### Effects of Constipation.

Constipation causes a stoppage of the sewerage system of the body. The poisonous refuse matter that should be carried away is retained in the system and often poisons the blood and causes numerous disorders. No one can afford to neglect his bowels. A dose of Chamberlain's Tablets will afford relief. Avoid drastic cathartics as they take away too much water out of the system and their use is likely to be followed by constipation.

A little boy, whose sprained wrist had been relieved by bathing in whiskey, surprised his mother by asking "if papa had a sprained throat?"

### For The Liver and Bowels

When your liver and bowels become torpid get a bottle of Chamberlain's Tablets. They will tone up your liver and cause a gentle movement of the bowels. They also improve the digestion.

Sprinkle places infected by ants with borax, and you will soon be rid of them.

### Chamberlain's Cough Remedy a Favorite.

Chamberlain's Cough Remedy is a favorite with the mothers of small children for colds, croup and whooping cough. Its pleasant taste and the prompt cures which it effects has won the good opinion of mothers everywhere. As this remedy contains no opium or other narcotic it may be given as confidently to a baby as to an adult.

Apply castor oil once a day to warts for two to six weeks, and they will disappear.

A little fellow who wore striped stockings was asked why he made barber poles of his legs. His reply was, "Well, ain't I a little shaver?"

### A Good Medicine for the Grip.

Gen. W. Waller Gardner, Me., relates his experience with the grip. "I had the worst cough, cold and grip and had taken a lot of trash of no account. Chamberlain's Cough Remedy is the only thing that has done me any good whatever. I have used one bottle of it and the cold and grip have left me."

Lime water beaten up with sweet oil is an excellent mixture for burns.
