

While We Pray--Let Us Pay

It will do no good to pray for victory unless we have faith. And faith in this case is War Savings Stamps.

Mothers' boys are dying for you. Time will not heal their wounds. When the war ends, it will end—for you. It will never, never end—for mother.

NORTH CAROLINA WAR-SAVINGS WEEK JUNE 23 TO 28

President Wilson and Governor Bickett have Proclaimed it.

During that week you will be called upon by Government canvassers. You must pledge to buy during the remainder of the year, all the War Savings Stamps that you possibly can.

THE ROANOKE NEWS

THURSDAY, JUNE 27, 1918.

NOTICE

There will be a regular convocation of Roanoke Chapter 81 R. A. M. in Masonic Hall, every first and third Wednesday evenings.

E. CLARK, JR., Sec'y.

LOCAL INTELLIGENCE.

June is almost gone.
July is knocking at the door.
The cold weather has given cotton a black eye.
Buy your coal and wood this summer, if you can.
Last Saturday night was surely a cold night in June.
Bring in your cotton blooms. Who will be the first?
Mrs. P. N. Stainback spent several days in Norfolk last week.
Messrs. A. L. and A. B. Stainback spent Sunday in South Hill, Va.
The government report shows the cotton crop to be very promising.
Miss Inez Watkins, of Goldsboro, is visiting Miss Frances Johnson.
Miss Annie Medlin, of Rosemary, spent last Friday night in Weldon.
Mr. J. W. Cornett, of Rosemary, was in town for a few hours Friday.
You can't convince a girl that she is not in love until after she gets him.
Mrs. C. J. Owen and daughter, Miss Bessie, spent last Friday in Richmond.
The farmers have had fine weather for harvesting the wheat and oat crop.
Master Isaac E. Green is visiting friends in Richmond and Powhatan Cottage, Va.
Mr. and Mrs. Frank Hawks, of Newport News, are visiting relatives in town.
Mr. and Mrs. Sam Chadwick, of Washington, D. C., are visiting relatives in town.
Miss Virginia House, who has been visiting relatives in Thelma, has returned home.
The fool takes things as they come, but the wise guy lets a good many of them pass on.
Mr. and Mrs. D. W. Seifert left Sunday for Greensboro to visit their brother, Mr. C. O. Seifert.
Mr. W. E. Daniel spent last Monday and Tuesday in Richmond and Petersburg on legal business.
Mrs. E. L. Williams and little daughter, who have been visiting relatives in Tarboro, have returned home.
Mrs. L. C. Draper and little daughter, who have been visiting relatives in Greensboro, have returned home.

KEEP THE BOYS ON THE FARM.

One good way to keep the boys on the farm is to keep the girls there also. We tire of reading about "How to keep the boys on the farm." Treat the boys right and they will not leave the farm. Some boys will be benefited by leaving the farm; others will be better off staying. It depends on the boy and the advantages he has.

SWAT THE FLY.

If you started swatting the fly early in the spring, this is no time to relax your part in that war for the babies, now is a good time to enlist. The fly is one of the greatest enemies to mankind in the temperate zone. He is an enemy which breeds in filth, and carries filth wherever he goes. The way to defeat him is to cover and disinfect all garbage and stable litter, screen all food, and then stand ready with a flapper.

ADVERTISED LETTERS.

The following is a list of letters remaining "uncalled for" in the Weldon postoffice:
Eddie Eppes,
Mrs. J. M. Medlin,
Willie Smith,
Robert Tysinger.
Persons calling for above letters will please say "advertised," giving date of advertising.

A. & E. COLLEGE.

The advertisement of the North Carolina State College of Agriculture and Engineering appears in this issue. Technical education has proved its worth not merely to those who possess it, but to communities and to the public good. It is that form of education which while training the mind to think teaches the hand to do. The college offers four year courses in Agriculture, Agricultural Chemistry, Chemical Engineering, Civil Engineering, Mechanical Engineering, Electrical Engineering and Textile Industry.

SOME THINGS HE CANNOT DO.

Man has done wonders since he came before the public. He has navigated the ocean, he has penetrated the mysteries of the starry heavens, he has harnessed the lightning and made it pull street cars and light the great cities of the world. But he can't find a spool of red thread in his wife's work basket; he can't discover her pocket in a dress hanging in a closet; he can't hang out clothes and get them on the line the right side up. He cannot hold clothespins in his mouth while he is doing it, either. He cannot be polite to somebody he hates. He cannot sit in a rocking chair without banging the rockers into the baseboards. He cannot put the tiddy on the sofa pillow right side out. He cannot sew on a button. In short, he cannot do a hundred things that women do almost instinctively.

DON'T BE A CHUMP.

Give your trade to the merchants who keep store the year round. Buy of the man who stands at your side at the tax collector's counter. Buy of the man who is your neighbor, your acquaintance, your friend. Buy of the man who is a factor in the town you live in, who helps to make a market for the things you have to sell. Buy of the home merchant that advertises in the newspaper.

SHOW US THE MAN.

The most useful, the most reliable and the most profitable of all domestic things are the cow and the hen, whose products are always salable and always usable by the family. You show us a man who takes good care of a dairy or one who gives his poultry intelligent care, and we will show you a man who runs no store bill and keeps square with the world.

WELDON 33 YEARS AGO.

From The Roanoke News, June 18, 1885.
Mr. A. J. Campbell, of the Franklin, (Va.) Times, spent last Sunday in town.
Mrs. T. L. Emry and Master Charles left for the Virginia mountains and springs last Friday.
Miss Helen R. Morecock, of this county, is visiting relatives in Wilson.
Miss Lillie and Master Raleigh Daniel returned home from Wake Forest last week, where they have been attending school.
Bob Johnson, colored, a brakeman on a freight train of the W. & W. Railroad fell off a car last week while the train was in motion and had his foot severely mashed.
Mr. George Onslow, the efficient manager of the telegraph office here, left Monday for Darlington, S. C., where he will remain, having been promoted to a more profitable place. Mr. Dunn, of Gordonsville, Va., has taken charge of the office at this place.
The June term of the Inferior court convened on Monday. Col. F. M. Parker qualified as one of the justices and took his seat on the bench.
A HALIFAX COUNTY YOUNG MAN.—At Wake Forest commencement Mr. W. C. Allen, of this county, delivered an oration on "Hero Worship," which was highly complimented. He was also the recipient of awards of merit in Greek language and literature, mental and moral science, logic and rhetoric, physics, astronomy and chemistry and took the degree of A. B.
HORSE LOST.—While Mr. C. E. Bishop was plowing a few days ago at his home near here his horse became frightened and ran away. He reached the river and ran some distance along the bank and became entangled in the gear and fell into the river and was drowned. During the storm last week a large tree was blown down upon Mr. Bishop's stable completely demolishing the building but fortunately neither of his horses were in at the time.
A TAME MOCCASIN.—In the town of Halifax, about a month ago, from a well on the premises of Capt. Carraway, was drawn up in the well bucket a live snake, of the Moccasin species, about a foot and a half long. By some means the life of the little snake was preserved, and it seems, well cared for and petted. It continues to thrive and has developed wonderfully, physically and mentally. Its disposition is kind and tractable readily taking its food, insects, from the willing hands of its benefactors and instructors, the little children. In all their plays and frolics, his snakeship can be seen occupying a prominent and enviable position, along with the doll, kitten and baby house—the dynonics of childhood. It is to be hoped that the novel pet will live out its allotted days with love and gratitude for its preservers and will not, as did Asop, turn and sting the hand who befriended it.
A NEW CLUB ORGANIZED.—Last Wednesday afternoon Miss Bessie Owen entertained about twenty-five of her girl friends at her home on Fourth street, at which time an Eight Weeks Club was organized by Misses Londa Shamburger, Bessie Owen and Lillie Shaw.
The object of the club is, for the betterment of the community, along civic, social, educational, moral and spiritual lines. The club will also do Red Cross and other patriotic work. The following officers were elected:
Leaders—Misses Londa Shamburger, Bessie Owen and Lillie Shaw.
President—Miss Mabel Vincent.
Secretary—Miss Margaret Pierce.
Treasurer—Miss Lillie Shaw.

COMING NEARER OUR OWN DOORS.

Day by day we realize that the great world war is coming nearer our own doors, and this is more forcibly impressed as we read in the casualty list of June 23, as severely wounded in France the name of Charles Barkley, of Rosemary. This is the first name from Halifax county to appear in this list and we trust the young man may recover and soon be able to come home for a complete restoration but we may expect other names to follow as we have many gallant men already on the fighting line and others on the way. This should induce us to rally to the purchase of War Savings Stamps during this week's drive and so help in caring for these friends of ours in a far away land who are "giving all" for a victory of right and truth.

HINTS FOR WIVES.

Perchance you think that your husband's disposition is much changed; that he is no longer the sweet-tempered lover he used to be. This may be a mistake. Consider his struggle with the world—his everlasting race with busy competition of trade. What is it that makes him so eager in the pursuit of gain—so energetic by day, so sleepless by night—but his love of home, wife and children, and a dread that their responsibility according to the light in which he has conceived it, may be encroached upon by the strife of existence. This is the true secret of that silent care which preys upon the hearts of many men; and true it is, that when love is least apparent, it is nevertheless the active principle which animates the heart, though fears and disappointments make up a cloud which obscures the warmer element. As above the clouds there is a glorious sunshine while below are showers and gloom, so with the conduct of man—behind the gloom of anxiety there is a bright fountain of high and noble feeling. Thinking of this in those moments when clouds seem to lower upon your domestic peace and by tempering your conduct accordingly, the gloom will soon pass away and warmth and brightness take its place.

MIND YOUR OWN BUSINESS.

Tearing another's character to pieces will not help yours no matter how dirty the other man's may be. Pointing out the weeds in your neighbor's yard will not make those in your own yard more beautiful. The white cottage and the brown mansion each hide trouble from the world. People talk and know not whereof they speak. They retail slander to show how foul is the dish most palatable to them. Let us walk straight along. Let us each mind our own business and we will never be out of employment.

THE BIG ONE WAS FED AVALON FARMS HOG-TONE
—The Liquid Hog Conditioner, Fattener and Worm Remover—
—THE RUNT WASN'T

THEY both started life at the same time and weight. They were given the same feed under the same conditions - with one exception - The big one got his regular dose of AVALON FARMS HOG-TONE - the Liquid Hog Tonic, Conditioner and Fattener - and the runt didn't.

The big one is the kind that tops markets and brings big profits to the pockets of the live raiser. The runt cost more to raise than he will ever bring in the market. And the difference was brought about by 20 cents worth of AVALON FARMS HOG-TONE. HOG-TONE puts new life into hogs - makes them eat more and grow fat at an amazing rate. It helps them to combat disease and eliminate the worms that are the hot spots of the live raiser. It prevents scours, keeps the stomach clean, and makes the hogs healthy. It will give you enough HOG-TONE to treat all your hogs so do you give it to a penny now. If the results of the HOG-TONE treatment fail to satisfy you, it will cost you nothing.
