HENRY FORD is said to be in the race for the United States Senate, equipped no doubt, with a self-starter.

It always has been rather difficult to "see" a railroad president, but it will be more difficult from now on.

If President Wilson is a "very tired man," we'd like to hear him make a speech sometime when he is rested up.

SEAGULLS materially help in indicating the presence of U-boats. Kaiser will probably declare war against the gulls.

CATARRH CAN NOT BE CURED with local applications, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions.

WELDON 33 YEARS AGO.

From The Roanoke News, June 11, 1885.

The Rev. Mr. Garlick filled the pulpit of the Methodist Church Sunday morning and Presiding Elder Nelson at night.

Rev. A. S. Smith, D. D., was made president of the Episcopal Convention which was held at Asheville last week.

Mr. R. S. Hall, who for the past year has been living at Halifax, again took up his residence here on Saturday.

Mr. F. M. Fitts, of Warren county, received his commission yesterday as mail agent between Richmond and Wilmington. Mr. Fitts made his first trip Saturday.

RE-APPOINTED.—Mr. W. H. Capell received on Monday from Col. I. J. Young, collector of the 4th Internal Revenue District, his commission as Deputy Collector for the 12th Division, embracing the counties of Halifax, Northampton and Hertford.

PHENIC.—The young ladies had made preparations to give a picnic on Friday evening last, but the storm came up just in time to prevent it, and there was a social gathering at Daniel's Hall at night instead. It was greatly enjoyed by all who attended.

APPOINTED POSTMASTER.—We learn that Mr. J. C. Pittman has been appointed postmaster at Scotland Neck in place of Mr. John T. Brinkley. Mr. Pittman was postmaster there formerly but was removed by the Republican Administration because he was a Democrat.

MARRIED.—At Jackson, on Sunday, May 3rd, by John B. MacRae, Esq., Mauida Grim to H. W. Weiss, of Greensville county, Va. At Jackson, on Tuesday, June 9th, by John B. MacRae, Esq., Minnie B. Slaughter to Charles H. Marshall, of Petersburg, Va.

PERSONAL.—Prof. E. E. Hilliard, of Scotland Neck, was in town Tuesday. He says the commencement exercises of Vine Hill Academy, of which he is the principal, were most successful, and that the address of Rev. Dr. Vass, was most highly complimented by all who heard it.

It doesn't take the average woman half as long to tell what she doesn't want as what she does want.

PLAIN QUESTIONS TO WELDON PEOPLE.

Every Weldon Reader Will Admit The Soundness of the Logic.

Would Weldon people recommend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy deserving of it? Statements like the following must carry conviction to the mind of every reader:

George W. Tye, Cedar Street, Weldon, says: "My kidneys were not acting as they should and the kidney secretions were unnatural. I also had pains in the small part of my back and through my kidneys. Doan's Kidney Pills relieved me of all aches and pains, regulated my kidneys and did me good generally."

A Lasting Benefit. Over three years later Mr. Tye said: "The benefit Doan's Kidney Pills gave me has been lasting and I have had no occasion to use them for the past two years."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Tye had.

WHAT CATARRH IS

Science has shown that nasal catarrh often indicates a general weakness of the body and local treatments in the form of snuffs and vapors only irritate and do little if any good.

To correct catarrh you should treat the cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building tonic, free from any harmful drugs. It is helping thousands. Try it.

There are thousands of men wearing W. L. D. Shoes. And there must be a reason.
