to a small degree.

Mrs. Hale was the most patient sufferer this writer has ever seen, no complaints, no murmuring or repining, simply resigned to it all believing most intensely that the Saviour whom she implicitly trusted would give her grace to bear the pain and finally permit her to enter the home prepared for the Christian. She had no doubts, no fears, her faith seeming as simple as a little child's. She had lived all her life consistently, loved, her church, her pastor and her friends most deeply and delighted to point out their good traits of character. It was beautiful to see the attachment for her husband, ever-helping, encouraging, and stimulating him toward the best. She was kind toward all the dumb creatures and everything and everyone she received the other consideration at her hands. She was not in the habit of doing anything but kindness, and saw the best side of everything.

The writer has been encouraged many times by her best wishes and unfailing friendship which ran over a period of years, and delights to say that we most sincerely think that all is well with her now, and that she is enjoying the home that she so longed to behold, which was ever in her mind amid the intense pain and suffering that was hers for her statement just a few days prior to her death was that although she wanted to be unconscious when death came, she expected to see her Saviour face to face.

She was married to Mr. B. H. Hale in 1882 at Weldon by Rev. J. M. Rhoads, and they were ever devoted to each other. Mr. Hale survives.

She was the daughter of Mr. W. H. Arrington who did a mercantile business here soon after the war.

The remains were placed away in the Methodist Cemetery April 17th, by the Rev. E. D. Dodd conducting the last sad rites.

W. F. COPPEDGE.

**TESTED AND PROVEN.**  
There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Weldon readers have seen the constant expression of praise for Doan's Kidney Pills and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

Mrs. M. L. Hux, Third street, Weldon, says: "The grip left my kidneys weak and I had pains in my back and across my loins. Mornings, I was so sore and stiff and tired so easily I couldn't do my housework. I had headaches and dizzy spells and my sight was blurred. My ankles were swollen and my limbs ached so badly I could hardly turn over in bed. There were other distressing symptoms of kidney trouble, too. I got a box of Doan's Kidney Pills at W. M. Cohen Drug Company's Store, and they soon relieved me. Continued use cured me of all symptoms of kidney complaint." Price 60c. at all dealers.

Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hux had.

Mr. W. T. Shaw, Weldon, N. C.

Dear Sir:—This leaves the greater part of your quota in splendid shape. We got in about 6:30 Thursday. A number of the boys including myself were taken with the climate cold and now we are just getting like ourselves again.

The boys acted like real soldiers on the trip no one gave any trouble at all.

We are busy this A. M. getting our insurance made out.

Please tell all the boys that you are to send out that this is the only life after all. We all like it. We are all O. K.

With best wishes to each member of the board, I beg to remain, Respectfully yours,

**JOSEPH COOPER DOWTIN.**

On last Tuesday morning, April 16th, the subject of this sketch breathed his last and passed from time into eternity. Mr. Downtin was formerly from Litleton, N. C. On the 20th of September, 1916, he was married to Mrs. Claudia Parin, of this place, and moved to Weldon to live. Mr. Downtin was neat in appearance, gentlemanly in manner, and he was thoughtful of and kind to the woman he married and her two children. He worked when able to do so. For some time he was afflicted with a disease for which there seems to be no cure.

He was violently ill for about one week. He grew weaker and weaker till death claimed him as its victim. On Wednesday, April 17th, at four o'clock P. M., the funeral was conducted at the home by the writer assisted by Rev. J. G. Black, pastor of the Baptist church, and the body was placed in the cemetery at Weldon. A large crowd attended the funeral.

There were several present who do not live in Weldon, among them were: Mrs. F. O. Egerton, Norfolk; Mr. and Mrs. C. B. Downtin, Litleton; Miss May Downtin, Norfolk, Va.; James House, Litleton; Mr. and Mrs. J. C. Dickens, Richmond, Va.; and Lonnie Dickens and wife, Halifax.

It was my privilege to talk with Mr. Downtin more than once about his spiritual condition. He was willing to be approached. He gave evidence of faith in God, and that he was trusting in Jesus Christ for salvation. He spoke of joining the church but put it off like many others do, we have reason to believe that his soul is at rest.

May heaven's blessings rest upon the widow and her two children.  
F. M. SHAMBURGER.

**TRY IT! SUBSTITUTE FOR NASTY CALOMEL**

Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels, no dizziness or grippe or any inconvenient ailment all the next day.

**W.S.S. WAR SAVINGS STAMPS**  
ISSUED BY THE UNITED STATES GOVERNMENT

Don't "sit down and quit" selling THRIFT and WAR-SAVING STAMPS while the Liberty Drive is being made. Now is the time for you to get in your most valuable work and make the War-Savings Campaign do what it was intended—reach small investors, those not able to buy Liberty Bonds. This campaign will find many people who want to invest their savings in Government securities but who are not in a position to buy a Liberty Bond. This is the purpose of the War-Saving Stamp—to afford the person of limited means the same opportunity to share the benefits offered by the Government for the loan of money that are open to large investors.
