

VINOL MAKES CHILDREN STRONG

And Invigorates Old People

Any doctor will tell you that the ingredients of Vinol as printed below contain the elements needed to improve the health of delicate children and restore strength to old people.

It Contains: Liver and Beef Peptides, Iron and Magnesium Peptides, Iron and Ammonium Citrate, Lime and Soda, Glycophosphates, Casein.

Those who have puny, ailing or run-down children or aged parents may prove this at our expense.

Besides the good it does children and the aged there is nothing like Vinol to restore strength and vitality to weak, nervous women and overworked, run-down men.

Try it. If you are not entirely satisfied we will return your money without question, that proves our fairness and your protection. Millions of people have been convinced this way.

The exercises Saturday afternoon illustrates the importance of the park being well kept and it would be a fine thing for the city fathers to see that this is done. Especially so as the A. C. L. Mr. Frank Y. Cluverius who was engaged in business in Weldon about thirty years ago, was in the city, shaking hands with his friends a few days ago. RIDDICK-MARRY.—Miss Mary Mabry, of Weldon, and Mr. Alton Riddick, of Florence, S. C., were married Friday, May 10, at the Methodist parsonage in Plymouth.

A POOR CATCH.—Every indication pointed to a large catch of rock fish this season, but up to the present time, the fishermen have not caught as many as they did last year. A goodly number of large rock have been caught some weighing as high as sixty pounds.

MOTHER'S DAY.—Mother's Day was beautifully observed at the M. E. Church on Sunday last. The altar was elaborately decorated with white peonies, roses and baskets of fragrant old-fashioned spice plants one of which was given at the door to each mother entering the church. The pastor remembering the President's request prayed fervently for the mothers who had given their sons at their country's call and there were many responsive hearts in the audience.

NEW AGENT FOR THE SOUTHERN EXPRESS.—Mr. W. E. Andrews, who succeeded Mr. H. M. Poe as Express Agent at this place has been transferred to Goldsboro, and is succeeded by Mr. H. G. Parsons. Mr. Parsons has had several years experience in the express service, having run as messenger on the Coast Line and the Weldon and Kinston. He is a first-class business man, polite and affable to every one, and will make one of the very best agents Weldon has ever had. We extend a welcome hand to our young friend.

HARDIN-GOODIE WEDDING.—From the Clinton News Letter in the News and Observer we find that Miss Ruby Goodie, of Clinton, became the bride on Tuesday morning last of Lieut. E. R. Hardin, of the Medical Reserve Corps, now stationed at Camp Lee, Va. Miss Goodie is a sister of Mrs. J. A. Johnston, of Weldon, and at one time made her home here. Hardin and wish for them many long years of happiness.

D. A. R. ENTERTAINED.—The Elizabeth Montfort Ashe Chapter, D. A. R. of Halifax, was delightfully entertained Thursday afternoon at the home of Mrs. W. E. Daniel. There was right much business of importance transacted and excellent reports made by the various officers for the past year. As this was the annual meeting, the following officers were elected for the ensuing year: Regent, Miss Ursula M. Daniel; vice-regent, Mrs. Annie B. Harrell; second vice-regent, Mrs. Mabel Z. Travis; treasurer, Mrs. Susie Nelson Ferguson; recording secretary, Mrs. Florence Dickens Wilcox; corresponding secretary, Mrs. Mary Rhem Gregory; registrar, Mrs. Mary H. ELECTED PRESIDENT.—At the regular election of officers of Students' Union of Brenau College, Conservatory of Gainesville, Ga., for the year 1918-19, Miss Londa Shamburger was elected President. This is the greatest honor that can be bestowed upon a student at Brenau, and Miss Shamburger is to be congratulated upon the esteem with which she is regarded by her fellow students and the confidence which they have manifested in her ability.

GRADED SCHOOL ENTERTAINMENT.—Next Friday evening, beginning at 8:30, the elementary grades of the city schools will give an entertainment at the school auditorium for the benefit of the Junior Red Cross. The entertainment will consist of a patriotic play, songs and drill, and will have the war spirit highly developed. A small admission fee will be charged which will be used to supplement the Junior Red Cross fund. It is expected that every pupil in the school will be a member of the local chapter of the Red Cross. The public is urged to be present at and enjoy the entertainment.

TELL THEM TO COME ON.—Tell all the boys that are to come on the 25th, to cheer up. Army life is not half so hard as people think it is. After once you get in it there is nothing hard about it. For we are going "over" and what we don't do for them will be a plenty.

When the land of Germany is painted red, white and blue, and the Stars and Stripes float from all the Castles on the Rhine, then I will come back to you.

When Wilson's picture hangs in the capitol of Berlin and "Kaiser Bill" hands Persting his sword and says, "I'm through, then I will come back to you.

That is what we are going for and by God's help we are going to succeed. So tell all of them to come on.

We are permitted to print the above, taken from a letter to the mother of one of our boys who was sent to Camp Jackson about two weeks ago.

THE RED CROSS.—One hundred million dollars for the work of the Red Cross.

The week, May 20-27, has been set aside by President Wilson.

Weldon must play her part and we feel sure we will raise a good sum for relief.

A very interesting and educational feature of the week will be a patriotic pageant view in the form of a parade Monday afternoon, May 20th. All who expect to take part will assemble in front of Barnes & Travis' garage at 4:30.

We invite all the people of the town to see this parade, as it will be most interesting and helpful. All the ladies who are members of the Red Cross will please get a square piece of white cheese cloth 24 inches or 36 inches, all wear white. The insignia will be given you when we assemble.

All work will be brought in on Thursday afternoon from 5:30 to 6:30 o'clock. Please return work as it is most important that we get a box off this week.

THURSDAY AFTERNOON CLUB.—Mrs. C. W. Howard was hostess to the Thursday Afternoon Club, on May 9th. Her home was a picture of loveliness in its artistic decorations of pink and white roses.

The meeting was called to order by the president and the business matters brought before the club.

On May 22nd a very interesting play entitled "Claim Allowed" will be given at Batchelor's Opera House for the benefit of the Red Cross.

Twenty-eight Red Cross shirts were brought in and ready to be turned over to our Red Cross here.

The club felt very much honored to receive a letter from R. T. Bonner, a noted historian of Aurora, N. C., in which he asked for copies of our program, on Halifax County, which was presented at the last meeting. The program was arranged by our president, Mrs. L. W. Murphy.

After business matters were disposed with the following program was rendered: Life of Tenyson, Mrs. C. S. Vinson; Reading, Mrs. H. V. Bounds; Vocal Solo, Mrs. F. A. Calo; Reading, Mrs. N. J. Shepherd; Reading, Mrs. Craig Cornwall; Vocal Solo, Mrs. C. W. Howard.

After the program the hostess assisted by Mrs. H. V. Bounds served tea and sandwiches.

ADVERTISED LETTERS.—The following is a list of letters remaining "uncalled for" in the Weldon postoffice:

Henry Brickle, Mrs. L. G. Lee, Mrs. Berner Moseley.

Persons calling for above letters will please say "advertised," giving date of advertising.

A MAN'S BEST FRIEND.—As we went to our office yesterday we saw one of our citizens beating his dog. The dog desired to follow his master, and he followed in spite of the kicks he received, simply because he loved him. As a matter of fact a dog will die for a master who starves and beats him, while man—divine man himself—has been known to sneak away from a friend in trouble, disavowing any obligations. It was a philosopher none too cynical who said that the more he saw of men the more he thought of dogs. The dog is always genuine, always frank, and honest and faithful. He shows more honesty in one wag of his tail than some men do in a whole lifetime. Speechless, he can express more love than a man can, and he never expresses it falsely. His humble professions are true, whatever befall, all death itself.

Judge C. A. Wood from Atlanta, Ga., will deliver an address at the Court House in Halifax on Monday evening, May 20, at 8:30 o'clock in behalf of the Red Cross. All urged to come and hear his address, in this most worthy cause.

HEARD IN WELDON.

How Bad Backs Have Been Made Strong—Kidney Pills Corrected.

All over Weldon you hear it. Doan's Kidney Pills are keeping up the good work. Weldon people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townpeople. They tell it for the benefit of you who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful, scanty and of color, use Doan's Kidney Pills the remedy that has helped so many of your friends and neighbors. Follow this Weldon citizen's advice and give Doan's a chance to do the same for you.

E. D. Purnell, printer, Washington avenue, says: "I had a dull pain across my back and at times I was so sore and lame I couldn't stoop or bend. The trouble was caused by a strain, which left my kidneys weak. The least cold settled on my kidneys and made me worse. Doan's Kidney Pills soon relieved me, putting my back and kidneys in good condition."

Price 60c. at all dealers.

Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Purnell had.

A BEAUTIFUL SERVICE.—A very pleasing incident at the service on Sunday morning at the M. E. church, in Weldon, was the presentation of a beautiful Service Flag, bearing fifteen stars, which was given to the church by the pastor and his esteemed wife, Rev. and Mrs. F. M. Shamburger. The flag was given in honor of the fifteen young men who had volunteered or been called to the colors who are members of this church or their families are identified with the church. Three of these young men are already in France and two others are in an Atlantic port awaiting orders. One is an officer in the aviation corps at San Diego, California, also under orders for overseas work. Just before the sermon the choir sang sweetly, "God hold, keep and save our men," when Dr. B. Zollicoffer in a few well chosen words expressed the appreciation of the parents and friends of these young men and the church of this loving gift of the pastor and his wife. Nothing could have been more appropriate at this Mother's Day services that was emphasized all through out and brought to a close by an invitation to the mothers and children to gather around the altar for the closing prayer which was a most beautiful and impressive scene.

CALOMEL BY THE MOUTH A SLUGGISH LIVER

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

Killed by Poisons

All scientists agree that poisonous products in the blood are eliminated by the kidneys and liver. The kidneys act as a kind of filter for these poisons. When the kidneys are changed or degenerated, by disease or old age, then these poisons are retained in the body. If we wish to prevent old age coming on too soon, or if we want to increase our chances for a long life, Dr. Pierce of the Invalids' Hotel, Buffalo, N. Y., says that you should drink plenty of water daily between meals to flush the kidneys. Then procure at your nearest drug store Anurie, This Anurie drives the uric acid out. Scientific men have learned that in gout, also rheumatism, poisonous uric acid crystals are deposited in or about the joints, in the muscles—where inflammation is set up.

If we wish to keep our kidneys in the best condition a diet of milk and vegetables will only little more than a day, in the most suitable. Drink plenty of pure water, take Anurie three times a day for a month. Anurie is many times more potent than lithia and diuretic uric acid as hot water does engage.

Send 10 cents to Dr. Pierce, if you wish to obtain a trial package of Anurie.

CLIFTON, TENN.—I wish to say that I suffered from backache and kidney trouble for some time. I could hardly do any kind of work. I heard of Dr. Pierce's Anurie Tablets so I tried them, and they cured my backache. I hope people who are troubled with backache will give Dr. Pierce's Anurie Tablets a good trial. They do all that is required of them—they will not fail to benefit.—Miss EMILIE REYNOLDS, R. F. D. 2.

MILROSE, N. C.—I suffered very much with my back and limbs. Had some dragging of the kidneys but after using Anurie I obtained relief and have had no trouble since. I cheerfully recommend the Anurie Tablets to all who suffer from too much uric acid in the system.—CAPT. W. G. GRAYES.

W.S.S. WAR SAVINGS STAMPS ISSUED BY THE UNITED STATES GOVERNMENT

Don't "sit down and quit" selling THRIFT and WAR-SAVING STAMPS while the Liberty Drive is being made. Now is the time for you to get in your most valuable work and make the War-Savings Campaign do what it was intended—reach small investors, those not able to buy Liberty Bonds. This campaign will find many people who want to invest their savings in Government securities but who are not in a position to buy a Liberty Bond. This is the purpose of the War-Saving Stamp—to afford the person of limited means the same opportunity to share the benefits offered by the Government for the loan of money that are open to large investors.

YOUR EXTRA ACRE.

What will your extra acre be? Corn, wheat or cotton, beans, peas or potatoes? Everybody is now agreed that it will be the farmer by his planting extra acres in food products who will make the war shorter than it would otherwise be.

Therefore, his extra acres have a right to be called "VICTORY ACRES."
