Primary children who expect to enter the school for the first time this year must be corolled during the first week or they will not be allowed to enter until after the Christmas holidays. They mus also secure from the Superimend ent an admission card prior to the opening, for they will be admitted by card only. Any other students entering this school for the first ime this year must also secure one of these cards, which can be had at

Mrs. Wilkins' house. All other pupils please bring both our promotion and report cards. You are no doubt aware of the fact that our legislature has enacted a law by which the birth-right of our children is safe guarded. A THE Republican Congress has children between the ages of 8 and 14 must be in school during the entire session. We trust all pupils will be present every day-men your training will mean something with us both to the individual and his community. Let us adopt for our slogan for the year 1919-20 each for the other and all for the school.

The book lists will be our to-day and distributed to the homes of all its tardiness in legislation that time pupils. Please provide yourselves with books and be ready for work on the first day. The incoming reshman class will please see the members of last year's freshmen class for second-hand books. For your Laun books see members of the ninth grade of last year. Please see if you can secure these books affected consult President Wilson for in- and report to me not later than Friday morning, in order to avoid delay.

All pupils who have been study ng during the summer will please report at the school building at 9
