**CASTORIA**

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment. **Never attempt to relieve your baby with a remedy that you would use for yourself.**

**What is CASTORIA**

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

**HITS THE NAIL ON THE HEAD.**

What of the Young Girl Rachel?

The following from the pen of James Dempsey Bullock, of Wilson, comes pretty near hitting the nail right square on the head:

"We have noticed that several preachers lately have asked, 'What of the young man Absalom?' referring to the sins and crimes committed today, the responsibility for them and laying stress on the claim that our boys are not looked after properly.

They could also ask, 'What of the young girl, Rachel?' She certainly is not tending her father's flock when she is out at 11 and 12 o'clock at night with Absalom away from the busy haunts of men in an auto.

What this country needs today is a few old-fashioned mothers that know more about patching than politics, cooking than card parties, darning than divorces, meeting houses than motion picture shows.

Yes, we need the old-fashioned mother and father who believe in looking after the bringing up of their children instead of leaving it to some organization like the Y. M. C. A., Boy Scouts, welfare officer, etc. Some think if they pay into these organizations they have done their duty. These organizations are a power for good for children whose parents are unfitted to raise them, but nothing can take the place of the counsel and guidance of Christian parents.

If the world is ever going to be better, it must commence with the individual home. The world will never be saved by drives. If the Bible were written as things are today one of the commands would be, 'Parents, obey your children, seek first society and all things else will be added.'

Parents are willing today to sacrifice the souls of their children to get them into what is known as society."

## A Mystery Cake

Can you name it?

Here is another new Royal Cake, so delicious and appetizing that we have been unable to give it a name that does justice to its unusual qualities. It can be made just right only with Royal Baking Powder. Will you make it and name it?

All names must be received by December 15th, 1921. In case of ties, the full amount of the prize will be given to each tying contestant. Do not send your cake. Simply send the name you suggest, with your own name and address, to the

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—"

**CARDUI**

The Woman's Tonic

"I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should be in every household.

Among the witnesses called in a trial in a Southern court was an old darkey.

"Do you swear that what you tell shall be the truth, the whole truth and nothing but the truth?" intoned the clerk.

"Well, sah," returned the witness, shifting uneasily. "Dis lawyer gibbin' kin make a pow'ful lot easier on hisself an' relieve me of a mighty big strain of he'll leave out anything about gin an' chickens. 'Ceptin' fo' dose, Ah guess Ah kin stick to de truth."

**A Remarkable Record.**

Chamberlain's Cough Remedy has a remarkable record. It has been in use for almost half a century and has constantly grown in favor and popularity as its good qualities became better known. It is the standard and main reliance for these diseases in thousands of homes. The fact is that it can always be depended upon and is safe and pleasant to take are greatly in its favor when it is wanted for children.

**How Better Than Pills?**

The question has been asked: In what way are Chamberlain's Tablets superior to the ordinary cathartic and liver pills? Our answer is, they are easier and more pleasant to take and their effect so gentle that one hardly realizes that it is produced by a medicine. Then, they not only move the bowels but improve the appetite and strengthen the digestion.

**PAGING G. WASHINGTON.**

He had been fishing with no luck. On his way home he entered a fish market and accosted the clerk.

"John," he said, "Just stand over at that side of the store and throw me five of your biggest trout."

"Throw them? What's the big idea?"

"Just so I can tell the family I caught them. I may be a poor fisherman but I'm no liar."

**HER OBJECTION.**

"Do you like the modern dances?" he asked.

"No," the maiden replied primly. "I consider them only hugging set to music."

"And you dislike—"

"I never had any ear for music."

Many a man has set out to gather the fruits of victory, only to find them knotty and worm eaten.

**Catarhal Deafness Can't be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and until the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; since cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

**RED DEVIL LYE**

**UNREQUITED AFFECTION.**

What means that sad old word good-by  
That wells up from the heart?  
That often brings the bitter tear  
When loved ones have to part.  
Did not we know that absence brings  
A pang of sorrow deep,  
We might perchance not take on so  
Nor yet one tear drop weep.

But where's love's charm has brightest been  
Where love sweet faith has kept,  
'Tis hard to surrender all  
And try, and all forget.  
Had no loved word ere passed the lip  
Endearing terms unknown,  
The bitter stroke that harshly fell  
Might not have been my own.

But why should one hold vain regret?  
When withering hope lies dead,  
A faded flower can ne'er rebloom  
When on its leaves we tread.  
Just so, the heart is withered, crushed  
Where no responsive thrill,  
Shows forth from any act in life  
From lost affection's will.

Be it so, sweetheart once dear  
I yield! I will not chide,  
I failed to win a jewel fair  
Now sorrow must abide.  
But when the soothing hand of time  
Shall o'er me comfort fling,  
A brighter day may come my way  
And all dark clouds take wing.
