

AFTER SICKNESS THEY GAVE HER VINOL

And She Soon Got Back
Her Strength

New Castle, Ind.—"The measles left me run down, no appetite, could not rest at night, and I took a severe cold which settled on my lungs, so I was unable to keep about my household. My doctor advised me to take Vinol, and six bottles restored my health so I do all my housework, including washing. Vinol is the best medicine I ever used."—Alice Record, 437 So. 11th St., New Castle, Ind.

We guarantee this wonderful cod liver and iron tonic, Vinol, for all weak, run-down, nervous conditions.

RUB-MY-TISM—Antiseptic, relieves Rheumatism, Sprains, Neuralgia, etc.

When opportunity is spurred on by labor the result is sometimes called luck.

Some men prefer long office hours because it shortens their hours at home.

News has been received that Lieut. Elliott B. Clark has arrived safely in France.

All the world asks of a man is to do his best. If that doesn't suit him he can get out.

Every dollar given to the Red Cross is a gift to the wounded soldier—one perhaps lying in the trenches facing death.

We have received an invitation to attend the commencement exercises of Littleton College, which takes place May 26-28.

Nearly every woman labors under the delusion that no man can tell her a lie and look her straight in the eye at the same time.

We are in receipt of an invitation from our young friend, Mr. Joseph Rogers Blalock to attend the commencement exercises at Wake Forest College.

The truest and most respected of all neighbors is the one who speaks well of everybody, who devotes the largest share of her sympathy to her own affairs.

Worry pulls down the organism, and will finally rear it to pieces; nothing is to be gained by it, but everything is to be lost. Look out for the bright, the brightest side of things, and keep the face constantly turned to it.

After all that has been said about rare treasures of art and nature that may lend attraction to a home and its surroundings, it remains that the fairest home ornaments are bright, joyous faces, and where these are wanting, all else goes for naught.

Handsomeness invitations have been received here by friends to attend the graduating exercises of the Baltimore College of Dental Surgery, May 28th. Our young townsman and friend, William Mercer Ward is among those who will graduate this year. Here is our best wishes.

GOOD FOR OLD HALIFAX

We learn that the town of Halifax over subscribed her quota for the Red Cross by 100 per cent. Old Halifax is never behind her sister towns in every good work.

TO BECOME ENSIGN

John M. Thompson, son of Rev. L. E. Thompson, pastor of the M. E. Church at Henderson, has just passed in an examination for commission as an ensign in the Navy.

AT THE PRESBYTERIAN CHURCH

Rev. Stanley White will fill his regular appointment at the Presbyterian Church here Sunday, May 26th, at 3:30 p. m. The public cordially invited to attend the service.

DO IT FOR GOOD

Always try to do something to make the other fellow smile. Tell him to chase away the frown. Don't go to him and tell him things that worry, but always point to the dark cloud and insist that on the other side is silver. The man who spreads sunshine is the man who is nearest God.

DO NOT DRIFT WITH THE TIDE

We believe many lives are wrecked, not as much by the storms of life, as by drifting with the tide and striking these rocks and coming in contact with the hidden sins and dangers along the shore. Push out in the deep water, head your bark up stream, none but lazy, indolent people drift with the tide.

HOME, SWEET HOME

It is said that one night, when some soldiers were shivering in the cold of winter a band struck up the familiar tune, "Home, Sweet Home!" then they all burst out sobbing, because the air went straight to their hearts. Yes! "There is no place like home." One of the sweetest words in the English language is that little word, "Home."

NEW REGISTRATION

All men arriving at the age of 21 years on or before Wednesday, June 5th, 1918, are required to appear at the office of the Local Board at Weldon, N. C., on that date and register. The penalty for failing to register is severe and it is hoped that the widest publicity may be given this notice so that no one may suffer on account of lack of information.

TIE YOURSELF TO SOMEBODY

Every school boy knows that a kite will not fly unless it has a string tying it down. It is just so in life. The man who is tied down by half a dozen blooming responsibilities and their mother, will make a higher and stronger fight than a bachelor, who having nothing to keep him steady is always floundering in the mud. If you want to ascend in the world tie yourself to somebody.

RED CROSS ENTERTAINMENT

Friday evening, May 17th, the elementary grades of the city schools gave a most delightful entertainment in the school auditorium for the benefit of the Junior Red Cross. A very appreciative audience assembled at the appointed time and seemed thoroughly to enjoy the programme.

"Uncle Sam's Children"

The first part of the entertainment, was a patriotic operetta, illustrating the different activities the children are engaged in to assist in winning the war. About forty children took part and did it well. William Pierce, of the fourth grade, made a good Uncle Sam, and he was delighted to find all of his little people busy in doing their parts in the great world conflict. The audience gave liberal applause to this part of the entertainment.

Next came a National flag drill

by eleven children from the sixth grade. Their perfect movements in march and manual of arms and perfect harmony in the melody of patriotic songs brought round after round of applause.

The door receipts amounted to

about forty dollars, which will be used to supplement the fund already raised to make every pupil of the city schools a member of the Junior Red Cross.

MARRIED.—The following announcement has been received by friends in this town and community: Mr. and Mrs. Dayton Vample Hamilton announce the marriage of their daughter, Victoria, to Mr. John O. Drake on Wednesday, May the fifteenth, nineteen hundred and eighteen, Dillon, South Carolina.

WELDON 33 YEARS AGO.

From The Roanoke News, May 21, 1885.

Miss Sallie Miles, of Littleton, left last week for Brooklyn, N. Y., for treatment at St. John's Hospital.

Rev. W. B. North occupied the pulpit of the M. E. Church last Sunday morning and Rev. J. C. Garlick on night.

We learn that a sewing class has been organized at Central Institute with Mollie Garlick as teacher. This is a most sensible idea.

Mr. John J. Garrett's stables, one mule, wagons, harness and farming utensils were burned at Ringwood last night. The loss is probably \$500, partly insured.

Two Deaths At Once

Mr. Lewis J. Lewis and his wife Margaret Lewis, who lived near Enfield, were born in 1809 and were married about 1834. Recently they were both taken sick with pneumonia about the same time and both died on the night of the 16th, in an hour or two of each other. They were laid out together and now buried in the same grave and in the same coffin. They spent a long and happy life together and in death they are not divided.

Love should never be treated lightly.

That is probably the reason why the light is turned down so often.

Texas is more Catarrh in this section

of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Medicine manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It gets directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure.

THE RECENT PARADE.—A very fine idea well conceived and elaborately carried in the floats in the recent parade, was "America feeding the world," in which upon a blue sea was a large boat laden with sugar, flour and other things we must save and send "across," with America surrounded with corn, vegetables and other perishable food pushing the boat under the Stars and Stripes from her moorings for the trip to an immense "world" surmounted by the flags of the allied nations.

Another equally as striking was

"The dawn of peace" with ladies representing the nations of the world grouped around Columbia with America in the prow of the boat holding in outstretched hand a pure white dove, while the rainbow of peace and hope glistened in the distance. These figures were all well taken and presented a beautiful picture with the flags of the nations all blending harmoniously with the Star Spangled Banner which forever in triumph shall wave.

Uncle Sam was much in evidence.

Mr. John Zollcoffer, Mr. Stanford Travis and Master William Pierce, each representing the noble character of a dot, while Mr. L. C. Draper, Rev. N. C. Duncan, Mrs. Frank A. Cole, Miss Rosa Rodwell and Curtis Turner were the fortunate Doctor, Nurses and Patients on the prize winning float.

For six months after marriage

one kind of man addresses his wife as "Darling"; after that he says, "Say, You!"

At War With Yourself!

HELP NATURE TO DEFEAT THE DISEASE IN YOUR BODY.

Keep up the fight; do not give up. Nature is trying to serve you in conquering the wrong that may exist.

Red blood, vim, courage, vitality, all seem lacking. No wonder you are nervous and discouraged.

Why not call to your aid a strong, dependable ally? Dr. Pierce's Golden Medical Discovery has for nearly fifty years proven its merits as a most powerful tonic and blood builder to the many thousands who have been returned to good health by its use.

Clear the coated tongue, get rid of unsightly skin troubles, let this remarkable remedy rid your body of the impurities of the blood, let it tone and strengthen you. It often cures the lingering chronic cough.

Dr. Pierce's Golden Medical Discovery is absolutely herbal, free from alcohol or dangerous habit-forming drugs. All druggists. Liquid or tablets.

WOODFORD, TENN.—This is to certify

that I have used Dr. Pierce's Golden Medical Discovery for my two little boys. One had night sweats, poor appetite, sallow complexion, and had quit growing, but after giving him part of a bottle of the "Discovery" he commenced to gain and grow. He doesn't have the night sweats and looks much better. My other little boy has a cold and the medicine cured him after the doctor's medicine had failed. I do not hesitate to recommend the "Discovery" at all times."—Mrs. Rosa Lee Hooper, Route 1.
