"BAYER CROSS" ON ASPIRIN

Always Ask for Genuine "Bayer Tablets of Aspirin"

Only Aspirin Tablets with the safety "Bayer Cross" on them are genuine "Bayer Tablets of Aspirin" owned and made by Americans and proved safe by millions of people. Unknown quantities of fraudulent Aspirin Tablets were sold recently by a Brooklyn dealer which proved to be composed mostly of Talcum Powder.

"Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else! Proper directions and dosage in each Bayer package.

Aspirin is the trade mark of Bayer Manufacture of Monoacetic-acidester of Salicylicacid.

GIRLS' LEMON JUICE IS A SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a quart containing three ounces of alcohol white makes a whole quart of the most remarkable lemon skin whitener at about the cost of one cent per quart for a small jar of the ordinary cold cream. Care should be taken to strain the lemon juice through a fine cloth as no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sunburns and tan and is the ideal skin softener, whitener and conditioner.

Just try it! Get three ounces of alcohol white at any drug store and two lemons from the grocer and make up a quart of this lovely fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

School Shoes

When they are in their tender ages it is mighty easy to ruin their little feet. You cannot be too careful in choosing the shoes your child should wear. KITTNER sells the kind of shoes that follow the natural lines of a child's foot. Do not punch, cramp or make corns. They are the kind of shoes that give excellent service too. And, as most folks know, KITTNER'S prices are much lower.

Always glad to show you

Mallory Hats

About the first question our salesmen will ask you, when you try on one of our new Mallory Hats

Is "How does it feel?" In other words they ask "How does it look?" The difference is that we will first select a hat that will become you, and we know that a "Mallory" Hat will look right, so what we want to know is whether the hat feels right on the head. Be sure to have a look in our window this week and come in and prove what we say.

Diarrhoea in Children.
For diarrhoea in children on your old order you will find nothing better than Chamberlain's Colic and Diarrhoea Remedy, followed by a dose of castor oil. It should be kept at hand and given as soon as the first unnatural looseness of the bowels appears.
