

THERE IS NO DEATH. BY LORD LYTTON. There is no death! The stars go down and rise upon some fairer shore; The bright in Heaven's jeweled crown, They shine forevermore.

Miscellaneous. HOPE FOR ALL. Consumption is generally supposed to be an incurable disease. Why? Because medical men, who of others should have been the last to encourage such an unphilosophical and dangerous a supposition, have insisted upon and propagated it with a persistence which seems almost incredible in the light of science and of truth.

Driving by Electricity. Experiments in driving by electricity have been made in France. An electro-magnet is placed beneath the coachman's seat, from which one wire is carried along the reins to the horse's bit, and another to the wheels, so that the whole length of the spine forms part of an electric current.

Why the Boys Laughed. Dr. Gardner, the head master of the Boston Latin school, was noted for the custom of wearing apparel, upon which he prided himself, and frequently lectured the boys on the folly of extravagance in that direction.

Governor Tilden on the Result. The New York Times states that ex-Governor Tilden, in a conversation with a representative of that paper, expressed his gratification at the result of the elections, and appeared to be a good deal amused at the efforts of the Republican papers to mislead themselves with their victory in Massachusetts.

DOCTOR PIERCE'S Golden Medical Discovery. CURES DISEASES OF THE THROAT, LUNGS, LIVER & BLOOD. In the wonderful medicine to which the afflicted are above directed for relief, the discoverer believes he has combined in harmony more of Nature's sovereign curative properties, which God has instilled into the vegetable kingdom for healing the sick than were ever before combined in one medicine. The evidence of this fact is found in the great variety of most obstinate diseases which it has been found to conquer. In the cure of Bronchitis, Severe Coughs, and the early stages of Consumption, it has astonished the medical faculty, and eminent physicians pronounce it the greatest medical discovery of the age. While it cures the severest Coughs, it strengthens the system and purifies the blood. By its great and direct effect on the blood, it cures all Humors, blood-purifying properties, it cures all Eruptions, from the worst Scrofula to a common condition established. Erysipelas, Mercurial Blotch, Pimples, and their effects, are eradicated, and vigorous health and a sound constitution established. Eruptions, Mercurial disease, Mineral Poisons, and their effects, are eradicated, and vigorous health and a sound constitution established. DR. PIERCE'S Fountain Nasal Injector. DOUCHE. This instrument is especially designed for the perfect application of DR. SAGE'S CATARRH REMEDY. It is the only form of instrument yet invented with which fluid medicine can be carried high up and perfectly applied to the diseased nasal passages, and the chambers or cavities communicating therewith, in which sores and ulcers frequently exist, and from which the curatorial discharge generally proceeds. The want of success in treating Catarrh heretofore has arisen largely from the impossibility of applying the medicine in the chambers or cavities of the ordinary methods. This obstacle in the way of effecting cures is entirely overcome by the invention of the Douche. Its use is pleasant and so simple that a child can understand it. Full and explicit directions accompany the instrument. When used with this medicine, Dr. Sage's Catarrh Remedy cures recent attacks of "Cold in the Head" by a few applications.
