SOUTHEAST HEROES IN FRANCE GET SUPPLIES AT LESS THAN WHOLESALE PRICES OVER HERE

RED TRIANGLE SHOULDERS EXPENSE OF TRANSPORTATION FROM MANUFACTURERS TO CANTEENS IN FRANCE--SYSTEM REDUCED TO FINAL BASIS AND RESULTS NOW ARE VERY GRATIFYING.

The Americans overseas with Pershing have facilities for combatting the high cost of living that are absolutely beyond the reach of civilians on this side of the Atlantic. Even their small luxuries, such as tobacco, biscuits, cakes and similar articles, are obtainable at prices that are considerably lower than those charged by retailers in American cities.

This is made possible because the Army and Navy Y. M. C. A. has taken over all post exchanges in France at the direct request of General Pershing, so that the Red Triangle is now conducting the greatest business enterprise in the world.

Tobacco and other "supplementary" supplies are distributed to the boys in khaki at exactly wholesale prices. The "Y" makes not a penny of profit and even shoulders the financial loss entailed by footing the bills for transportation from the manufacturer to the canteens at the front.

The American troops can buy Fatima cigarettes for 50 centimes, or about 8 cents; Camels, 35 centimes, or about 6 cents; Sweet Caporal, 20 centimes, or about 3 cents; Lucky Strikes, 30 centimes, or about 5 cents; Murads, 65 centimes, or about 11 cents; Bull Durham, 25 centimes, or about 4 cents; Prince Albert, 40 centimes, or about 7 cents; Velvet, 30 centimes, or about 5 cents; Star Chewing, 35 centimes, or about 6 cents.

Capt. George M. Lynch, former assistant commandant at the Florida Military College, Gainesville, Fla., but now in the Red Triangle Service, has made several trips overseas and has investigated thoroughly the conditions existing in the post exchanges under Y. M. C. A. management. He declares that while some difficulty was experienced at first, prices have been stabilized and the boys are getting their supplies at cost.

Miss Katherine C. Budd, of New York (left), who designs the hostess houses of the Southeastern Department, now engaged in supervising the construction of one at Dorr Field, near Arcadia, Fla. Miss Gertrude Mayo, of New York and Boston architect for other Y. W. C. A. buildings at military establishments.

SERVED LEMONADE TO CHATEAU-THIERRY VETS

Salvation Army Workers Face Death That Soldier Heroes May Have Relief From Parched Throats.

Huge barrels of lemonade served to the American troops during the battle of Chateau-Thierry furnished only one instance of the service being rendered to the soldiers of Uncle Sam and his allies by the Salvation Army workers now detailed with the fighting units on the western front.

The troops had been hammering at the Boche all day and all night and many of them had been put out of action during the terrific fighting, but although suffering from wounds made by shrapnel, rifle bullets and hand grenades, most of the injured men were conscious and many of them able to get about with the aid of improvised crutches. The surgeons were busy in the dressing stations and the waiting soldiers wanted nothing so much as a good drink of something cold and refreshing.

Then it was that the Salvation Army workers came along with several barrels filled with sure enough lemonade. Where they got the lemons or the sugar nobody knows, but the soldiers asked no questions as they dove for the tin cups that were piled alongside the barrels on a huge truck.

The surgeons said afterward that the lemonade served to keep down the temperature of many a lad whose wounds could not be dressed until the most serious cases had been attended to. And what that cupful of good old Yankee drink meant to those boys who had just come out of the inferno of Chateau-Thierry, will never be told.

It is just that kind of service that is making the Salvation Army organization with the military forces of the allies one of the most potent factors in welfare work. As one of the severest great war work organizations participating in the united war work fund drive in November, the Salvation Army will be enabled, through its share of the \$170,500,000 to continue its operations with the fighting men.

FLORIDA NEWSPAPERS PLEDGE ASSISTANCE

Representatives of Florida daily and weekly newspapers in attendance at a luncheon held in connection with a conference of United War Work campaign workers, pledged themselves to cooperate behind the big drive to open on November 11.

Their action puts the full strength of the Florida newspaper fraternity in the field and in every section of the state the public will be informed through the columns of the press just what the aims and objects of the seven great war work agencies are in this coming campaign to raise \$170,500,000.

No one can give anything and keep it--except a promise.

FOUND BOOKS DEEP DOWN IN DUG-OUTS

American Library Association Books Sure Reach Soldiers, Says Raymond Fiedick

"I found the books of the American Library Association everywhere in France," says Raymond Fiedick, chairman of the National Commission on Training Camp Activities, who has just returned from an extended trip overseas, during which he conducted a thorough investigation of the work being done by the various war work agencies.

"I found them in dugouts thirty or forty feet below ground, in cow barns where shrapnel had blown parts of the roof away, as well as in the substantial huts and tents far back from the firing line.

"I have found them in hospitals and dressing stations; in scattered villages in the training area where our men are billeted and even in the remote parts of France where the forestry units are carrying out their lonely, but efficient and essential work. Your books are in continual demand from the time the soldiers arrive in camp in America until they come back home after service overseas."

The A. L. A. library service has grown tremendously within the past few months and millions of books have been distributed wherever soldiers and sailors are quartered, on sea or land.

"NEED ONLY CREED" SAYS GIPSY SMITH

"Need is the only creed over there," declared Gipsy Smith, the famous evangelist, speaking to enormous audiences in southeastern cities, where mass meetings have been held in the interest of the United War Work campaign to open on November 11.

"It gives me the greatest pleasure to testify that the work has been conducted upon the broadest lines of service, not merely to the gallant soldiers of the army of the great Republic of the West, but to all they could assist. The high quality of character of those conducting this work needs no praise, but I affirm that in my opinion it would have been impossible to have afforded the boys that inspiration and succor they need--and which they so richly deserve--without your efforts."

Prime Minister of Great Britain

About Croup.
If your children are subject to croup or if you have reason to fear their being attacked by that disease, you should procure a bottle of Chamberlain's Cough Remedy and study the directions for use, so that in case of an attack you will know exactly what course to pursue. This is a favorite and very successful remedy for croup, and it is important that you observe the directions carefully.

CALOMEL DYNAMITE A SLUGGISH LIVER
Crashes into sour bile, making you sick and you lose a day's work.

Woman is evidently a special dispensation of Providence to prevent man's conceit from running away with him.

Chamberlain's Cough Remedy
Do not imagine that because other cough medicines fail to give you relief that it will be the same with Chamberlain's Cough Remedy. Bear in mind that from a small beginning this remedy has gained a world wide reputation and immense sale. A medicine must have exceptional merit to win esteem wherever it becomes known.

When two girls are in love with the same young man they always smile as they pass by--and then grin their teeth.

Greatly Benefitted by Chamberlain's Tablets
"I am thankful for the good I have received by using Chamberlain's tablets. About two years ago when I began them I was suffering a great deal from distress after eating, and from headache and a tired, languid feeling due to indigestion and a torpid liver. Chamberlain's Tablets correct these disorders in a short time, and since taking two bottles of them my health has been good," writes Mrs. M. F. Harwood, Auburn, N. C.
