### STOMACH TROUBLE?

Weakness? Distress?  
Ashland, Ky.—"Many years ago my mother used Dr. Pierce's Golden Medical Discovery for her stomach. She had taken treatment from physicians and had never obtained good results. After commencing to take this remedy she noticed an improvement and I can say it surely helped her wonderfully. I am well pleased to write this to let others know how this medicine helped our family. Any one will benefit by the 'Discovery' if they will try it."—Mrs. M. A. Brown, 642 E. Carter Ave.

Obtain the Discovery in tablets or liquid at your nearest drug store or send 10c. for trial package to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., and write for free medical advice.

A good many Americans have been wanting to send troops to whip the Turk, but those who went into the trenches during the world war were not among the number.

### How Not to Take Cold

Some persons are subject to frequent colds, while others seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or cold sponge bath every day in a warm room, avoid overheated rooms, sleep with a window open or partly open, avoid excesses, over eating becoming overheated and then chilled, and getting the feet wet. Then when they feel the first indication of a cold they take Chamberlain's Cough Remedy without delay and it is soon over.

AND it sometimes happens that the man who didn't vote in the election complains most loudly about the kind of men who were elected.

### Good Health.

If you would enjoy good health, keep your bowels regular. No one can reasonably hope to feel well, when constipated. When needed, take Chamberlain's Tablets. They are mild and gentle.

### Hall's Catarrh Medicine.

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. Hall's Catarrh Medicine is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.

SINCE Mr. Hoover couldn't avert the coal shortage, he might use his influence with the weather man and induce him to give us a mild winter.

AND now one-half of the people of the country are wondering how the other half managed to win the election.

THERE is one lawyer for every 1,702 people in South Carolina. Do you suppose that is what is the matter with the old State?

SOME men do have the worse luck. For instance, the fellow who had two new automobiles stolen, and then bought a second hand one and had it insured, and he's got it yet.

### DEATH TO GERMS

Here is the best way to keep your house free from disease

Few people realize the germ danger lurking in unsanitary sinks, drains, closet bowls and traps. Kitchen and bathroom floors, too, are ideal breeding places for germs.

Red Seal Lye keeps these places clean and sanitary. It kills all germ life and prevents germs from spreading. The surest way to thoroughly cleanse and disinfect the bathroom floor is to scrub it with a solution of Red Seal Lye. Cleaning the toilet is also a simple matter. Sift a little Red Seal Lye into the bowl, allow it to dissolve and flush. The result is perfect sanitation.

Red Seal Lye prevents pipes from clogging. It keeps drains open and free-running. Use either in powder or solution, at frequent intervals, at least once a week. Twenty half-pound cakes of pure soap may be made with one can of Red Seal Lye and five and one half pounds of waste grease. The directions are in the can.

Red Seal Lye is absolutely pure and unadulterated. Red Seal Lye far exceeds cheap brands. Ask your dealer for Red Seal Lye and take no substitute. Send us a postal for the Red Seal Booklet which will be mailed you free. Write today.

SOME college boys make the football team. And others are just as well satisfied to shoot craps.

WASHINGTON correspondents claim that Washington is dull with Congress away. Think of that.
