## CHINESE BECOME SOCIAL PIONEERS

Men and Women Form Good Fellowship Club Together Under Y. W. C. A. Leadership.

The Good Fellowship Club has made its appearance in society in Hanchow, China.

It began with the desire of a progressive young Chinese doctor to give his compatriots, especially the Christians, some healthful form of social intercourse.

Channels for a good, clean, social life among Chinese people are very limited. Until recently becoming a Christian often meant cutting oneself off from one's friends and relatives, also from feast days and festivals. As for joint meetings of men and women—well, such a thing was never heard of in recent society.

The young doctor's plan of having a club where men and their wives might come together to enjoy a good time with each other was disapproved and snuffed at. However, a few people agreed to be pioneers in the cause of social intercourse, and Y. W. C. A. secretaries agreed to help make the club a success.

At first the meetings of the club were laughed at by outsiders and the whole affair considered a joke. However, the members kept on meeting, first at one house and then at another. Soon the men got over the feeling of strangeness at starting out with their wives on Tuesday evening for a friend's home. The women began to enjoy the outing and to take part in the discussions—an intelligent part, too—much to the surprise of their husbands.

The membership grew. The club's fame began to spread. At first the discussions of the club were conducted in English. Soon it became necessary for them to be carried on in Chinese so that more of the women could understand and take part. Many of the members began to apply for admission. The members began indulging in much friendly chaffing and occasionally forgot their dignity to play jokes on one another. Finally it became so large that it had to be divided into two sections, which met separately three Tuesday evenings in the month and on the fourth Tuesday met together for a joint session, with a special program.

Students just returned from American and German colleges, an old Buddhist scholar who is particularly interested in the discussion on Buddhism and Christianity, merchants, railroad and government officials compose the men's side of the club. The women are still a bit shy about talking in front of so many people, but many of them show signs of great executive ability and power of leadership. They are all well poised, clear thinking individuals, who will have a great influence on China's future. They discuss among themselves group meetings in their various churches, the lack of amusements for Chinese women, social service work, subscription lists for the orphanage, cake making, types of stoves, baby dolls, the latest amusements and other topics, such as one would hear discussed by any group of women gathered together any place in America.

The social part of the evening is given over to games, which at first astounded the other Chinese gentlemen, but which they take up with great zest after the first evening. They and their wives enjoy it just as greatly.

Best American pianos are the latest thing which the club has tried, and they are a great success. A Christmas play is being planned now.

## OUR SHRINES.

BY MAJOR JOSEPH BONDY.

O, Pilgrim, at this lowly shrine  
From that far land that once was mine,  
Here proud we fought, and here we lie,  
We who are dead, yet did not die.

Here with our Country's Flag unfurled  
We conquered wrong and saved the world;  
Here let no tear bedim the eye  
For in your hearts we will not die.

Take back this message to our kin:  
"We made no compromise with sin;  
We held our Country's Standard high  
We who, though dead, will never die."

## STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

Calomel loses you a day! You know what calomel is. It's mercury, quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

## Take "Dodson's Liver Tone" Instead!

When you feel listless, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel, just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salfivate. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

## Polk Miller's Liver Pills

The Old Fashioned Kind that do the work. The same formula for 50 years. Unrivalled for Biliousness, Sick Headache, Constipation and Malady. At all druggists. Manufactured by Polk Miller Drug Co., Inc., Richmond, Va. 10c.

### Catarrhal Deafness Can't be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and as the tube becomes closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever. One case out of ten is caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Remedy.

Do not think you are too young to get this medicine. It is sold by all druggists. Hall's Family Pills are the best.

### Where There's A Baby on Farm Keep Rat-Snap.

### "These Rats Wouldn't eat My Best Grain," Says Fred Lamb.

It's hard to keep rats out of a feed store. Fred has years' experience. A neighboring store sold me some RAT-SNAP. It worked wonders. I saturated my feed bins every morning. I bought more RAT-SNAP. Haven't a rat now. They wouldn't eat my best grain when I throw RAT-SNAP around.

Some puns are almost as pointless as women's pencils.

### Constipation.

The beginning of almost every serious disorder is constipation. If you want to enjoy life, keep your bowels regular. This is best accomplished by proper diet and exercise, but sometimes a medicine is needed. When that is the case you will find Chamberlain's Tablets are excellent. They are mild and gentle in their action, ease and pleasant to take. Give them a trial. They only cost a quarter.

Talk isn't always cheap when money talks.
