

Women Who Suffer From Backache and Headache

Dr. Pierce's Favorite Prescription is the best medicine I have ever taken. I suffered with backache and headache for a long time. I would have to give up and lie down. I suffered with backache and pain in my side. I could not eat or sleep and I got where I was a physical wreck when I saw the Favorite Prescription advertised and decided to give it a trial. It completely cured me of the feminine trouble and restored me to good health. -MRS. ALICE McCLURE, 1019 1/2 Ave. N.

Many of Your Neighbors Can Say The Same

Mrs. Wilson writes: "For many years I have depended on Dr. Pierce's medicine to keep me well and healthy. I was once reduced to bed by the use of the Favorite Prescription and the Golden Medical Discovery, when other doctors had failed to give me relief. Dr. Pierce's Favorite Prescription is equal to a woman's medicine. The Golden Medical Discovery is one of the best spring tonics of blood medicine I have ever taken. I always keep Dr. Pierce's Pleasant Pellets in the home for use when needed. They are a fine system regulator, acting on the liver, stomach and bowels. -MRS. E. C. WILSON, 660 N. 6th St.

Any medicine dealer will supply you with Dr. Pierce's Favorite Prescription or Golden Medical Discovery in either liquid or tablet form. All women who suffer from feminine troubles are invited to write the Faculty of Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for free confidential consultation and advice, no charge being made for the high professional services. This will enable every woman to benefit by the advice of these distinguished physicians.

Mrs. W. L. Knight, Mrs. W. A. Pierce, Miss Addie Williams, Mr. and Mrs. R. T. Daniel, Mr. and Mrs. C. R. Emry, and Mr. B. G. Rodwell, attended the concert in Raleigh last week, where the great singer, Galli-Curci, delighted the people with her magnificent voice. They were loud in their praise of this wonderful singer.

FORGIVE AND FORGIVEN.—Of him that hopes to be forgiven it is indispensably required that he forgive. It is, therefore, superfluous to urge any other motive. On this great duty eternity is suspended, and to him that refuses to practice it, the throne of mercy is inaccessible, and the Saviour of the world has been born in vain.

OH, THE SNOW, THE BEAUTIFUL SNOW.—People awoke Monday morning to find the ground covered with snow, really the first of the season. But it did not last long before a slow rain commenced to fall. Really if we owned any one we had day and if he refused to take it Monday in settlement of the debt in full, we would positively refuse to pay.

BROWN SUGAR.—Women who have to use brown sugar in place of white may need to know one thing that was a commonplace to their grandmothers: that it should be stored where it is damp rather than dry. Granulated white sugar takes when it gets too moist; brown sugar cakes when it gets too dry. If your brown sugar becomes lumpy, put it into the cellar for a few days, or into an earthen crock.

STRAYED.—From my place Sunday morning, one spotted Jersey cow. Finder will be rewarded. J. T. HOLLOMAN, Weldon, N. C.

WE THINK SO.—When an individual persistently ignores his home newspaper should that newspaper in return ignore the individual who deems the paper unworthy of his support.—News Reporter.

A REAL LONDON FOG.—This community was visited three days and nights last week with a dense fog. This was very unusual, to say the least of it. Some of the boys who have been there, say it was a real London fog. We sometimes have heavy fogs in the fall of the year, but really, this rarely ever happens in the dead of winter.

GET BUSY, YOUNG MAN.—Here is a cheerful word for the young man who has been afraid to use his brains for fear that such usage would shorten his life.

Contrary to the common belief, statistics show that the people who are great thinkers and who develop their minds to the fullest capacity are the ones who live the longest. So get busy, young man, and do some thinking. You may be a second Methuselah.

MEETING OF THE THURSDAY AFTERNOON CLUB.—The Thursday Afternoon Club met with Mrs. F. J. Bounds on January 22.

After the business meeting the following program was enjoyed: Musical numbers by Miss Katherine Ward.

A paper, "Family Accounting," by Miss Willie Black Musgrove.

A paper, "The State Judiciary," by Mrs. R. C. Cornwall.

Miss Mabel Vincent assisted the hostess in serving delicious refreshments.

LAUGH ALL YOU CAN.—A sense of good humor is a dangerous thing to be without.

But if you have it it will picture amusing things where there are none, like a magic lantern. It will focus your view point on a pleasurable understanding of the humorous that is broad enough even to include yourself. A good laugh at your own expense will take the edge off the sting of the worst hurt. Such a laugh attracts the good fellowship of others. "Laugh, and the world laughs with you; weep and you weep alone."

CELEBRATES HER 16TH BIRTHDAY.—Miss Margaret Garlick entertained quite a number of her friends last Saturday evening at her beautiful home on Elm street, the occasion being her 16th birthday.

There were about 30 guests present from town and five from Richmond. The Richmond guests were: Mrs. J. L. Howell, Mr. J. M. Howell, and Misses Edna Howell, Nora Patterson, and Elizabeth Warthen. The house was most artistically decorated for the evening, and the guests enjoyed themselves in various games and plays. Delicious refreshments were served and the guests were unanimous in voting Miss Margaret a most gracious and charming hostess. The hostess received quite a collection of nice and costly presents.

THE LAND SALE LAST WEEK.—There was another big sale of town lots adjoining the western suburb of Weldon last week, but they failed to bring the fancy prices which they sold for a short while ago. This land is between Chockayoite creek and the town limits.

On the banks of the Chockayoite creek adjoining this plot of ground is another plot owned by the Junius Daniel Chapter U. D. C., on which about one hundred and fifty Confederate Soldiers who died in hospitals in Weldon were buried. The whole tract some years ago came into the hands of W. D. Smith, a colored man, who gave the cemetery to the "Daughters" who hope some time to have it improved and cared for. On the outskirts of the lot the breastworks made nearly sixty years ago are still to be seen.

PUBLIC DEBATE.—The children of the 4th, 5th and 6th grades who compose the Junior Literary Societies of the school, gave a very interesting debate on January 21st, at the Graded school. The exercises were in charge of the Josephus Daniels Society and the question was "resolved that Jackson was a greater man than Lee."

The debaters were Vivian Sanders and William Pierce for the affirmative and Walter Lee Scott and Elizabeth Green negative. The children each did well and sustained their parts in a manner which would have done credit to those of older growth, but the judges gave the decision to the negatives. Little Miss Rutenhouse also recited the "Sword of Lee."

It is fit and proper that the lives of these great men should be held up for examples to our children and those in charge are to be commended.

RUB-MY-TISM is a great pain killer. It relieves pain and soreness caused by Rheumatism, Neuralgia, Sprains, etc.

PUBLIC HEALTH NURSE.—At a meeting of the representatives of the various Red Cross Chapters of Halifax county, held last Wednesday, January 21st, in the auditorium of the Graded school at Weldon, the proposition of securing a Red Cross Nurse for public health nursing in Halifax county, was discussed.

As two or three chapters were not represented no final action was taken and the matter was postponed until Wednesday, January 28th, at which time each chapter is urged to send a representative authorized to vote the will of the chapter, in making the necessary arrangements for the work.

COUNTY SANITARY INSPECTION.—Mr. P. W. Majette, Sanitary Inspector of the State Board of Health, has been detailed to Halifax county. His first work will be the enforcement of the Sanitary Privy Law, which went into effect October 1st, 1919, and there will be no excuse accepted for not complying with the law.

All persons who have built sanitary privies in the last few months are asked to report same to the County Health Department at Weldon at once. These reports will be a benefit to the Health Department and to you as well.

PAUL C. CARTER, Health Officer.

MEETING OF THE MOTHER'S CLUB.—The Mother's Club, Mrs. W. Pierce, president, held a very interesting meeting in the School auditorium on Friday evening last.

The program consisted of community singing, several vocal solos, short talks by Prof. Edwards, Mr. R. D. Jenkins, on welfare work, Dr. Paul C. Carter, all time health officer and a fine address by Mrs. L. P. Harrison, of Raleigh. Mrs. Harrison in a charming manner gave many helpful suggestions for the furtherance of the community work in which the club hopes to engage. While in Weldon she was guest of Mrs. W. A. Pierce, on Washington avenue.

DEATH OF MRS. MOSELEY.—Died at the home of Mr. J. A. Musgrove, in Weldon, on Monday, January 26th, Mrs. Martha Virginia Moseley in the 89th year of her age.

She was born in Lunenburg county, Va., in June 1831, and came to North Carolina about the year 1865, to be with her sister, Mrs. Dr. A. B. Pierce, who lived in Halifax county. Not long after this she was married to Capt. J. M. Moseley, who has been dead for a number of years.

Her later life has been spent in Weldon among a large circle of friends and relatives to whom she was very dear and tenderly cared for her declining years. Of these are: Mr. W. A. Pierce, Mr. J. W. Pierce, Mr. O. W. Pierce, Dr. S. B. Pierce, Mrs. J. A. Musgrove, Mrs. Lee Johnson, of Weldon, Mrs. W. S. O'B. Robinson, of Goldsboro, and others, some of whom live in the old home county of Lunenburg, Va., and some in Richmond. She was buried in Cedarwood cemetery, the services being conducted from the home by Rev. L. D. Hayman, pastor of the M. E. Church, of which she had long been a member.

And so passes another of the "Old Regime." A woman born in affluence into a large family of brothers and sisters, who after serving their day and generation were gathered home, leaving her with no nearer ties than that of nieces and nephews. Mrs. Moseley was a woman of fine culture, refined feelings, and a devoted relative and friend. She remained active until some months ago she began the decline, which, with a ripe old age, was the cause of her death.

To her relatives and friends, we offer our sympathy, with congratulations for a noble life well spent, which has ended in a triumphant reward.

TRUE LOVE OF WOMEN.—No woman will love a man better for his being renewed or prominent.

Though he be the first among men, she will be prouder, not fonder; as is often the case she will not even be proud. But give her love, appreciation, kindness, and there is no sacrifice she will not make for his content and comfort. The man who loves her well is her hero and king—no less a king, though his only kingdom is his hearth and home. In nine cases out of ten, it is a man's fault that he is unhappy with his wife. It is a very exceptional woman who will not be all she can be to an attentive husband, and a very exceptional one who will not be very disagreeable if she finds herself wilfully neglected.

It is said that George Washington never went fishing in his life. This may account for his truthfulness.

RUB-MY-TISM is a powerful antiseptic; it kills the poison caused from infected cuts, cures old sores, tetter, etc.

FACTS VS. HABIT. BEVO is cheaper than water? The most of our sickness is brought on by impure water and the most of our water is impure. You drink the germ water, because it does not cost at the drinking, then you get sick and, if you live, you have lost a lot of time, suffered terribly and-- A BIG DOCTOR'S BILL TO PAY. What a price for a drink? Bevo satisfies the thirst, but does not cause the sickness, because it is pure. Compare the cost and get the right idea without the sad experience. DRINK BEVO AND BE HEALTHY. CAROLINA BEVERAGE Co. SCOTLAND NECK AND WELDON.

WANTED. Footer's Dye Works, America's Biggest and best Cleaning and Dyeing Establishment is desirous of placing an agency in Weldon, with some reliable firm or person, on a liberal commission basis. Prompt Service on Cleaning and Dyeing. Address FOOTER'S DYE WORKS, Cumberland, Md. YOUR FATHER.—"What's the matter with father? He's all right." You may have sung it; you probably think it. But have you ever told him so? Fathers are taken too much for granted these days. They receive a great deal of silent appreciation which leaves them feeling quite like a necessary evil. Especially if there are all women in your family, try to include father in that general spirit of comradeship, not just when you want something, but at all times. Try doing the things he likes when it doesn't happen to suit your convenience particularly. Don't discourage his little surprises or attentions, because, in the blundering masculine fashion, they are not anything you would really want. You will probably discover after a short time, that there is a lot more to father, aside from the visible means of support, than you thought there was. Summons for Relief. State of North Carolina, Halifax County, In the Superior Court. VIRGINIA SUGGS, Plaintiff Vs. GEORGE SUGGS, Defendant. To the Sheriff of Halifax county: You are hereby commanded to summon George Suggs, defendant, above named, if he be found within your county, to be and to appear before the Clerk of the Superior court of Halifax county at the court house in Halifax county, on the 19th day of February, 1920, and answer the complaint which will be taxed by the clerk. Herein fail not, and if this summons make due return. Given under my hand and seal of said county this 13th day of December, 1919. S. M. GARY, Clerk Superior Court.
