GRAMMAR AS IT IS WRIT.

Evidently the Third Man Had "Slipped Up on the Spelling of Somewhat Familiar Word.

First Sergeant Grizzell of the Spokane recruiting station vouches for the following incident, which occurred when three of the applicants of that station were making an application to the director of the United States Marine Corps Institute, Quantico, Va.

Two of the applicants had spelled the word grammar as "grammer," and were busily making corrections when the third applicant came along. He asked: "What are you changing the word grammar for?"

"Why, we spelled it wrong," answered one of the applicants. "Give me that rubber," said the third man. "Darned if I ain't spelled it with two m's myself."

CRUEL.

Miranda: "Is Nydia pretty?"
Dorothea: "Well, I should say the only chance she has to be fallen in love with is over the telephone."

BUT HIS LOVE LASTS LONGER.

The college professor who says that after a man is thirty years old he is guided by common sense in falling in love must have forgotten that there's no fool like an old fool.

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor. Just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her. "I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. . . I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all drug stores. E 55

Certificate of Dissolution.

To All to Whom These Presents May Come—Greeting.

Whereas, It appears to my satisfaction, by duly authenticated record of the proceedings for the voluntary dissolution thereof by the unanimous consent of all the stockholders, deposited in my office, that the Roanoke Railway Company, a corporation of this State, whose principal office is situated in the town of Weldon, County of Halifax, State of North Carolina, (W. E. Daniel being the agent therein and in charge thereof, upon whom process may be served), has complied with the requirements of Chapter 21, Revised of 1905, entitled "Corporations," preliminary to the issuing of this Certificate of Dissolution.

Now, Therefore, I, J. Bryan Grimes, Secretary of State of the State of North Carolina, do hereby certify that the said corporation did, on the 27th day of June, 1921, file in my office a duly executed and attested consent in writing to the dissolution of said corporation, executed by all the stockholders thereof, which said consent and the record of the proceedings aforesaid are now on file in my said office as provided by law. In Testimony Whereof, I have hereto set my hand and affixed my official seal at Raleigh, this 27th day of June, 1921.

J. BRYAN GRIMES, Secretary of State.

THE LADIES.

The world is so full of the wonderful ladies Who smile with the radiance known of the sun; The world is so full of remarkable ladies Who wield all the power of heaven and hades, It's really absurd to go wild about one.

If Fate hands the ardent admirer a twister And "she" throws him down with a dull, sick'ning thud, He ought to forget her and go find her sister— For sisters she has by the millions, O mister! And each is as charming and pretty a bud.

Now, someone has said, and there's quite a lot in it, That women like trolley cars, keep going by; If one hides her heart so you really can't win it, Another will be right along in a minute; You only lose time when you mope and you sigh.

So be not discouraged at her farewell letter; Cheer up, saddened swain, there is still hope for thee. The one you went batty about when you met her, You're probably lucky that you didn't get her, And there are more girls than the sands of the sea.

TRUE.

Jack—How did Bob come to lose Gladys?

Henry—Oh, he swore he'd always keep her in mind.

"Well?"

"His rival came along and took the girl herself in his arms."

"EXCUSE IT, PLEASE."

Voice at the Phone: "Hello—hello—that you, George? Listen, old man. I'm up against it and I'm looking for a little financial succor again."

Voice at the other End: "Say, do you mean to insinuate—?"

GENEROUS BEQUEST.

There recently died in Illinois an aged farmer, reputed to be wealthy. After his death, however, it was discovered he left nothing. And his will ran like this:

"In the name of God, amen. There's only one thing I have. I leave the earth. My relatives have always wanted it. Now they can have it."

QUITE EVIDENT.

The teacher screamed, clasped one arm and registered genuine agony.

"A bee stung me," she shrieked, shaking that much mashed offender out on the floor.

"Yep," piped Johnny Jones. "I seed it crawlin' up your sleeve."

"Then why didn't you tell me?" the exasperated teacher demanded.

"Cause," replied the guileless Johnny. "I knowed you'd find it out."

THERE YOU ARE.

"What is the shape of the world?" asked the village schoolmaster.

"Don't know sir," piped the class.

"Well, what is the shape of my snuff box?"

"Square, sir."

"No, no; I don't mean that one. I mean the one I use on Sundays."

"Round, sir."

"Now, then; what is the shape of the world?"

"Square on week days and round on Sundays, sir!"

VICTORY.

On the day after the armistice that ended the not-so-late war a Southern mountaineer, driving down from the hills on one of his rare visits to town encountered a whiskered squirrel hummer.

"What was that racker down to the Forks last night, stranger?" he inquired. "Red lights and fireworks and sechlike. Sounded like it might be some sort of a celebration."

"I shore was," said the other.

"Did 'ny hear? The war's over?"

"It's? Say, did we—did we win?"

"We shore did."

"Hoary!" shouted the mountaineer. "It took a leetle more time than I expected but I never had a doubt for one darn minute but what we'd finally lick them damn yanks."

Mrs. Linda Harrod Endorses Chamberlain's Tablets.

"I suffered for years with stomach trouble and tried everything I heard of but the only relief I got was temporary until last spring I saw Chamberlain's Tablets advertised and procured a bottle of them from our druggist. I got immediate relief from that dreadful heaviness and pain in the stomach after eating. Since taking two bottles I can eat anything I want without distress," writes Mrs. Linda Harris, Ft. Wayne, Ind.
