

Heard you the first time

The live wire dealer doesn't have to hear you, at all, for that matter. He gives you **Polarine Motor Oils** because he knows they are the best. **Polarine Motor Oils** provide an unbreakable film which keeps the cylinder walls smooth and the piston rings fitting tight. They hold every ounce of power right behind the pistons, and don't break down as the cylinder heat rises.

The Most Welcome Tire That Ever Came to Market

Men Who Appreciate Superlative Values Prefer The Brunswick

In every great tire factory, the chief question is: "How much can we give for the money?" And the product depends on the policy adopted. Every man who has become acquainted with Brunswick Tires knows that Brunswick standards are again evident. This famous concern— noted as a leader in every fine it entered since 1845— has once more proved that its policy is right. A perfect tire is simply a matter of knowledge and standards and skill. No secrets nor patents prevent making an ideal tire. But standards come first. For in tire making there is vast room for skimping, for subtle economies, for hidden shortcomings. Makers without the highest standards don't build high-grade tires. The Brunswick organization of tire makers includes a brilliant staff of technical experts. Not a man

among them has spent less than 20 years in handling rubber. Each is a master of his craft. And the new ideas they bring to the attention of Brunswick directors receive sincere consideration. Every proved betterment is adopted unanimously. The Brunswick Tire is a combination of acknowledged features— plus Brunswick standards of manufacture. The result is a super-tire, the like of which you have never known before. The kind of a tire you will gladly join in welcoming. Yet Brunswicks cost no more than like-type tires. Try ONE Brunswick. We promise a surprise. And we feel certain that you will want ALL Brunswicks. Then good tires will have a new meaning to you.

Chamberlain's Cough Remedy.
 This remedy is intended especially for coughs, colic, croup and whooping cough. From a small beginning its sale and use has extended to all parts of the United States and to many foreign countries. This alone is enough to convince one that it is a medicine of more than ordinary merit. Give it a trial and you will find this to be the case.

An Agreeable Surprise.
 "About three years ago when I was suffering from a severe cold on my lungs and coughed most of the night and day, I tried a bottle of Chamberlain's Cough Remedy and was surprised at the promptness with which it gave me relief," writes Mrs. James Brown, Clark Mills, N. Y. Many another has been surprised and pleased with the prompt relief afforded by this remedy.

Constipation.
 The beginning of almost every serious disorder is constipation. If you want to enjoy good health keep your bowels regular. This is best accomplished by proper diet and exercise, but sometimes a medicine is needed and when that is the case you will find Chamberlain's Tablets are excellent. They are mild and gentle in their action, easy and pleasant to take. Give them a trial. They only cost a quarter.
