"OUT OF LOVE" CLUB UNIQUE ORGANIZATION

Members Are Girls Rescued by Salvation Army.

The "Out of Love" Club is one of the important club organizations maintained by the Salvation Army in this country. In every large city where there is a Salvation Army corps girls who have been helped back into the normal pace of a workaday world are proud of the membership in this club. Unhappy, homeless girls who do not forget kindness shown them in their hour of greatest need give out of love to help other girls receive the same friendliness. In a simple, quiet way, this unique idea has been maintained for over 20 years.

In every large city in the country there are girls who have needed the ministrations of the Salvation Army. After they have been helped and sent on their way again they become life members of this club. They are expected to dress in a plain, simple way, and avoid in any sense of the word gaudy or flashy clothing. Gossiping or late hearing is taboos. If members of the club transgress this rule they are liable to suspension for a month or longer. The "Out of Love Club" is one of the many activities that will benefit by the success of the Salvation Army House Service Fund Campaign for \$15,000,000 May 19-28.

FACTS ABOUT THE SALVATION ARMY

By ELIZABETH TYLER

The people of the South are once more called upon to give. This time it is for one of the most worthy of all causes—the Salvation Army Home Service Fund.

When war was declared the Salvation Army workers went over seas with our boys and down into the trenches into the very jaws of death. They crossed the sea with our boys with never a thought of personal injury—never dreaming of the wave of popularity or publicity they would get for this humble Christian service; they had only one desire and that was to serve our boys when they most needed friends. They spent much of the money that it had taken them many years to collect in small change—spent it ungrudgingly because they were that our boys needed it.

All they asked in return was that they be allowed by their every day examples to teach the Christianity our Saviors taught while on earth.

Many soldiers tell of the wonder of how the Salvation Army has done overseas. To me there is nothing unusual about that work, but it is the same kind of work and service the Salvation Army has always given here at home—at our very own doors. It has taken the stories told by the returning soldiers who have come to know the Salvation Army to bring about this wave of popularity for the Salvation Army, but the Army has always worked and served as they are now serving.

It reaches a class of people that no other religious organization can attempt to reach. The men and women that are too ragged and miserable to attend the services at our churches—they reach the poverty that hides and shirks in the by-ways of life. A man or woman can never fall so low, but that this army of earnest workers stretch out a helping hand to them. Every man, woman and child in America should contribute to this Home Service fund because there is not a corner in our beloved land, however remote, that does not receive direct benefit from the Salvation Army. For fifty per cent of the population of the cities is made up of people that come from small towns and from those remote sections and ninety per cent of the boys and girls that appeal to the Salvation Army for assistance are those who have come to the large cities and find themselves unequal to the struggle for existence.

The Salvation Army conducts Rescue Homes, Day Nurseries, Homes for the Helpless and Aged and Blind, Lodging Houses for the men and women that are unable to pay and free clinics—it extends its services everywhere that misery and poverty exist.

Soldiers Tell Of Overseas Work.

The soldiers that are returning from France after their hard struggle have nothing but words of praise for the Salvation Army, and that from the lips of a soldier now at Camp Gordon comes a story of a frail Salvation Army lassie that defied the shot and shell of the Hun and carried him three miles to a first aid station and saved his life—that man is Sergeant James McCoy of Co. E 11th Infantry. Sergeant McCoy is the proud possessor of the Croix de Guerre, and the famous Belgian medal for bravery was among the first Americans to join the Allies in the great world war.

It was on my twentieth birthday August 5, 1918, in the famous Argonne Forest that I received five machine gun bullets in my legs as a result of a birthday present from the Hun, says Sergeant McCoy of Camp Gordon, Atlanta, Ga., as he extolled the work of the Salvation Army abroad. "The rain of bullets from the machine guns brought me to the ground in spite of the pain, I crawled along, and after making two miles towards a first aid station I fell in a faint and lay there with shot and shell bruises around me. I will never know how long I was unconscious. It was only after midnight, and the only light around us came from the bursting bombs and the hand grenades which were being hurled by one of the strongest battalions of the German Crown Prince. She bade me have courage and said that she would carry me to the nearest first aid station, which was three miles away. She untied my equipment and carried me in a military fashion for straight out over the ground for nearly three miles away. Time and again she stopped to regain her strength and each time after she was ready to go on she would wipe my face and make me as comfortable as possible. How long it took her to bring me through that shot ridden world I will never know, for I afterward learned that I fainted several times during the journey. It was daylight when the lassie carried me to the first aid station and after she

had placed me in the hands of my sturdy comrades, she took to the ground unhesitatingly.

This is only one of the many things that I know of concerning the Salvation Army and their work with the American troops abroad. They are the greatest friends we have, and if the American public can only be told of the per cent of their heroic deeds in No Man's Land, the appreciation of \$15,000,000 asked for by the Salvation Army will be but a drop in the bucket of the deeds actually received.

Brothers, sisters, wives or sweethearts of the American soldiers should always love and support the Salvation Army, for they owe that wonderful organization a debt of gratitude, for by its example of humble Christian service it has implanted in the hearts of the world through her fighting men, a renewed faith in Christ and the seeds it has sown in No Man's Land and at the training camps, which will spring up and bear fruit that will give the world the first real taste of democracy.

Heroes Explain Why

In the following words Private Frank Ivy, of Goldsboro, N. C., sums up what he has seen of the work of the Salvation Army abroad. Private Ivy, who was a member of Company K, 167th Infantry, was severely wounded in the early battles of Soissons. While he lay on his cot at Fort McPherson Hospital, waiting time to heal the wounds inflicted by the Hun, he was at his happiest period, as he discussed the work of the Salvation Army, both here and abroad.

When he learned of the coming drive in May for additional funds for this great cause, the wounded hero said: "I hope I am out by that time, and, if I am not, there are thousands who would go far and wide to tell the people of this country just what the Salvation Army stands for, what it did for its boys under shell fire, in the hospitals, and, in fact, everywhere we went. The Salvation Army worker was bound to be there. This is an advertising campaign, for all the boys will have to do is to tell the truth of this great work and the great American public will do the rest."

Sergeant George Henderson, of Jacksonville, Fla., who was wounded at Chateau Thierry, is following the example of Private Cook and organizing the discharged soldiers of Florida to put over the Salvation Army Drive in his home State, as the Salvation Army so ably assisted to put over drive after drive in the cruelest days of the great world war.

"We doughboys know how to help, and we are going to do it," says Sergeant Henderson. "The Salvation Army cared not for shot or shell, for their only thought was to aid others in spite of the personal risk to themselves. They started in the war with us at our training camps in America and remained with us, until we put the Hun back on his own ground and started him on the greatest retreat that a losing army was ever forced to make.

Debt of Gratitude

America will never know the gratitude she owes to the Salvation Army and the number of lives that this little sturdy band of workers saved by their fearless actions in the greatest of all fights."

Hundreds of statements have come to our office from those who know of the Salvation Army's work in the trenches. There will be no vital change in the administration of the work. The Tenthousand Club will no longer circulate among us, however, except at occasional services. The big drive is for funds to replace this smiling lassie and release her from collecting small change to devote her entire time to a work of mercy. The people of America will be asked to contribute once each year instead of all the year round to the Salvation Army and perpetuate its work.

Some of the most prominent men in the South will tour this section of the country in the interest of the drive. Judge J. S. Reynolds, formerly Solicitor General of the Augusta Circuit and one of the best known lawyers in the South, is chairman of the speaker committee. He has gathered about him men who have made good in their respective lines and who will speak in the behalf of the Salvation Army Drive.

Among the prominent speakers who will tour the South are: Judge Marcus Beck, of Georgia; Dr. S. H. Bell, of Georgia; Walter P. Andrews of Atlanta; Chief Justice Walker, Attorney General of Georgia; Rev. James Horton, C. Murphy (Candler), Georgia Railroad Commissioner, Hooper Alexander, District Attorney, and many others.

The Salvation Army is not basing its plea for funds on its war record. It has behind it in America forty years of work as thoroughly and conscientiously rendered as was the work of the Army lads and lassies in the trenches and on the battlefields of France. I know the people of America will help.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. had us get Cardui. I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE

CARDUI

The Woman's Tonic

She writes further: "I am in splendid health. I feel I owe it to Cardui, for I was in a dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

LLOYD GEORGE PRAISES "ARMY"

Evangeline Booth, Commander of the Salvation Army in the United States, received the following letter from David Lloyd George:

"British Delegation, Paris, April 8, 1919.

"Dear Madam—I have very great pleasure in sending you this letter to say how highly I think of the great work which has been done by the Salvation Army amongst the Allied Armies in France and the other theatres of war. From all sides I hear of the most glowing accounts of the way in which your people have added to the comfort and welfare of our soldiers. To me it has always been a great joy to think how much the suffering and hardships endured by our troops in all parts of the world have been lessened by the self-sacrifice and devotion shown to them by that excellent organization, the Salvation Army. Yours faithfully,

DAVID LLOYD GEORGE, "Commander Evangeline Booth, New York City." The Salvation Army Home Service Fund Campaign for \$15,000,000 will be conducted during the week of May 19-28.

THE SALVATION ARMY'S SLOGAN IS "A MAN WILL BE DOWN, BUT HE'S NEVER OUT."

The success of the Salvation Army Home Service Fund campaign for \$15,000,000—May 19-28—means less poverty and less crime in the United States.

Do You Enjoy Life?

A man in good physical condition is almost certain to enjoy life, while the bilious and dyspeptic are despondent do not enjoy their meals and feel miserable a good share of the time. This ill feeling is nearly always unnecessary. A few doses of Chamberlain's Tablets to tone up the stomach, improve the digestion and regulate the bowels is all that is needed. Try it.

Watch your tongue, no one but you can take care of that tongue. Your neighbors may wish they could bridge it, but they can't do it.

About Rheumatism.

Rheumatism causes most pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that there is a remedy that will afford relief, and make rest and sleep possible. It is called Chamberlain's Liniment.

There are two hundred and fifty thousand words in the English language, and most of them were used last Sunday by a lady who discovered after coming out of church, that her new hat adorned with a tag, on which was written, "reduced to \$2.75."

OVER-EATING is the root of nearly all digestive evils. If your digestion is weak or out of kilter, better out loss and use

KI-MOIDS the new aid to better digestion. Pleasant to take—effective. Let KI-MOIDS help straighten out your digestive troubles.

CARDINAL GIBBONS ENDORSES S. A. DRIVE

Venerable Churchman Expresses Hope That \$13,000,000 Will Be Raised.

The following letter was addressed to former Governor Whitman of New York state by Cardinal Gibbons:

"Honorable and Dear Sir—I have been asked by the local Commander of the Salvation Army to address a word to you as National Chairman of the Campaign about to be launched in behalf of the above named organization.

This I am happy to do, and for the reason that along with my fellow American citizens I rejoice in the splendid service which the Salvation Army rendered our soldier and sailor boys during the war. Every returning trooper is a willing witness to the efficient and generous work of the Salvation Army both at the front and in the camp at home. I am also the more happy to commend this organization because it is free from sectarian bias. The man in need of help is the object of their effort, with never a question of his creed or color.

"I trust, therefore, your efforts to raise \$13,000,000 for the Salvation Army will meet with a hearty response from our generous public. Fully yours,

"J. CARD. GIBBONS"

NERVOUS PROSTRATION

May be Overcome by Lydia E. Pinkham's Vegetable Compound—This Letter Proves It.

West Philadelphia, Pa.—"During the thirty years I have been married, I have suffered, in my health, and had several attacks of nervous prostration until it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound and it made a well woman of me. I can now do all my household

and advise all ailing women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, backache, headaches, and other symptoms of a functional derangement. It was a grateful spirit for health restored which led her to write this letter so that other women may benefit from her experience and find health as she has done.

For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Medicine manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure.

METHODISTS OF SOUTH RALLY TO THE FLAG

FROM ONE END OF COUNTRY TO THE OTHER THEY WILL GATHER UNDER BANNER OF CROSS IN CAMPAIGN, MAY 19-28.

Methodists of the South will unite May 19-28 in conducting the greatest denominational campaign ever undertaken in the history of the world. During the week every member of the church will rally to the flag of the cross through the call of Methodism and given of their time, energy and pocketbooks to the raising of a fund of \$13,000,000. Every dollar of the money raised will be spent in missionary work, both at home and abroad, ten million being turned back into the rebuilding of churches, schools and hospitals in the South. A large part of this sum will go towards increasing the salaries of the ministers of the rural churches, particularly those who have been working against great difficulties in the matter of taking care of churches containing a number of churches.

The Centenary movement of the Methodist Episcopal Church, South, not only means increased salaries for the pastors in the rural districts but also the establishment of mission schools in many inaccessible and needy communities of the country. Special effort will be made to weaken the laxness of the church everywhere so that in those churches where a minister cannot preach every Sunday, there will be a service just the same. Because of the loyalty which Methodists everywhere have towards their church it is believed that, even though \$13,000,000 is a large sum, it will be raised.

Cause of Headache.

By knowing the cause, a disease may often be avoided. This is particularly true of headache. The most common cause of headache is a disordered stomach, or constipation, which may be corrected by taking a few doses of Chamberlain's Tablets. Try it. Many others have obtained permanent relief by taking these tablets. They are easy to take and mild and gentle in effect.

The man who knows nothing and wants nothing ought to be comparatively happy.

EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury, quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your droggist sells for a few cents a large bottle of Doan's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Doan's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.
