After all!
It the glory, all the gain,
much chaff, so little grain. Il Life's pleasures, all its pains, sweetness by its fleetness, on the shining slope only on the sand blooms the hope, That we cherish as we grope After all, after all.

After all! ll be ships in sight of shore, il be sunshine on the floor, be footsteps at the door, sadness and our gladness as were the babies twain d by the birds in vain, After all, a ler all.

Governors at the Exhibition. he late assemblage of invited Governors he International Exhibition of Philahia, together with their most cordial rement of its plan, scope, and object, eforth places it under the auspices, as sett, of our whole nation. And this is gently proper, seeing that the Exhibiunder the energetic direction of its ent sagacious management, is now are not only a vast collection of varied ractions, but a great school of instruca for the entire American people as mal emporium for merchants and busi-

he Company now offer merchants from ary part of the country, near and disfacilities such as were never before mented, for the examination and comtwo spent there before making his puror to enter the market at great advant-Comfortable and appropriete rooms now fitted up as a sort of commercial hoge, where buyer and seller can where papers, samples, price lists, can be inspected and compared, and on the stranger is invited to come and all times feel himself perfectly at home. The assertion is unhesitatingly made it this is the largest, grandest, and most mestionably has never in the world's story had any peer, except in the matchs Centennial, of whose wealth it is the atural inheritor, and of which it is the worthy successor. No less than principal foreign countries are reestated in this immense display, by every department of art, science, cation, and industry.

he management are now organizing a half of November, and to follow al upon the State Fairs, which are beld all over the country. A sys- body loves to read, and the price is only mof awards will be adopted, arranged more with regard to high value than to unber. It is proposed that the medals warded shall represent the highest charder which can possibly be given to manfactured goods. In this Fair our whole eple should be interested, and, if possie, lend their attendance. The vast malivery set in motion by the last Centenal has been utilized for the present Inmational Exhibition, and, by adding, aproving, and modifying where necesit has now come to be entirely orthy of the new departure our nation on entering the second century of its and entirely worthy of its cordiallyintel guests. - Philadelphia Bullelin.

Anecdote of Admiral Semmes,

d correspondent of the New York tells an amusing anecdote of inmes' experience in the port of Bahia, Brazil. He sent an officer to inform he Governor of has intention of leaving, but the Governor was unwilling to give is consent, and replied that according to | siese man-of-war which was in the ber volunteered his services to prevent departure of the Alabama, When mes was informed of this he was "He does, does he?" he ned, as he paced up and down the "D-n him, I'll spoil his paint for

anchor and got under way. Sailing very close to the little Portuguese f-war, she saluted her flag with y-one guns, and when the smoke ared away the Portuguese vessel, which painted white, was black as a collier. was no interference with the sailing the Alabama.

That Disease Breeds Disease a notorious fact. It is therefore of vital portance to check maladies in their birth they have a chance to develop other and the dangerous disorders. As a means of becking complaints which, if allowed to freed, finally disorder the entire system, osletter's Stomach Bitters is a medicine use of which cannot be too strongly red upon the sick and feeble. The physial functions are regulated by it, it insures the acquisition of vigor by the debilitated, and it substitutes a cheerful condition of mind for gloom and despondency. Dyspepodistipation, liver complaint and kidney and bladder troubles yield to its remedial afinence; it counteracts a tendency to gout, and rheumatism, and invigorates the nerves. Moreover, it is derived from purely botanical pet, is superior to the mineral remedies of pharmacopœia,
