Mrs. Shaw gave

RETURNED HOME Mr. George W. Wear, of Ba-

kersfield, California, who has been visiting his brother, Mr. B. H. Wear and family for the past month, left for his home in California, Thursday night of last week. Forty-eight years ago Mr. Wear went to California. He landed in Richmond, have signified their Los Angeles with 50 cents in his ceptance as marshals for the pocket. Being a printer, he went to work on a paper. Soon he drift ed to Bakersfield, a town then of The property of the Roanoke about 600 inhabitants. Through terary Society consisting of the the influence of Miller & Lux, the lives in Weldon big cartilemen of that section, he two vacant lots adjoining was bought out the Bakersfield paper. d Tuesday at public auction un. He saved every cent he made, and mortgage and was purchased invested in property. The town Mr. W. E. Daniel, who held grew rapidly, and he had bought when property was low, it increased in value. Bakersfield has now Tuesday last Frank Mills, color- 25,000 inhabitants. He now owns was drowned in Roanoke river a fine ranch near the town, several to so live that you don't have to besides giving a home to his marned son, daughter and granddaughter. He unfortunately lost his wife in June. She owned the largest yard of fine enickens, and over the State.

Mr. Wear served two terms in this year have had the nomination for the State Senate, only on account of the continued bad health of his wife, he refused the nominanon. His career in California goes to show what a man can do. He took the advice of Horace Greeley, and "went west and grew up with the country,"

This visit was the first time the brothers had met in 37 years.

A REAL ESTATE COMPANY.

A petition is being circulated by Miss Emily Long returned home Messrs, C. E. Carter and Samuel F. Dixon, two wide-a-wake business men of Weldon, asking the cinzens to subscribe to stock amounting to \$100 per share for the sole Miss Laura Powers left yester- purpose of building up the town. by for Charlotte, where she goes This company, organized, proposes to buy and sell real estate, build, sell and rem houses. This is, in our opinion, one of the best steps ever undertaken in our midst, and one that will not pay each individual stockholder, but will help build up our town. There is really no telling how many families would move to Weldon and become permanent citizens, if they could find have good churches, fine schools, fine water, paved streets and electric lights, and in fact, we have every convenience that would na turally attract one contemplating moving in a healthy, public spirited locality. We sincerely hope these brethren will find little or no trouble in securing all the stock asked

VIOLIN 300 YEARS OLD.

Made In Japan In 1600-Its Owner Also Has Crutches Use By

The following from Scotland Neck appeared in the News and W. H. Willoughby who resides

Just how many hands it has been through is not definitely known, but Mr. Willoughby states that he purchased it nearly fortyman brought it over here from England long before the War of 1812. It is in perfect tune and harmony and sounds just as well as the newer ones of today, even better as the old saying is, never gets too old to play, the older it gets the sweeter is the melody." Perhaps this old fiddle will evidently prove it. In all probability this violin is the oldest one in Halifax county or perhaps the State. Mr. Willoughby too, has a relic of Abraham Lincoln, a pair of old fashioned crutches that Lincoln used in 1854 when he was violently thrown from his horse in some manner. Mr. Willoughby says that this pair of crutches was given crutches are made of hickory with a split about half way. They are
