

Make Your Own Soap!

Women all over the country are learning that the soap they make at home is better, purer and more economical than factory made soap.

Just save the household grease that now goes into the garbage. Buy a can of Red Devil Lye and follow the plain, easy directions for soap-making. Each canful saves you fully a dollar!

Good Soap From Waste Fats!
But Use Red Devil!

Red Devil Lye has such tremendous strength and power that every canful will turn waste grease into many big cakes of splendid laundry soap. Easy to do. Follow directions, right on the label.

Saves You A Lot Of Money

You are paying 80 cents to a dollar for as much soap as you can make with a can of Red Devil Lye. And the soap you buy is not as pure as you can make yourself from the fat and scraps you now waste! Your home-made soap will contain all of the natural glycerin and will be free from the adulterants so common in factory made soaps.
