WHITNEY'S
UNABRIDGED DICTIONARY
 FOR THE SCHOOL ROOM
 3,000 Engravings; 1,840 Pages Quarto. Price \$12.
A NEW FEATURE.
 To the 3,000 Illustrations heretofore in Webster's Unabridged, we have added four pages of
Colored Illustrations,
 engraved expressly for the work at large expense.
 Nearly every State Superintendent of Public Instruction in the Union, or corresponding officer, where such an one exists, has recommended Webster's Dictionary in the strongest terms. Among them are those of Eastern, Northern, Middle, Southern, and Western States—TWENTY-EIGHT in all. The State of NEW YORK has placed 10,000 copies of Webster's Unabridged in as many of her Public Schools. The State of WISCONSIN has 5,000—nearly every school. The State of NEW JERSEY 1,500—nearly every school. The State of MICHIGAN made provision for all her schools. The State of MASSACHUSETTS has supplied her schools—nearly all. The State of IOWA has supplied her schools. The State of CONNECTICUT has made provision for her schools. Over 3,000 schools in INDIANA were supplied during the year 1872, and many more in 1873 and 1874. In other States many copies have been purchased for supplying schools of cities, counties and towns. What better investment can be made for schools? More than TEN TIMES as many are sold of Webster's Dictionaries as of any other series in this country. At least FOUR-FIFTHS of all the school-books published in this country own Webster as their standard, and of the remainder few acknowledge any standard.
