30x3 1/2 STANDARD NON-SKID

The Fastest Selling Tire In America

The increasing popular demand for the Firestone Standard 30x3 1/2 inch tire over a period of years has given us big volume. Our Plant No. 2 devoted wholly to this tire with a capacity of 16,000 tires and 20,000 tubes per day cuts costs on every operation. On May 2, we dropped our price to \$13.95 passing on to the car owner the full benefits of this big sales volume and this labor-saving plant. This tire has been our standard for years—four plies long staple fabric—extra gum between plies—heavy non-skid tread. The greatest value ever offered car owners. Insist on Firestone.

Our Cord Tire Values

Firestone Cord tires are made exclusively in Plant No. 1. Our process of double gum-dipping each ply of cord gives thicker insulation. The massive non-skid tread, with extra thickness where wear is most severe, gives real effectiveness in holding the car against slipping and adds many extra miles of service.

Firestone Cord tires are sold at the lowest prices in cord tire history: 30x3 1/2, \$24.50; 32x4, \$46.30; 34x4 1/2, \$54.90.

COURT WEEK.

Next Monday, August 15th, Superior Court convenes at Halifax, Judge Calvert presiding. There will doubtless be a full two week's term, as there are forty-six cases on the civil docket. We publish in full the civil docket for the convenience of our readers who may have business at court.

GOING TO VIRGINIA NOW.

Owing to the very stringent law in this State, runaway couples are going to Virginia now to get married.

The following couples were married at Emporia, Va.:

Mr. William Brown, of Columbia, S. C., and Miss Taylor, of Roanoke Rapids, were married at the Baptist parsonage, on July 25, Rev. C. T. Taylor, officiating.

Mr. Frank Woodell and Miss Leola Phipps, both of Roanoke Rapids, were married at M. E. Church parsonage, on August 2, Rev. B. C. Candler, officiating.

Mr. Eulas Marlin and Miss Eva Midget, both of Rosemary, were married on July 31st, by Rev. B. C. Candler.

THE BOY SCOUTS.

The following was sent to the News and Observer from Elizabeth City: "The Weldon Boy Scout troop that was marooned on Frog Island, in lower Pasquotank county, by a storm of engine trouble and a reason, stopped over at Elizabeth City on the way to Norfolk, and was entertained by Troop 5 of the local Scouts at the Chamber of Commerce assembly hall Tuesday night. The hall was attractively decorated in American flags.

The entertainment opened with a speech by Secretary Job, followed by a brief talk by Scoutmaster Morrisette Pendleton, of Troop 5. The Scouts played games, after which ice cream and other refreshments were served. The visiting Scouts were later shown through the Chamber of Commerce quarters, and at 9:30 all went down to the Weldon Scouts' boat for an hour of fun."

ANNOUNCES ENGAGEMENT.

Mrs. Harry Smith Scores at Cards For Attractive Bride-to-Be.

On Tuesday morning from eleven to one Mrs. Harry Smith delightfully entertained the ladies of Weldon at Progressive Auction and Rook, this affair announcing the engagement of one of Weldon's most attractive young ladies, Miss Mary Ellen Travis.

Mrs. Smith greeted the guests on the spacious porch, which was beautifully decorated in golden red, and directed the guests to the reception hall where each guest found her place card, a bride and groom, with her name thereon.

Tables were set for forty-eight players, and at the end of the game, Mrs. Smith announced the lucky contestants which won the top prizes, vanity boxes, to Miss Eva Swanback, of Greensboro, Miss Katherine Ward, of Weldon, and Miss Marvel Mitchell, of South Weldon; table prizes, miniature brides, to Mrs. L. C. Draper, Mrs. D. B. Zollicoffer, Miss Mary Blalock, Miss Bishop, Mrs. D. B. Byrd, and Mrs. DeLeon F. Green, of Parkersburg, W. Va.

The honoree, Miss Mary Ellen Travis, received a miniature Bride and Groom, coincidentally. Mrs. Smith announced the prizes, and the arrival of a telegram from Mr. Troy Myatt, of Smithfield, the lucky winner of "hearts" in this game his beautiful prize, Miss Mary Ellen Travis to be presented in the Episcopal church, October 5, 1921.

The living room and dining room were tastefully decorated in pink roses and crepe myrtle.

Mrs. Smith, assisted by Miss Ward, Mrs. C. W. Gregory and Mrs. John Zollicoffer, served delicious ice cream molded in shape of golden wedding bell and slippers.

The Bride-to-be, Miss Travis, beautiful in her creation of blue taffeta, wearing a corsage of Bride's roses, was showered with good wishes. Each departing guest led hearts as rumps to Miss Travis so that in "life's game" they could be doubled and redoubled in happiness and prosperity.

POOR SHOW—POOR CROWD.

The Sanger circus gave two performances here last Friday, which in our opinion, was as near nothing as ever "came down the pike." They advertised to have the largest elephant in the world, but when the show arrived, the people were informed that the elephant had died on the way. Whoever heard of an elephant dying? We always understood that it took two cannons to kill one. The old canvas, with a thousand holes, was doubtless discarded by the first circus performing here after the civil war. The seats were dirty and broken up matched the canvas. The crowd was in keeping with the show. There was a fairly large crowd in town, but they did not attend the show. You cannot fool all the people all the time.

NEURO KILLED.

Walter Ward, a well known colored farmer, was shot and instantly killed near his home three miles of Enfield at about ten-thirty Monday night, and Robert Bell, a son-in-law of Ward's, is being held charged with the crime. Ward was at a store a short distance from his home talking with a party of other colored men when he was shot at close range with a shot gun. The shot was fired through a window in the side of the building. The authorities were immediately notified and Bell was arrested. Coroner Rowe, held the inquest Tuesday morning and evidence sufficient to hold Bell was brought out at the hearing and he was committed to jail without bail to await the next term of Halifax Criminal Court which convenes Monday, August 15th.—Enfield Progress.

REWARD OF MERIT.

"What's the most attractive feature of farm life?" asked the city dweller.

"Knocking off work on Saturday and going to town in the flivver," said the truthful agriculturist.

A bride is never really and truly happy unless she thinks some other girl envies her.

Warning to young people who contemplate matrimony—brimstone is at the end of all matches.
