The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of **Chas. H. Fletcher** and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA
Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. HE SPOKE TOO FAST.
No doubt the doctor spoke rashly. An inquisitive niece, seeing him return from the funeral of a wealthy patient, innocently inquired:
"Uncle Tom, do you attend the funerals of all your patients who die?"
"Good heavens, no," said the doctor. "Do you think I have nothing to do but go to funerals?"

FIRM BELIEVER.
She—Do you believe ignorance is bliss?
He—Why?
She—You seem so happy.

WASN'T HE A DEAR.
"You used to say I was perfect."
"I was mistaken."
"You brute!"
"I mean, dearest, that you could not have been, because since then you have steadily improved."

Never look for trouble, but when you meet it put up your most strenuous fight.
To Improve Your Digestion.
"For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them did I find the right treatment. Since taking them my digestion is fine."
—Mrs. Blanche Powers, Indiana, Pa.

LEMONS WHITEN AND BEAUTIFY THE SKIN
Make this beauty lotion cheaply for your face, neck, arms and hands.
At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of ordinary white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.
Just by getting three ounces of fresh white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is merciful to smooth wrinkles, and hands.

Pershing Wants Pledges Paid So Welfare Work Will Go On With Army "To the End."

Washington, D. C.—Raymond B. Fosdick, chairman of the Commission on Training Camp Activities, has made public a letter which he has received from General John J. Pershing, showing the vital importance of continuing the welfare work with the army until the end. Those who have not paid their United War Work Campaign subscriptions will come in for much criticism if they do not do so during "Speed Up" Week, July 28th to August 4th.
Cleveland H. Dodge, national treasurer of the United War Work campaign, stated on July 15th that he had only enough funds on hand to run the seven organizations until August 1st. Therefore, unless every outstanding subscription is paid during "Speed Up" Week, it will be necessary doubtless to cut down the work of the agencies which now means so much to our soldiers still in uniform.
Gen. Pershing's letter in full reads:

AMERICAN EXPEDITIONARY FORCES
Office of the Commander-in-Chief
France, May 3, 1919.
Mr. Raymond B. Fosdick, Chairman, Commission on Training Camp Activities, War Department, Washington, D. C.
My Dear Mr. Fosdick:
On the welfare societies that joined in the united campaign for funds at home in the fall of 1918, all, with the exception of the War Camp Community Service, are continuing their helpful work with the American Expeditionary Forces.
This work is of the utmost value to the troops and is thoroughly appreciated by officers and men. It gives me a great deal of pleasure to testify at this time to the value of their services. I sincerely hope that the amounts so generously subscribed during the last campaign for funds will be paid in so that the work of these societies with the Army in France may be continued to the end.
Sincerely yours,
JOHN J. PERSHING.

NOTE—The War Camp Community Service has, from the outset, concentrated its efforts in encampment cities in this country.

Health About Gone
Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suttered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

COLONEL BURNS
A SLUGGISH LIVER
Crashes into your bile, making you sick and you lose a day's work.
Colonel salivates! It's mercury. Colonel acts like dynamite on a sluggish liver. When Colonel comes into contact with your bile it breaks it up, causing vomiting and nausea.
If you feel tired, headachy, constipated and all kinds of trouble, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you out better and quicker than nasty calomel and without making you sick, just go back and get your money.
If you take Colonel today you'll be sick and nauseated tomorrow. Besides, it may sllivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.
