Mr. R. A. Windham,
Atlantic Coast Realty Company,
LaGrange, N. C.

Dear Sir:—

I am writing to express to you my sincere appreciation of your efforts in securing for me the splendid sale of the property of my sisters and myself and Mrs. E. J. Hadley, in LaGrange, on the 19th instant. Candor impels me to admit that we were not only delighted at the sales but that you secured for us results that surpassed our expectations. I do not mean by this that I think the property sold too high, for I have much confidence in LaGrange and believe that the purchasers not only got good value but are fortunate in their purchases.

The excellent results obtained are to be attributed largely to your Company, the wide advertisement that you gave the sale and the good business judgment and tact manifested in attracting a large crowd and in conducting the sale itself brought results which have well pleased those whom you represented, and doubtless it is a source of much gratification to yourself.

Again thanking you, and with best wishes,

Yours very truly,

(Signed) N. J. ROUSE.

LIVER DIDN'T ACT DIGESTION WAS BAD

Says 65 year Old Kentucky Lady, Who Tells How She Was Relieved After a Few Doses of Black-Draught.

Meadowville, Ky.—Mrs. Cynthia Higginbotham, of this town, says: "At my age, which is 65, the liver does not act so well as when young. A few years ago, my stomach was all out of fix. I was constipated, my liver didn't act. My digestion was bad, and it took so little to upset me. My appetite was gone. I was very weak. I decided I would give Black-Draught a thorough trial as I knew it was highly recommended for this trouble. I began taking it. I felt better after a few doses. My appetite improved and I became stronger. My bowels acted naturally and the least trouble was soon righted with a few

doses of Black-Draught." Seventy years of successful use has made Theodor's Black-Draught a standard household remedy. Every member of every family, at times, need the help that Black-Draught can give in cleaning the system and relieving the troubles that come from constipation, indigestion, lazy liver, etc. You cannot keep well unless your stomach, liver and bowels are in good working order. Keep them that way. Try Black-Draught. It acts promptly, gently and in a natural way. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c a package—One cost a dose. ARMISTICE DAY CELEBRATION.

The Whole County Entered Into the Spirit of the Day and Nearly Every Section was Well Represented.

TUESDAY, NOVEMBER 11TH was indeed a gala day in Weldon. A big crowd, a fine parade, good speaking, free dinner for the musicians and soldiers, a game of football in the afternoon completed a program which had been well planned and was carried out to the letter with not a disagreeable feature from beginning to end. The whole county entered into the spirit of the day and nearly every section was well represented. Many of our merchants, too, showed their loyalty and patriotism by an elaborate display of flags and bunting in the national colors, and the stores were beautiful in their holiday dressing. The floats were especially fine, many of them displaying artistic skill in conception and execution of the various ideas they were intended to represent. One of these from Roanoke Rapids representing the cotton manufacturing interests of that city was worthy of special mention. One from Scotland Neck, representing a submarine, or perhaps the gunboat "Albatross" was fine—one from Aurelian Springs depicting a farm wagon loaded with husky farmers was well carried out and the county school exhibit and other interests were well featured. In the Weldon floats the one from the school bearing the legend "Democracy's Greatest Asset" pictured a class of high school girls in gowns and caps and little Margaret Sledge teaching a class of first grade pupils which she acted out so well as to receive the commendation of the Superintendent. The Book Club, at whose suggestion the celebration was undertaken had as their special feature "Americanization," their study for the year and was represented by ladies in the costumes of the different nationalities who come to our shores. The Thursday Afternoon Club had perhaps the most unique and dainty of the whole. This was a huge birthday cake, surmounted by one candle typifying

this the first anniversary of the signing of the Armistice and deserves special mention for this appropriate feature.

Both banks had fine displays; the Red Cross, representing home work, the Veterans of the Civil War, the Junius Daniel Chapter U. D. C., the Boy Scouts, the different automobile agencies and other business concerns all combined to make this a season of beauty and rejoicing.

One amusing feature was the introduction of a farm tractor, bearing the inscription "Goodbye Mule" followed by one of that species mournfully proclaiming "I have lost my job."

Also a country scene showing an ancient well, which in this advanced age is pretty "Weldon."

The music by the Aurelian Springs Band and the ladies of Weldon gave interest and enthusiasm to the crowd.

At the close of the march the crowd assembled at the Red Cross headquarters in the Weldon Furniture store, which had been beautifully decorated. After a most fervent and inspired prayer by Rev. F. M. Shamburger, Mr. G. C. Green in beautiful language welcomed the men in uniform of which had gathered all who could be reached of soldiers and sailors of the county who had borne a part in the great world war.

He then introduced one of the speakers, Dr. Job Taylor, Roanoke Rapids, who was followed by other speakers as given below.

After dinner a match game of Foot Ball, the first ever played in Weldon, was played by the freshmen teams of A. S. E. and Wake Forest Colleges. This was won by a score of twelve to 0, by the A. S. E. The game was enjoyed by a good crowd, which would perhaps, have been larger, had it not threatened rain.

Would space admit, we would like to give an outline of each speech, but where all were good, we will only say, "Gentlemen, come to Weldon again and help us to make our town 'A City Beautiful.'"

The ladies of the Book Club wish to return special thanks to the marshalls, Maj. R. T. Daniel, Dr. S. B. Pierce, Dr. Gino Sutter, Mr. Howard Bounds and Mr. R. C. Cornwall for their work in directing and carrying out the long line of trucks and cars without any accident. To the Mayor and Mr. G. C. Green for efficient services rendered and to all who so enthusiastically entered into the plans for the success of the day.

EX-KAISER WILHELM is said to be particular about the neckties he wears, but the world at large thinks the one most becoming to him will have the other end attached to a lamp post.

If the cost of all these Republican "investigations" were as small as the spirit which prompts them perhaps no one would wish to criticize them.

WHAT is claimed to be the largest hog in the world was sold in Hannibal, Mo., recently at public auction for \$11,000, which is also claimed to be the highest price ever paid for a Poland China pig in this State. The hog is forty-four inches tall and eighty-four inches in length, and weighs 1,100 pounds.

THANKSGIVING DAY.

Thursday, November 27. Set Aside by President Wilson As National Holiday.

President Wilson set aside Thursday, November 27th, as Thanksgiving day in a proclamation which said the country looked forward "with confidence to the dawn of an era where the sacrifices of the nations will find recompense in a world at peace."

"Wherefore, I, Woodrow Wilson, President of the United States of America, hereby designate Thursday, the 27th of November, next, for a day of thanksgiving and prayer by my fellow countrymen, inviting them to cease on that day from their ordinary tasks and to unite in their homes and in their several places of worship in ascribing praise and thanksgiving to God the author of all blessings and the Master of our destinies.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done in the District of Columbia this 5th day of November in the year of our Lord, one thousand nine hundred and nineteen, and of the Independence of the United States the one hundred and forty-fourth.

WOODROW WILSON."
