

Lay a bet on rolling 'em with

# PRINCE ALBERT

the national joy smoke

ROLLING your own cigarettes with Prince Albert is just about as joyous a sideline as you ever carried around in your grip! For, take it at any angle, you never got such quality, flavor, fragrance and coolness in a makin' cigarette in your life as every "P. A. home-made" will present you!

Prince Albert puts new smokenotions under your bonnet! It's so delightful rolled into a cigarette—and, so easy to roll! And, you just take it like you been doing it since away back! You see, P. A. is crimp cut and a cinch to handle! It stays put—and you don't lose a lot when you start to hug the paper around the tobacco!

You'll like Prince Albert in a jimmy pipe as much as you do in a home-rolled cigarette, too! Bite and parch are cut out by our exclusive patented process. You know P. A. is the tobacco that has led three men to smoke pipes where one was smoked before. Yes sir, Prince Albert blazed the way. And, me-o-my, what a wad of smokesport will ripple your way every time you fill up!

"Mr. Crabtree, I've saved up \$3,000 and I want to marry your daughter."

"Do you realize that \$3,000 won't last long nowadays?"

"Oh, yes, sir. But it ought to take care of us for at least six months and at the end of that time if I haven't convinced you that I'm an ideal son-in-law you needn't do a thing for us."

**THIS WEEK, NERVOUS MOTHER**

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, nervous, tired, my back ached, and I felt sick most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months and I feel fine and can eat anything now without distress or nervousness." Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

**MR. DOOSON WARNS USERS OF CALOMEL**

Says Drug Acts Like Dynamite on Liver and You Lose a Day's Work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dooson's Liver Tonic—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can't get salivating.

Children and grown folks can take Dooson's Liver Tonic, because it is perfectly harmless.

Labeled as a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a quantity of Dooson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dooson's Liver Tonic better than horrible calomel your money is waiting for you.

**School Shoes**

When they are in their tender ages it is mighty easy to ruin their little feet. You cannot be too careful in choosing the shoes your child should wear. KITTNER sells the kind of shoes that follow the natural lines of a child's foot. Do not pinch, cramp or make corns. They are the kind of shoes that give excellent service too. And, as most folks know, KITTNER'S prices are much lower. Always glad to show you.

**Brunswick Principles In Fine Tire Making**

The reason you are interested in the name on your tire is that it identifies the maker. By knowing the maker you can judge his ideas of manufacture.

The only secret of a superior tire lies in the principles of the maker. His standards decide the quality. For there are no secrets in the tire industry.

What you get depends on what is behind the name on your tire. Brunswick tires are made in a very old concern, jealous of its good name. Since 1833 the House of Brunswick has been famous the world over for the quality of its products.

The Brunswick Tire is all that you expect—and more. Your feet are well looked after. You'll agree that you've never known a better. And you'll tell your friends. So spreads the news among motorists. The Brunswick is the most welcome tire that ever came to market.

Try one Brunswick Tire. Learn how good a tire can be built. And remember, it cost no more than 100-type tires.
