

Look! Here's the globe spread out flat before your eyes. See that star? Every time you see a U.S. Navy ship was on September 2nd, 1919. The Navy travels the seven seas.

Don't you want to see the World?

ROMANCE is calling to you! Strange and smiling foreign lands are beckoning to you. Shove off and see the world!

Learn to "parley-vo" in gay France. See the bull-fights in Panama. See surf-riding on the beach of Waikiki.

Learn the lure that comes with the swish and swirl of the good salt sea. Eat well—free; dress well—free; sleep clean—free; and look 'em all straight in the eye—British, French, Chinese, Japanese, Spaniards, Egyptians, Algerians and all manner of people.

Come! Be a real man of the world. See the world. See it with

the red-blooded, hard-working, hard-playing men of the U. S. Navy.

Pay begins the day you join. On board ship a man is always learning. Trade schools develop skill, industry and business ability. Thirty days care-free holiday each year with full pay. The food is good. First uniform outfit is furnished free. Promotion is unlimited for men of brains. You can enlist for two years and come out broader, stronger and abler.

Shove off—Join the U. S. Navy. If you're between 17 and 35 go to the nearest recruiting station for all the details. If you don't know where it is ask your postmaster.

Shove off! - Join the U. S. Navy

NO use arguing about it, or making chin-music in a minor key! If you've got the jimmy-pipe or cigarette makin' notion cornered in your smokeappetite, slip it a few liberal loads of Prince Albert!

Boiled down to regular old between-us-man-talk, Prince Albert kicks the "pip" right out of a pipe! Puts pipe pleasure into the 24-hours-a-day joy us class! Makes cigarette rolling the toppest of sports! P. A. is so fragrant, so fascinating in flavor, so refreshing!

Prince Albert can't bite your tongue or parch your throat! You go as far as you like according to your smoke spirit! Our exclusive patented process cuts out bite and parch!

Tappy red bags, tidy red tins, handsome pound and half-pound tin humidors—and that classy, practical pound crystal glass humidor with sponge moistener top that keeps the tobacco in such perfect condition.

Catarrhal Deafness Can't be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a ringing sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Starb H Medicine.

DEATH OF MR. COOPER.

The End of a Long and Useful Life—From the Pen of One who Has Known Him Long.

Died near Weldon, N. C., at the home of his son, Mr. Thomas A. Cooper, on Monday morning last, Mr. H. S. S. Cooper, in the 78th year of his age.

The writer of this small appreciation of Mr. Cooper has perhaps known him as long as any one now living in Weldon. Her mind goes back to a beautiful Sabbath day in July 1865, when at old Pierce's church she first met him, a young Confederate soldier, just returned from following the fortunes of the immortal Lee and sacrificing almost life itself for a cause dear to his and all of our hearts. From that day to this not one word has she ever heard that would mar the escacheon of this, the noblest work of God, a MAN. Of his life prior to this we are not informed, but in the early seventies he came to Weldon as a druggist for Mr. T. A. Clark whom he served faithfully and well until Mr. Clark closed his business and retired into private life. Mr. Cooper was then employed as a druggist by Dr. A. R. Zollkofer behind whose prescription counter he was known for his careful and faithful attention to the needs of the suffering people of Weldon to whom he was called to give relief, always careful, accurate, polite and interested he won the confidence and respect of all. Prior to his coming to Weldon he married Miss Elizabeth Harvell, of Halifax county, who, a few years ago, preceded him to the better land. Together they reared a large family of sons and daughters all of whom are filling well their places in different parts of the land they having gone out from the home nest and are making homes of their own. Into these homes "father" was always welcome and since the death of his wife his time has been divided among these children who loved him well. He was buried at the family burying ground at the home of Mr. A. H. Green. The funeral services were conducted by Rev. Father O'Brien, of Durham, as Mr. Cooper in childhood was educated in the Roman Catholic faith and was a true and loyal member of that church. The floral offerings were very beautiful and the ladies of the Junius Daniel Chapter U. D. C., had lovingly draped the casket in the folds of the flag of the Bill Johnston Camp Confederate Veterans of which he was an interested and active member. MRS. IDA WILKINS.

BEE RAISING.

Last week Mr. C. L. Sams, specialist in Beekeeping, visited our county to see what the prospects were for the successful raising of bees on a profitable scale. After taking a trip through the upper part of the county, it was not until Mr. Sams saw the growth of Tupelo Gum and Black Gum in Beach Swamp, that he decided there was much of a chance of growing bees on much of a scale. Wherever these two trees grow there is abundance of honey furnished in early spring. In localities where Gallberries and Huckleberries grow around the swamp the conditions are almost ideal. Although there are other plants which furnish honey, the above named plants, when growing near together, make the most ideal conditions for bees in this section. Bee colonies spaced all along Beach Swamp, from Enfield to Scotland Neck should prove profitable, probably more so down in Rose-nath township.

Those interested should see the county agent, Mr. Frank G. Tarbox, so that he can arrange with Mr. Sams to come down next spring and give some methods of handling them.

"These Rats Wouldn't Eat My Best Grain," Says Fred Lamb.

It's hard to keep rats out of a feed store. Tried for years. A neighboring store sold me some RAT-SNAP. It worked wonders. Gathered up dead rats every morning. Bought more RAT-SNAP. Haven't a rat now. They wouldn't eat my best grain when I threw RAT-SNAP around."

NATURE PROVIDES INGREDIENTS.

Argo-Phosphate, the New Herbal Remedy, Now Endorsed By Local People.

If the digestive organs are not properly performing the work which nature has assigned to them, then nutrition, which is absolutely essential to the recovery of other diseased parts, will be lacking and there can be no permanent relief. When bodily nutrition is normal, the stomach digests the food, the blood elaborates and carries the nourishment to the different parts of the body, causing the various organs to properly perform their functions.

Nature has provided a remedy in the ingredients of Argo-Phosphate, the new herbal stomach remedy, which is now being introduced here. It is purely vegetable and its vitalizing, corrective and reconstructive qualities are so pronounced that beneficial results are noticed from the first day. That this is true, it is only necessary to listen to the statements made daily by local people who have given Argo-Phosphate a fair trial and have been benefited thereby. It is dispensed by Weldon Drug Co.

CATCHING COLD?

Mintol Often Prevents Pneumonia

It is surprising to read in the daily papers of treatments that our forefathers and grandmothers used for coughs, colds, catarrh and bronchial affections. It impresses the writer with the fact that modern scientific research had not advanced an iota, when, as a matter of fact, there have been wonderful advancements in the treatment of all diseases and conditions that bring on disease. Just because grandmothers used old-fashioned mustard blisters for relieving colds and congested conditions it is no sane reason why we should resort to the old antiquated methods when there have been such wonderful improvements and new discoveries of remedies which are far more effective and less painful to use.

SPECIAL NOTICE.—A druggist said the other day that a customer came into his store and inquired for a mustard plaster and he suggested to the customer that they try MINTOL as a more modern treatment for congested conditions. The customer accepted the druggist's suggestion and in twenty-four hours the same customer came into the drug store and said, "How long have you handled MINTOL?" The druggist replied that he had been handling it for some little time and the customer frankly stated that he never would use a mustard plaster or plaster for coughs, colds or any congested conditions again. There are hundreds of others who would say the same as this druggist's customer did, if they would only try Mintol. If your druggist cannot supply you we will mail you a jar on receipt of price, 25c., 50c. and \$1.25 a jar. The Home Relief Laboratories, Boston, Mass. For sale by Weldon Drug Co.

School Shoes

When they are in their tender ages it is mighty easy to ruin their little feet. You cannot be too careful in choosing the shoes your child should wear. KITTNER sells the kind of shoes that follow the natural lines of a child's foot. Do not pinch, cramp or make corns. They are the kind of shoes that give excellent service too. And, as most folks know, KITTNER'S prices are much lower. Always glad to show you.

ATTENTION! Sick Women

To do your duty during these trying times your health should be your first consideration. These two women tell how they found health.

Helena, Pa. "I took Lydia E. Pinkham's Vegetable Compound for female troubles and a displacement. It did all kinds of good and was very useful. I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and felt better right away. I am keeping house since last April and doing all my housework, where before I was unable to do any work. Lydia E. Pinkham's Vegetable Compound is certainly the best medicine a woman can take when in this condition. I give you permission to publish this letter."—Mrs. E. W. Christman, R. No. 1, Hellam, Pa.

Lowell, Mich. "I suffered from cramps and dragging down pains, was irregular and had female weakness and displacement. I began to take Lydia E. Pinkham's Vegetable Compound which gave me relief at once and restored my health. I should like to recommend Lydia E. Pinkham's remedies to all suffering women who are troubled in a similar way."—Mrs. ELVA HEIM, R. No. 6, Box 51, Lowell, Mich.
