

How's Your Appetite?

When Stomach Distresses You, Take This Advice

Newport, Ky. — "About three years ago I had become all run-down in health. I had poor appetite and suffered with indigestion and severe headaches. The main trouble appeared to be my stomach. I was advised to get Dr. Pierce's Golden Medical Discovery, and I did so, and before I had taken a half dozen bottles I was well as ever and have had no stomach trouble since." — Mrs. Lida Sayers, 625 Elm St.

You can quickly put yourself in A-1 condition by obtaining Dr. Pierce's Golden Medical Discovery in tablets or liquid, or write Dr. Pierce, president Jaywalk Hotel in Buffalo, N. Y., for free confidential medical advice.

SOME BUSINESS FACTS.

A close student of business conditions, writing in a trade magazine of price movements and changing volume of business, remarks that "the line of demand, which varies as people are economical or extravagant, is rarely more than ten per cent. above or below normal."

Another business expert remarked recently that the actual difference in the volume of goods handled, or business done, between boom times and dull times, was only about 18 per cent.

Such figures sound incredible at first, but they are probably near the truth.

The difference between good times and bad times is greatly exaggerated. Certain industries may be affected lightly. Some classes of merchants may have their trade cut in two, but merchants in general suffer far less than that.

Even in the present admittedly serious pit of depression, figures show that the volume of goods passing over the counters of retail stores throughout the country is almost as great as usual, and in some cities it is greater. The big drop is not in volume of goods but in volume of prices.

The employment situation, too, is distorted by imagination. From wide-spread reports of unemployment, one might suppose that nobody has a job.

The fact is that there is concentrated idleness in certain communities which specialize in certain industries that happen to be hard hit, but the big majority of working people are working about as usual.

And, too, there is the great farm population and the professional people and nearly all the business people who are working right along pretty much as usual.

By the same token, most people whether busy or idle, imagine they are worse off in dull times than they are.

It is not the bulk of business, but the margin of business, that makes what we call prosperity or depression. The tail may come times seem to wag the dog, but still the tail is not the dog.

THE RUSSIAN COLLAPSE.

Twenty million persons in Russia are on the verge of starvation and yet there has been no crop failure in that country. The trouble is that under the soviet rule the transportation system and the currency system have broken down.

The railroads have been allowed to go to ruin and the money issued by the government is worthless.

All trade is now done on a barter basis. A man exchanges something that he has for something that he wants. There is no credit.

Farmers have more foodstuffs than they need, but there is no market for the surplus. People in the cities and towns are out of food, but they have nothing to give the farmers in exchange for it. They are out of work, and even if they could get work and receive money for their work, the money would be worthless and the farmers would not take it.

The disaster has been brought on by the crazy dream of soviet control of the government and all government activities. Soviet rule means that all men are equal and have an equal voice in the government. Ignorance and incompetence are put on the same level as experience and ability.

The old government in Russia was corrupt and despotic, and people suffered. The old government deserved to die, and this new government doesn't deserve to live.

Hundreds of thousands of persons are going to starve to death under soviet rule. There will be a change of some kind after awhile, and then conditions will begin to improve, but what a fearful price will have been paid for a change in government.

MEETING AT BAPTIST CHURCH

Closed Sunday Night With Fine Results

The revival services at the Baptist Church closed Sunday night. The attendance for the entire week was fine. At the closing service the seating capacity of the church was taxed to overflowing. Possibly more people attended the services than any ever held in Weldon.

Mr. Furman Bents, of Raleigh, led the song service and did it splendidly, till Saturday, when he had to leave for a meeting at the State University. Rev. Marshall Craig of the First Baptist Church, Petersburg, Va., acted the pastor for a week and greatly endeared himself to the people of Weldon. For four years he was pastor at Kinston, where he was greatly loved by all the people. They did not willingly give him up to Petersburg, and while here, eight of his friends from there came up to spend a few hours with him and to hear him preach again.

His presentation of the gospel was earnest, tender, appealing, with the charm of eloquence and the spirit of his Master. He only came for a week, but it aroused a pity that he could not remain longer as the meeting had just reached that stage where we might look for large visible results. The cooperation of the Christian forces of the town was beautiful and highly appreciated. It is to be hoped that the meeting continuing in the M. E. Church this week will round up the work so splendidly begun and that the whole series of meetings will prove a great moral and spiritual uplift to the town and community.

PRE-NUPTIAL AFFAIR.

Mesdames D. B. Zollicoffer and J. B. Zollicoffer Entertain in Honor of Miss Travis.

On Tuesday evening, October 4, from nine to eleven, Mrs. D. B. Zollicoffer and Mrs. J. B. Zollicoffer opened the attractive home of the former, for the entertainment of the many friends of Miss Mary Ellen Travis and Mr. Troy Myatt, Little Elizabeth Travis and Melville Zollicoffer received cards. Miss Susan Fitzhugh showed the guests upstairs to the cloak room. Mrs. W. A. Pierce greeted the guests and presented them to Mrs. T. C. Harrison, who in turn introduced them to the receiving line, which was arranged in a crescent-like shape in the north parlor.

Those receiving were: Dr. and Mrs. D. B. Zollicoffer, Mr. and Mrs. J. B. Zollicoffer and little daughter, Miss Mary Jane Zollicoffer, Mrs. Braxton Johnson, Dr. and Mrs. A. R. Zollicoffer, Mr. and Mrs. R. S. Travis, Miss Mary Ellen Travis, Mr. Troy Myatt, of Smithfield; Miss Elizabeth Clark, of Washington, D. C.; Mr. Robert Mellons, Smithfield; Miss Aver Myatt, Smithfield; Mrs. Outlaw Hunt, Oxford; Mr. Seth Myatt, Smithfield; Miss Mary Pierce, Mr. Allison Travis, Miss Margaret Pierce, Mr. James Ballou, Oxford; Miss Charlotte Johnson, Raleigh; Mr. Ransom Sanders, Smithfield; Miss Lillian Joyner, Greenville; Mr. Gus Travis, Charlotte; Miss Sarah Holland Hester, New Bern; Mr. Stanford Travis, Jr., Miss Irene Myatt, Smithfield; Mr. St. Julian Spring, Smithfield; Mr. Allen Zollicoffer, Rosemary; Mr. Louis Travis, Halifax.

Mrs. L. C. Draper directed the guests to the dining room door where Mrs. Edwin Zollicoffer and Mrs. C. Foster received. Here Mrs. Harry Smith and Mrs. L. W. Murphey served delicious refreshments.

The guests were invited to the punch room under Mrs. W. L. Scott's direction, Mrs. J. W. Pierce, and Mrs. W. A. Simpson, of Portsmouth, Va., assisted by Mrs. S. B. Pierce, Mrs. W. B. Fitzhugh and Miss Kate Garrett, served refreshing punch.

Miss Florence Allen operated the Edison, thus furnishing lovely music throughout the entire evening.

The house was very artistically decorated in the flowers of the season.

After the departure of the guests the receiving line was invited to the dining room. The decorations here were green and white. Suspended from the chandelier was a canopy of white maline intertwined with asparagus fern. Dangling from this was a profusion of shower bouquets of "sweet alysium" tied with white ribbons.

The soft glow of innumerable white tapers enhanced the beauty of the huge wedding cake which was used as a centerpiece. From the cake each member drew a souvenir, tied with a little verse which, when read, formed an attractive romance relating to the attractive bride and "hers-to-be."

Catarrhal Deafness Can't be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

A Remarkable Record. Chamberlain's Cough Remedy has a remarkable record. It has been in use for almost half a century and has constantly grown in favor and popularity as its good qualities became better known. It is the standard and main reliance for these diseases in thousands of homes. The facts that it can always be depended upon and is safe and pleasant to take are greatly in its favor when it is wanted for children.

BUT isn't Mexico to be invited to the disarmament conference? And if not, why not?

To Gain a Good Reputation "The best way to gain a good reputation is to endeavor to be what you appear." That is precisely the manner in which Chamberlain's Cough Remedy has gained its reputation as a cure for coughs, croup and whooping cough. Every bottle that has ever been put out by the manufacturers has been fully up to the standard of excellence claimed for it. People have found that it can be depended upon for the relief and cure of these ailments and that it is pleasant and safe to take.

CALOMEL MAY TURN ON YOU NEXT TIME

Next Dose You Take May Salivate and Start World of Trouble.

Calomel is mercury; quicksilver. It crashes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into the system. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and feel great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.
