

Grapes Wanted—

BY a wonderful discovery the famous Virginia Dare wine is now produced in NON-ALCOHOLIC form, meeting every requirement of prohibition laws.

Growers of Scuppernon Grapes are therefore advised to fertilize thoroughly and care for the vines with more than ordinary attention, to insure a big crop.

We will be in the market as usual for big supplies for which attractive prices will be paid.

If you know a Scuppernon Grape grower cut this out and send it to him.

CATARRH CAN NOT BE CURED with local applications, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surface of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions.

ANOTHER thing that should dispose Congress to favor the league of nations is that the league will provide a few snug harbors for lame ducks.

CONGRESS is now giving a life-like imitation of a lot of gentlemen trying to make believe that woman suffrage was always their heart's greatest desire.

It may comfort certain United States Senators to know that President Ebert, of Germany, also hopes that the American Senate will reject the peace treaty in its present form.

WITH the rest of the world gone dry and Germany putting out the "old familiar juice" Germany should worry about its war debt. It can get rich on the growler trade alone.

SOME returned soldiers are solving the problem of displacing woman workers by marrying the women and taking over the jobs. This is not forcible annexation, but benevolent assimilation.

EACH of the nations represented at the peace conference seems to think it expedient at one time or another to arise in the majesty of outraged dignity or something and walk out. But it is significant that each in passing the doorkeeper asks for a pass check.

Children Cry FOR FLETCHER'S CASTORIA

We gather from the critics that Postmaster General Burleson is to blame for letting those bombs into his old department, and that it was one of his mail cars that bumped into Samuel Gompers. These critics have not yet thought of blaming Burleson for the war, but give 'em time.

WELDON 33 YEARS AGO.

From The Roanoke News, June 3-10, 1886.

The Campbell place was sold Saturday for division and was purchased by Mr. R. O. Edwards for \$1,400.

We are glad to learn that Mr. J. R. Tillery, of this county, has taken rooms in Major Emory's new building and will hereafter be a resident of this place. We welcome him to town and only wish we had hundreds of others like him.

FIGHT.—Last Saturday Mott Powell and G. F. Collins, both white, engaged in a dispute here about some money and came to blows. Collins threw Powell down and Powell cut him on the head in several places with a knife, but not seriously.

RUNAWAY MARRIAGE AT GARYSBURG.—Mr. W. R. Rolfe and Miss Florence Chambers, both of Petersburg, fell in love with each other, but the young lady's father objected. Last week Mr. Rolfe through a friend at Garysburg had a license ready at the latter place and on Sunday the young couple eluded opposing parents and came out to Garysburg, where they were made one just as a telegram was received asking for their arrest.

June 10.—Mr. H. C. Spiers returned home last week after a month's visit to Baltimore and Virginia.

Mrs. Lizzie Norment, of Washington City, who has been visiting her brother, Mr. W. R. Smith, returned to her home Saturday.

MARRIED.—On the 23rd of May by J. W. Johnson, Esq., J. P., Thomas J. E. Hockaday to Miss P. I. Glasgow, all of this county. In the Church of the Advent, Enfield, on the 8th instant, Rev. A. S. Smith, D. D., officiating, Mr. C. E. McGowan to Miss Sadie C. Bellamy.

DIED.—At the residence of Mr. A. M. Inge, about six miles from town, Monday afternoon, his little daughter, Della, aged about three years, of diphtheria. We extend our sympathies to the bereaved parents whose jewel has been transferred to the skies.

REPORT OF GRAND JURY.

To the Hon. Judge of the Superior Court of Halifax County, N. C.

We, the Grand Jury of Halifax County, beg to report as follows:

The County Home is badly out of repair. We most heartily endorse the recommendation of a former Grand Jury to provide better buildings and more modern equipment.

The jail is in first class condition.

The convict camp at Roanoke Rapids could be improved by the use of a few screens in the kitchen.

Respectfully,

O. W. PIERCE,
Foreman of Grand Jury.

ANOTHER BONUS.

Senator Park Trammell, of Florida, the author of the bill which became law creating the bonus of \$10 for men serving in the navy, military or marine forces of the United States in the war, introduced the following: "That all persons serving in the military or naval forces of the United States during the war with the German Empire who have since April 6, 1917, resigned or been discharged under honorable conditions (in case of reservists) been placed on inactive duty, or who at any time hereafter (but not later than the termination of the current enlistment or term of service) in the case of enlisted personnel and female nurses or within six months after the termination of said war in the case of officers, may resign, or be discharged under honorable conditions, or in the case of reservists, be placed on inactive duty shall be paid, in addition to all other amounts due them in pursuance of law, a further sum of \$140 each."

FARMERS FOR THE LEAGUE.

A recent report indicates that an overwhelming majority of the 12,000,000 farmers of the country favor, not only the idea of a League, but the League Covenant as it now stands. More than two hundred agricultural organizations—national, State and local—have adopted resolutions favoring the entrance of the United States into a League. Ninety per cent. of these resolutions were adopted since the publication of the Covenant. Copies were sent to President Wilson and to the Senators representing the States in which these organizations are located.

The list includes most of the leading national agricultural bodies among them the American Agricultural Association, Farmers' Educational and Co-operative Union of America, Farmers' Equity Union, Farmers' National Council, Farmers' National Reconstruction Conference, National Board of Farm Organizations, National Reconstruction Conference, National Board of Farm Organizations, National Federation of Cleaners, National Grange, and the Non-Partisan League.—The League Bulletin.

HAVE YOU?—Every ambitious girl has in view some ideal work, and if they do not reach the point of perfection in that work they will be dissatisfied. Do not think because they do all the work set before them willingly, that they are satisfied. Don't you know that they are working to be promoted higher? Do not think that a profession will make your girl less womanly, no, never. Every womanly woman likes to be independent. Parents, do you realize that your girls will soon be women and have to fill women's places? Have you done your duty by trying to fit them for their position? If so, God bless you. If not, God help you to do so.

HOW TO MAKE MISCHIEF—Keep your eyes on your neighbor. Take care of them. Do not let them see without watching. They may do something wrong if you do. To be sure you never knew them to do anything bad, but it may be on your account they have not. Perhaps if it had not been for your kind care they might have disgraced themselves a long time ago. Therefore do not relax any effort to keep them where they ought to be. Never mind your own business—that will take care of itself—he is looking over the fence—he contemplates stealing, some of these dark nights, there is no knowing what queer fancy he may have got into his head.

If you find any symptoms of any one passing out of the path of duty, tell every one else what you see, and be particular and see a great many. It is a good way to circulate such things, it may not benefit yourself or any one else particularly. Do keep something going—silence is a dreadful thing, though it is said there was silence in heaven for the space of half an hour, do not let such a thing occur on earth, it would be too much for this mundane sphere.

After all your watchful care you cannot see that they have done anything bad, throw out hints that they are no better than they should be—that you should not wonder if the people found out what they were after a while, then they may not carry their heads so high. Keep it going, and some may take the hint and begin help it along after a while—then there will be music and everything will work like a charm.

Follow the above directions and you will be pretty sure to make plenty of mischief.

ONLY BRAVE.—There are fathers who grandly struggle against the tides of fate, and never lose the secret of their despair, whose young dreams have all faded, but who patiently bear their allotted burden with what tries to be resignation. There are noble women whose domestic afflictions would crush them if they were not heroes, who silently suffer and make the most of their disappointed years. They sing and so the world thinks them happy, when they are only brave.

CONQUER WEAKNESS by keeping your powers of resistance at highest peak. It is as natural for

Scott's Emulsion to strengthen as it is for your food to nourish the body. If you would conquer weakness—Increase your resistance—take Scott's Emulsion often.

To All to Whom These Presents May Come—Greeting:

Whereas, it appears to my satisfaction, by duly substantiated record of the proceedings for the voluntary dissolution thereof by the unanimous consent of all the stockholders, deposited in my office, that the **Wesling Brick and Lumber Improvement Company, Inc.**, a corporation of this State, whose principal office is situated in the town of Weldon, County of Halifax, State of North Carolina, (W. FOR JUST ONE DAY.—We can all find strength to carry our burden in one day; to be kind and sweet, and true, and firm, just till night falls. This is all life ever asks of us. To fight one day's temptation, do one day's duties; check angry and fretful humors; hold our tongues in subjection, and, if we can say nothing kind, say nothing, nothing at all, for just one day.

For Colds, Catarrh or Influenza.

Do you feel weak and unequal to the work ahead of you? Do you still cough a little, or does your nose bother you? Are you pale? Is your blood thin and watery? Better put your body into shape. Build strong!

An old, reliable blood-maker and herbal tonic made from wild roots and herbs, is Dr. Fiere's Golden Medical Discovery. This "nature remedy" comes in tablet or liquid form. It will build up your body, cure your cold, and protect you from disease germs which lurk everywhere. One of the active ingredients of this temperance alterative and tonic is wild cherry bark with stillingia, which is good for the lungs and for coughs; also Oregon grape root, blood root, stone root, Queen's root, all skillfully combined in the Medical Discovery.

These roots have a direct action on the stomach, improving digestion and assimilation. These herbal extracts in the "Discovery" aid in blood-making, and are best for scrofula. By improving the blood, they aid in throwing off an attack of influenza.

Catarrh should be treated, first, as a blood disease, with this alterative. Then, in addition, the nose should be washed daily with Dr. Sage's Catarrh Remedy. Send for trial pkg. of Medical Discovery Tablets or Catarrh Tablets to Dr. Fiere, Invalids' Hotel, Buffalo, N. Y.

ASK YOUR BANKER

A successful business man never hesitates to call on his banker for advice.

His banker might hesitate to advise the purchase of an automobile because it is a source of expense; but when you mention your hauling needs and the necessity for a truck, you at once enlist a banker's interest.

The earnings from a good truck will soon pay the original cost of the truck.

Your banker does not think of truck buying as an expense. He knows that it is an industrial economy—an asset in your business which you will quickly recognize in your bank account.

Every progressive bank in the State is glad to lend money to any substantial farmer or business man to buy a truck.

Your banker will want to know, however, what sort of a truck you intend to buy, what record it has, the kind of service behind it, and the financial responsibility of the manufacturer.

The splendid performance of Indiana Trucks running in all other sections of the State is not equalled by any other. It is built at Marion, Ind., by the Indiana Truck Corporation, a concern which enjoys the highest possible financial rating. The State distributor is the Carolina Motor Co., of Statesville, N. C., a firm that is well known in truck circles, and one not unknown to your banker.

With such evidence of responsibility behind it, the Indiana Farm Truck is commanding very favorable attention among the farmers of this county.

Every Indiana Farm Truck carries the Porta Power Units which turns it into a portable power plant. It makes use of every idle second of the truck more than ever a real investment.
