DO YOUR TOES SPREAD OUT?

Mary E. Bayley, R. N. Tells What, in an Expert's Opinion, the Feet Should Be Like

Does the great top of your foot for the big toes of both feet continue in a straight line from the heel? And do your other toes spread apart? If this condition exists you have good understanding says Mary E. Bayley, R. N., who tells in the Belknap what feet should be like. Her article has been approved by Dr. Turgill P. Gibney, surgeon in chief of the Hospital for the Relief of the Ruptured and Crippled, New York, and therefore bears the stamp of authority.

Too much care cannot be taken of the feet, Miss Bayley continues, as they are the keystone to correct body position and have much to do with one's health. Particular attention should be paid to shoe fitting between the ages of nine and fourteen, since this is the period of growth and expansion. Stockings, too, come in for discussion, as tight fitting ones compress the toes and interfere with the circulation.

"CROSSING THE BAR"

I've seen sweet days of childhood
Found hours of youth a dream,
Seen joys, and sorrows blended
My life a bliss one's been.
While joyous days of sunshine
And sweets from near and far,
Have crowded in my life to bless
Yet soon I'll "cross the bar."

You ask if age has softened
That silly stock of pride,
Which clings so in the youthful
life,
With age does not abide.

Yes, I've lived to see the folly
Of following ways that mar,
New revel more in righteousness
For soon I'll "cross the bar."

Does the question ever startle
And cause a pang of fear,
When you think that your departure
Is possibly quite near?

Yes, doubts do sometimes enter
As with our boys in war,
Today's strife, may end my life
And thus I'll "cross the bar."

Now friend and comrade listen!
You, who value with your life,
That future home in Heaven,
Always with pleasure ride:
Accept no half way measure
Your life must be above par,
Or, you'll fail the Heavenly ride to stem
When at last you "cross the bar."

"Cold In The Head"

is an acute attack of nasal catarrh. These subjects to frequent "colds in the head" still find that the use of HALL'S CATARRH MEDICINE will build up the system, cleanse the blood and render them less liable to colds. Repeated attacks of acute catarrh may lead to chronic catarrh.

Hall's Catarrh Medicine is taken internally acting directly upon the blood and mucous surfaces of the system, thus relieving the inflammation and restoring normal conditions.

WHITE MEAT.

"I'm sorry, madam, said the grocer, but I haven't any white turkeys. Won't any other kind do?"

Decidedly not, was the weary answer of Mrs. Newmarrie, who had been hunting the whole morning for a satisfactory holiday bird. Neither my husband nor myself can eat anything except white meat.

Bilious headache
When you have a severe headache, a disordered stomach and constipation, take three of Chamberlain's Tablets. They will correct the disorders of the liver and bowels, effectually curing the headache.

JUST FOR ONCE.

My goodness, Henry, ejaculated the wife of a man who always had decided opinions and was not adverse to expressing them.

I don't know what would happen if you'd agree with me about anything.

Well, said Henry, I guess I'd have to admit being wrong for once.

NOT DEAD, BUT SLEEPETH.

So the sailors are dead, mourned the overseas veteran, returning to the land of the free for the first time since 1917.

Yes, answered his friend cheerfully, but you can communicate with spirits.

THE TORRID ZONE.

You bet it gets pretty cold where I come from, said the man from North Dakota. I've seen thirty-five below many a time.

Call that cold "sneered" the man from Minnesota. Why, where I come from, we put out the fires to save coal when it warms up that much.

AND ABOUT

Maud: "How is Charlie since he broke his arm?"
Gene (impatiently): "Oh, he's able to get around."

Worth Considering

The question is not so much how you contract a cold, but how to get rid of it with the least loss of time and inconvenience. If you will consider the experience of others under similar circumstances, who have been most successful in checking their colds, in their beginning you will secure a bottle of Chamberlain's Cough Remedy without delay, and use it faithfully. There are many families who have used this preparation successfully for years and hold it in high esteem. It is excellent.

No longer need you put off getting a Great Majestic Range. The price is right

It is simply economy to get a Great Majestic Range at the present price and avoid the waste and inconvenience of using the old range through another winter. Any slight reduction in price next year will not make up for wasted fuel, repairs and baking failures you are sure to have with an old worn-out range.

Why wait? With a Great Majestic you will do better baking. You will save fuel. The beauty and comfort of your kitchen will be increased greatly.

No more uneven baking—no more fussing with damper and grates—no more inconvenience. A Great Majestic is a modern kitchen necessity—time saving and labor saving. Don't be without one any longer.
