

What men who do big work say about overalls—

"I've tried a lot of overalls, but at all I've worn, give me Blue Buckles every time. They always give long wear."

Fred McCulloch
President of the Iowa Corn and Small Grain Growers' Ass'n.

"There's heavy work at the shipyards. That's why I stick to Blue Buckles. They're sure to give long wear and comfort."

Edward Gibson
Champion Riveter
U. S. Shipyards

To Dealers:—If you want to know where to get Blue Buckles, write to Blue Buckle Overalls, Lynchburg, Va., and we will give you the name of your nearest jobber.

FRED McCULLOCH is one of the biggest corn growers in his state—Edward Gibson is the champion riveter of the U.S. Shipyards—James Heberer runs the Twentieth Century Limited—these men know their jobs from top to bottom.

And they know what to wear on the job. They know how much good, strong, comfortable overalls mean when you do big work.

That's why all three wear Blue Buckles. That's why more men wear Blue Buckles than any other overall in the world.

Tough, longest-wearing denim, sewed with wide, double-stitched seams, goes into every pair. Blue Buckles are big and roomy. They never rip or bind. First-class workmanship makes every detail about Blue Buckles right. They have heavy riveted brass buttons, best quality buckles and loops, a solid back-band, big, convenient, reinforced pockets, and extra wide suspenders. All Blue Buckle coats have free swing, raglan sleeves.

Ask your dealer for Blue Buckles.

"I wear Blue Buckles on every run. They're tough as raw hide and fit easy all the time."

Jacob Heller
Engineer of the Twentieth Century Limited

LIFT CORNS OR CALLOSES OFF

Doesn't hurt! Lift any corn or callus off with fingers.

Don't suffer! A tiny bottle of Frezone costs but a few cents at any drug store. Apply a few drops on the corn, callus and "hard skin" on bottom of feet, then lift them off. When Frezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never more tender or irritated.
