Weldon, N. C.

DEATH OF MR. MATT. W. RANSOM.—The many friends and acquaintances will learn, with deep regret, of the death of Mr. Matt. W. Ransom, who died in Richmond, Va., on Wednesday evening of last week, after a lingering illness of several years. He was the eldest son of the late Senator M. W. Ransom. Until his health began to give way he was a farmer in Northampton county on a very large scale, but on account of very feeble health, was forced to leave the farm. He then moved to Littleton and has made it his home for the past few years. He leaves a wife, formerly Miss Nemie Johnston, one daughter, one sister and four brothers and many friends to mourn his death. His remains were taken to Littleton and the interment was at the cemetery in that town. May the great Comforter give the greatest consolation to those who most deeply feel his loss.

THE FIDELIS CLASS.—On last Friday evening Mr. and Mrs. R. T. Daniel were at home to the Fidelis Class of the Weldon Baptist church.

Their home was a scene of beauty. A profusion of potted plants and Japanese lanterns adorned the spacious porch, cut flowers were in abundance in the reception hall, parlor and dining room.

Dr. Haywood, of New York, and Mr. W. E. Daniel offered helpful suggestions as to making our class a more efficient one.

Immediately following this the guests were invited into the reception hall and parlor in which had been placed twelve groups of objects, each group representing one of the twelve months. The guests were asked to stand at the group which represented their birth month. Then came a contest consisting of twelve jumbled letters and figures, the logical arrangement of which resulted in the words, "R. T. Daniel 1919." These words were placed on a red and white banner and presented by Dr. Haywood to Mr. R. T. Daniel as a souvenir from the Fidelis Class, of which he is the faithful and esteemed teacher.

Delicious salads, ices and mints were served.

Those present were: Dr. Haywood, of New York; Mr. Stedman, of Halifax; Miss Annie Gregory, of Jackson; Mr. and Mrs. W. E. Daniel, Eugene Daniel, Mr. and Mrs. D. B. Howell, Mrs. Blalock, Mrs. R. R. Rodwell, Mrs. H. C. House, Mrs. N. S. Barnes, Mrs. C. L. Allsbrook, Mrs. Rodwell, Mrs. Mohorn, Mrs. Hunter, Mrs. Chappell, Misses Theresa Dickens, Esther Allsbrook, Bridgers, Maud Harris, and Oris Shoulers.

SMALLPOX AND VACCINATION.—This seems to be an opportune time to have something to say about smallpox and vaccination, as we see from the daily press and reports from the Bureau of Epidemiology that there is no little smallpox in North Carolina, and there are two cases in Halifax county, when there should not be a case in North Carolina.

There are two cases of smallpox in Weldon township at the present, and there are a number of scattered cases throughout North Carolina. There is no law for quarantining smallpox, the vaccination is an abjection. If every one were vaccinated there would be no smallpox. The county health officer will furnish the vaccine and do the work free, do your part.

PAUL C. CARTER,
 County Health Officer.

Advantages of country life.—plenty of meat, butter, eggs and milk. No rent profiteers. A movie that shows regularly, with no fear that the actors will strike. No race riots. Plenty of room for children, dogs and cats.

Work.—the surest way of drowning sorrow and gaining happiness. Idleness—the road to misery, unhappiness and sin.

THE ROANOKE NEWS

THURSDAY, OCT. 16 1919.

LOCAL INTELLIGENCE.

The air feels frosty these mornings. The snappering season is about over.

Mrs. W. S. Wilkins, of Norfolk, is visiting relatives in town.

Mr. J. A. Johnston, Jr., spent a few days at the Richmond fair last week.

Mr. and Mrs. C. E. Williamson have returned home from their bridal tour.

Miss Susie Parker who teaches school in Rocky Mount, spent the week end in town.

Many people have just enough conscience to keep them tolerably miserable all their lives.

Mrs. W. L. Knight, who has been visiting relatives in Tennessee, has returned home.

Your coal goes a long way when burned in Cole's Hot Blast Heaters. They are fuel savers.

Mr. Charlie Liberto, of Baltimore, was in town this week. His many friends were glad to see him.

The locust and persimmon crop is not very large this year. The blooms were killed in the early spring.

Mr. Ameal Ribal who has been spending some time in the northern cities, has returned home much improved in health.

Our merchants have fine and selected stocks of goods and are ready to sell you. Look over our advertising columns.

Miss Minnie Brickell, of New York, who has been visiting relatives in Weldon and vicinity, left Monday night for Jacksonville.

The Weldon Cotton Manufacturing Company is erecting a power station, the engine house 20x40 feet of brick and is nearly completed.

Mr. A. S. Allen has a very fine lot of cotton on the road, near the fair grounds. The yield will doubtless be one bale or a bale and a half per acre.

The corn crop on the old fair grounds is the finest to be found anywhere in this county. We believe it will yield at least, ten or twelve barrels per acre.

Mr. D. R. Anderson visited Raleigh last week. He went as a delegate to the meeting looking to the securing of the freight rates in this county. Mr. Anderson reports a very enthusiastic meeting.

JAY'S COURT.—There were 15 cases collected in fines in the mayor's court during the last six months. Four cases were sent on to higher court. Those "who must pay the fiddler."

MEETING POSTPONED.—On account of illness of the pastor, Rev. Pardo, the contemplated church services at the Presbyterian church has been postponed to some future time. Due notice will be given.

HORSE INJURED.—On Friday the Weldon Grocery Company's fine dray horse was knocked down while crossing a railroad track by a shifting engine and jerked out on the back. Dr. W. A. Carter was sent for and rendered medical aid, but it will be some time before the horse will recover. The dray which was practically completely demolished.

The new finished MAJESTIC range—sanitary, easy to keep clean, economical, and a beauty. At our store next week and let factory representative explain you the advantages of the range and its reputation.

A DELIGHTFUL DANCE.—There was a delightful dance given at the hall last Friday night. Quite a number of ladies and gentlemen tripped the light fantastic for several hours. The soldier band made the music, and it was indeed very fine.

BIRDS WILL BE SCARCE.—Owing to the extreme wet weather during the past summer, birds will be few and far between. So there will not be much sport among the birdmen this season. They will have to be satisfied with "clay pigeons" this season.

WILL INCREASE CAPITAL.—The Weldon Cotton Manufacturing Co. will increase its capital stock 33 1/3 per cent to take care of improvements and additions to its plant. This includes installation of two hundred H. P. electric power plant driven by Diesel oil engine. Work is progressing and the power plant will soon be ready for operating.

THE 43RD INFANTRY.—A part of the 43rd Infantry pitched their tents in the park last week. They have a most excellent band and gave us delightful music every afternoon during their stay. They are a very gentlemanly set of young fellows and their object here is to get recruits for the regular army. They travel in auto trucks and go from here to Rocky Mount.

VALUABLE LOT SOLD.—The lot on Second and Walnut streets belonging to Mrs. M. C. Pair has been sold to Messrs. R. S. Travis and R. A. Harris, the purchased price being \$3,000. This lot will be used for the Weldon Foundry and Machine Shop. Work on the building will be commenced in a short while. This kind of enterprise has long been needed in this community and we have no doubt will prove very profitable.

A WHOLESALE STEALING OF CHICKENS.—Mr. T. J. Griffin who has a chicken yard on 7th street had the misfortune on last Thursday night to lose 120 chickens at one time, and it was on the light of the moon, too. Just think what would have happened had it been dark. If any one should hear of a great chicken fry or a big Brunswick stew anywhere in this community, they will know at once that Mr. Griffin furnished the chickens.

STATE SANITARY INSPECTORS BEGIN THEIR WORK.—The people of North Carolina, on October 1, became acquainted with an entirely new experience. The State Sanitary Inspectors began their work in their respective districts on that date, and this was the first instance of exactly this kind in the history of the nation. It happens that in this step, which is considered generally as the most progressive step ever taken by any State, North Carolina leads the way as usual.

The object of the law itself is simply to protect one man against his careless or ignorant neighbor, and inspector is merely charged with the faithful execution of the law.

We cannot live our lives alone. We are born into families, into communities, and every little word and deed has its influence upon those about us. Often we cannot see the good or evil we are doing, but nevertheless we do have influence, and ought therefore to be careful what we say and do.

When you buy a range that has proved itself to be the best, your money has been well invested. The Majestic Demonstrator will, during the week commencing Oct. 20th, show you why the Majestic is the best and actually saves you money. Weldon Furniture Co.

CLOCKS TURN BACK SUNDAY, OCTOBER 26.—General uncertainty as to when the clocks of the nation may be turned back and daylight saving abolished seems to have resulted from the recent act of Congress in repealing the act. In answer to recent numerous inquiries the statement has been made that the clocks may not be turned back until the last Sunday in October, or, to be precise, until 1 a. m. Sunday, October 26.

THURSDAY AFTERNOON CLUB.—The Thursday Afternoon Club met with Mrs. C. Foster last week and a very pleasant afternoon was spent. It was a source of deep regret that all members could not be present. After the business meeting was over, the hostess, assisted by Mrs. Frank Cole, served a delicious salad course.

The club adjourned two meet in two weeks with Mrs. Craig Cornwall, at the home of Mrs. L. W. Murphrey.

AMERICAN RED CROSS.—Please take notice that the annual meeting of the Weldon Chapter of the American Red Cross will be held on October 22nd, 1919, at 3:30 o'clock, p. m., in Bachelor's Opera House, Weldon, for the election of an Executive Committee or Board of Directors, the consideration of and action upon reports, and the transaction of all other business which may properly come before the said meeting. Each member of the Chapter is urged to be present.

MRS. E. L. HAYWARD, Sec.

SCHOOL NOTES.—After consultation the faculty has decided to dispense with the honor roll for the first month of school.

Our high school boys have been rather successful in base ball this year, having played eight games and lost only two. The best and hardest fought game, with Seaboard on her own grounds resulting in a score of 9 to 8 in our favor.

On Wednesday of this week Seaboard comes to Weldon for the return game. Let the town turn out and encourage the boys.

We are beginning medical inspection in our schools. In case we send you a card please fill out and return by child. W. B. E.

GREAT CHANGES.—We heard a farmer say the other day, that he had just sold a five hundred pound bale of cotton for \$200. Just think of one bale bringing in \$200. We can remember if a farmer sold a bale of cotton for \$40, he thought he was getting a very good price.

But then great changes have taken place. White side meat then sold for 6 cents per pound, hams 10 cents per pound, chickens sold for 15 and 20 cents a piece, and old hens never sold higher than 25 cents a piece, no matter how large they were. Take us back to the old times and the old prices, say we.

B. Y. P. U. SOCIAL.—On last Tuesday evening the B. Y. P. U. held its third quarterly social at the home of Mr. and Mrs. W. E. Daniel.

An enjoyable feature of the evening was a "Personal Characteristic" contest in which both young and old participated. Hence our honorary members are as eager to attend the socials as are our youngest members.

After this merriment the guests repaired to the dining room where delicious sandwiches, peas and hot chocolate were served. Mrs. Daniel then favored us with several of her choice piano selections, after which we, reluctantly, departed for our homes, wishing that a quarter of a year was less than three months.

Needed Protection
 Keep your body well nourished and strong and there is little danger. It's essential that you keep up your resistance. There are thousands of families who would not dream of being without the protection that

SCOTT'S EMULSION
 affords. The right idea is to start in the fall with Scott's Emulsion and be protected for a strenuous winter. It's Scott's you ask for.

WANTED.—To buy good house and lot in Weldon. Will pay cash. Address Box 266, Weldon, N. C.
