DO YOU WANT A CHILD? My Dear Mr. Editor:

The Children's Home Society of North Carolina has ready for placing in high type homes five beautifully, fat, and health baby boys of the following ages:

Two baby boys 4 months old. One baby boy 6 months old. Two baby boys 8 months old. One baby boy 14 months old.

In addition to the above infants we also have 10 boys and girls, ranging in age from 5 to 14 years for whom we are seeking good homes that are open to desirable children and are willing to give them a chance to become useful citizens for the future.

We are looking for the very best homes in North Carolina for each of these children and if you will assist us it will be doing a great favor to the Society and also to these dear little ones who are at present homeless and yearning for an affectionate foster mother.
