Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment. Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

MAROOINED FOR THREE YEARS.

Sailor's Long Period of Loneliness on Small Island Located in the South Seas.

Marooned occasionally brings about a modern Crusoe, just as it did with Alexander Selkirk, who was put ashore, at Juan Fernandez, and whose adventures gave DeFoe the foundation for "Robinson Crusoe." The trading schooner, Queen Charlotte, passing a small island in the Marquesas in the South seas, landed her boat to investigate the smoke of a fire, as it was understood the island was uninhabited. Here was found a United States seaman, who had been put ashore with 3 shipmates by their captain, on account of their mutinous conduct. The three others had died, but the man from Connecticut had contrived to live on the fish he caught, and the breadfruit and coconuts and other products which he could gather. When rescued after three years' loneliness, his utensils consisted of great shells, and two cups which he possessed, made from the skulls of his companions.

NOT RESTING BUT WAITING.

Idiot Boy, According to Judge Gary, Very Much Like the Rest of the World.

Judge Gary was talking at a dinner about the world's industrial situation.

"All over the world," he said, "labor is earning more and producing less. In England, for example, there are more coal miners employed than ever and the production of coal is lower than ever. English labor reminds me of an idiot boy.

"A farmer, out of pity, gave an idiot boy a job. Then one afternoon the farmer walked across his farm to see how the boy was doing. He found him lying on the grass under a tree smoking a cigarette.

"Well, Looney," he said—the boy was known as Looney in the village—"Well, Looney, what are you doing? Resting?" "Looney took his cigarette out of his mouth and answered: "'No, boss, I ain't resting, 'cause I ain't tired. I'm just a-waitin' here waitin' for the sun to go down so's I kin quit work.'"

DIDN'T KNOW HE WAS DEAD?

They arrived at home late from the party. Wife took off her hat and slammed it on the floor. Then she confronted her hubby.

"I'll never take you to another party as long as I live!" she said.

"Why?" he calmly wanted to know.

"You asked Mrs. Jones how her husband has been standing the heat."

"Well, her husband has been dead two months."—Exchange.

FITTING FOOD.

"That girl has a complexion like peaches and cream and lips like twin cherries."

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't over hungry. I knew, by this, I needed a tonic, and as there is none better than—"

CARDUI The Woman's Tonic

"I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took two bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have had similar results just as Mrs. Burnett did. It should be your next purchase at the drug store.

HIS SENSIBLE BRAIN.

"She is selfish and spoiled," cried his sensible brain; "Uncertain and thoughtless and terribly vain, And all she would bring you is infinite pain."
"Perhaps," said his heart, "but I love her!"
"You're a fool!" said his brain. "She is playing a game; There's a look in your eyes that she feels she must tame. You are just one more moth to be burned by the flame."
"I know," said his heart, "but I love her!"
"And you know if you put her affection to test," Said his brain, "you'd find out what already you've guessed, That she'd saw with a smite, 'You are just like the rest,'"
"Oh, it's true," cried his heart, "but I love her!"

THE SUMMER WINDS.

BY FRANK L. STANTON.

Blow in, O winds, from summer banks of violets droppin' dew,
And whisper all the secrets the summer sings to you.
From groves where starlight sings to you.
On honeysuckle vines
And wildwood vineyards reeling with ripening muscadines!

Blow in, O winds, from meadows green, where soft moonlight dwells,
And waft us dream sweet echoes of tinkling cattle bells;
From rivers cool and deep
That seaward sing and sweep,
And rills that ripple sunshine and rock the flowers to sleep!

Blow in, O winds, with blessing for all the stormy years,
And be your breath the breath of Love, in light, that shines through terrors;
And blow the blossoms sweet
From many a dim retreat,
And twine them in Love's tresses, and lay them at Love's feet!
