A WINCE.
A novelist said at a Bar Harbor tea:
"It is incredible what some women spend to get into society. A western millionaire's wife came to New York, took a house in Fifth avenue and gave a ball of great magnificence."
"When her husband totaled up her bills he wince and said:
"My, Maria, these here bills total up to \$30,000."
"It costs money, dearie," said the wife, "to get into society."
"Humph!" said the millionaire; "It don't seem to me that we're getting into society as much as society is getting into us."
HAPPY DAYS.
They were strolling on the pier. "I spent my honeymoon here at this resort," said he.
"That is the happiest time of one's life, I suppose?" said she.
"Oh, yes; one is so ignorant of the future."
When shiftless people can't think of any other way to annoy their neighbors they get a dog to howl through the night.

Helmets Worn by German War Lords on Exhibit at Methodist Centenary Celebration

THREE helmets, absolutely guaranteed to have been worn by the former Kaiser William of Germany, Von Bethmann-Hollweg and General Ludendorff, will be on exhibition in Columbus, O., as a part of the Methodist Centenary Celebration, June 29 to July 12. They were brought out of Germany during the revolution by Lowell Thomas, world traveler and explorer, whose travelogues will be given in Columbus as a feature of the celebration.
Thomas entered Germany at this most critical period, without pass-ports or authority of any kind. To do this he was forced to hide out for days on the border. He was turned back twice, but on his third attempt succeeded in getting past a Swabian guard. He made some wonderful pictures in Berlin, showing street riots and the general chaos of the city at that time.
In addition to these views and incidental lectures, Mr. Thomas will show pictures taken in Palestine at the time of General Allenby's occupation. Thomas accompanied the British troops on this expedition.

CALOMEL SALIVATES AND MAKES YOU SICK
Acts like dynamite on a sluggish liver and you lose a day's work.
There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel.
It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.
Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless.
Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you.

METHODISTS SHOULD GATHER NEW ZEAL

Centenary an Inspiration Says Dr. Fisher.

Dr. Fred Fisher of New York, who has been assistant executive secretary of the Methodist Centenary drive, has turned his entire organization to the job of mobilizing Methodism in Columbus, June 29 to July 12. In outlining the campaign he has placed before 78,000 committeemen of the Methodist Church, he says: "We must stress four things. First, this will be a big Victory Celebration. The Methodists of the United States have lived more in the past year than in any 10 previous years of their existence. Now is the time for them to get together and celebrate their victory."
"In the second place, this is an opportunity for Methodists to have visualized the scenes and activities of which they have been talking for the past year, but of which they have no personal knowledge. Of these 78,000 men, only a negligible per cent has ever had the opportunity of going abroad. At the celebration they can let the trip around the world at their convenience."
"Third, this is the time to finish the job of earlier inspiration and information to enable the organized workers in the church to carry out the program which has been mapped out for the next four years."
"Fourth, and most important of all, if the Celebration realizes the ideals which those who are back of it hold, it must be the inspiration for planning work for the next century. As we look upon the marvels that have been accomplished we should gather new faith and new zeal for enterprises that can be measured only in terms of another century. We must, in a word, weld ourselves together in a great spiritual purpose to strike the bull's eye."
Dr. Fisher indicated that 150 trained executives, in addition to the 78,000 volunteer workers, will stimulate interest in the Centenary Celebration during the next six weeks.

JULY 7 NEGRO DAY

Trips Planned For Visitors to Methodist Centenary.

Negro Methodists, in Columbus as Centenary Celebration visitors, will make a pilgrimage to Upper Sandusky, birthplace of the Home Missionary movement, to honor the memory of its founder, John Stewart, a man of their own race. The trip is scheduled for Saturday July 5.
Other trips planned include a visit to the grave of Ben Hanby, author of "Nellie Gray," in Otterbein cemetery; to Ohio Wesleyan University, Delaware, perhaps in smaller numbers to Wilberforce, and possible to Oberlin, where so many found, by underground route, safe haven in Civil war days.
Monday, July 7, has been designated officially as "Negro Day," and will be observed at the Centenary Celebration grounds with an elaborate program of pageantry, addresses, special music and parades. For this occasion, Dr. W. E. Dubois, editor of The Crisis, published in New York, has written a pageant, "The Star of Ethiopia," which will be produced in the Coliseum by colored participants. The theme of the pageant is the evolution of the race traced through progressive stages of achievement to the present day. A chorus of 500 voices, all Negroes, will present the pageant music.

HIS URGENT ERRAND
A soldier was pleading with his commanding officer.
"You are always on leave," exclaimed the commanding officer.
"What on earth do you want special leave for now?"
"My sister's baby is going to be vaccinated, sir."
"And what has that got to do with you?"
"She's my sister, sir," explained Tommy, with a hurr look.
"What, the baby?"
"No, sir, the baby's sister's my brother—I mean I'm the mother's baby—er—the father's my sister. No, I mean—"
"You mean," broke in the C. O., angrily, "What do they want you for? That is the point."
"For a godmother, sir,"—Edinburgh Scotsman.

I read of Cardui, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when run-down. Mallory Hats
About the first question our salesmen will ask you when you try on one of our new
Mallory Hats
Is "How does it feel?" In other stores they ask "How does it look?" The difference is that we will first select a hat that will become you, and we know that a "Mallory" Hat will look right, so what we want to know is whether the hat feels right on the head. Be sure to have a look at our window this week and come in and prove what we say.
