Railroad Taxes--Commissioners' Meeting

For some months past efforts have been made to get together representatives of the boards of commissioners of the different counties through which the Carolina Central Railway runs, for the purpose of arriving at some basis upon which the railroad company's property in the different counties should be assessed, in order to arrive at some uniformity in taxation. At last Charlotte was agreed upon as the place where such meeting should be held and to-day has been fixed as the time.

The commissioners from the upper counties came down yesterday afternoon, and the Superintendent of the road telegraphed yesterday that he would be here this morning with about twenty commissioners from the east. The meeting will be held in the court house to-day about noon.—Charlotte Observer.

Sa of the Observer.

The Raleigh Observer was sold at public auction in the city of Raleigh on Tuesday last. It was purchased by Mr. John C. Blake, for Mr. John Gatling and other creditors, for \$3,300. A stock company it is said, is to be formed, and the Observer will appear as usual under the management of Mr. Peter M. Hale.

Personal.

Hon. A. A. McKoy, Judge of this Third Judicial District, is in the city en route to his home in Clinton, from Richmond county Court.

Capt Theo. D. Klien, formerly Assistant Superintendent of the W. C. & A. R. R., but now General Superintendent of the C. C. & A. Railroad from Charlotte to Augusta, is registered at the Purcell House.

Pender Court.

Court adjourned yesterday at 1 o'clock. In addition to the report presented by us in yesterday's issue the following cases were disposed of during the forenoon:

State vs Sam Faison, charged with rape continued to next term.

State vs Allen Matthis, charged with murder, removed to New Hanover on affidavits of the defendants.

State vs Jas. H. Blackman, for murder Found guilty of manslaughter and sentenced to pay a fine of \$100 and the costs of the case. Removed to Pender from Sampson county. Mr. Solicitor Gallo way for the State and Messrs Kerr & Kerr for the defense.

Military Matters.

We glean the following items of military news from the columns of the Raleigh Observer:

The question of a summer encampment is being discussed in the Second Regiment, and it is probable that Wrightsville Sound will be chosen as the place.

The First Regiment goes to Beaufort about the 1st of August. Application has been made for the use of Fort Macon and the Hospital, which will amply accommodate the troops. The situation does not afford as much room for manoeuvres as is desirable.

It is probable that a section of artillery will be sent to Salem or Greensboro. The unarmed companies of the Third Regiment Infantry will speedily be equipped, requisition having been made.

There has been but little activity in the way of drills, etc, for the past fortnight. General complaints as to the inattention of the State Legislature to the troops are heard, and the short sighted policy, or rather lack of it, is everywhere condemned by them.

Examination of Seamen.

The Surgeon General of the U. S. Marine Hospital Service, with the approval of the Secretary of the Treasury, has made the following rules regulating the examination of seamen employed on American vessels, which will apply under the conditions stated:

To insure to such owners of American vessels as desire the services of sound and healthy seamen, facilities for the proper physical examination of crews at all ports where medical officers of the Marine Hospital Service are stationed, such officers will, upon the application of any U. S. Shipping Commissioner, or of any master or owner of any vessel engaged in the foreign trade, or passenger steamer engaged in the coasting trade, examine physically any seaman or seamen, and give a certificate as to their fitness or otherwise.

The loss of an arm or leg, defective vision, color blindness, epilepsy, mental unsoundness, hernia, piles, fistula, varicose veins, serious organic diseases, habitual drunkenness, the existence of venereal diseases, marked want of development, weakness of the body, or deformity, should cause the rejection of any seaman desiring to ship.

No seaman will be examined for the purpose of giving such certificate except in the presence of a United States Shipping Commissioner, or the master, owner or agent of the vessel on which the seaman is expected to be employed, and examinations will only be made at the Marine Hospital Office.

The rejection of a seaman at one examination shall not debar him from subsequent examination in case he claims that the disease for which he was rejected has disappeared.

No fee will be charged by any medical officer for making the examination or certificate contemplated.

Magistrate's Court.

Sarah Boyd, colored, swore out a peace warrant before Justice Scott to-day for the arrest of Edward Smith, colored, and failing to substantiate her charges against the defendant was committed in default of payment of \$4 10 costs. Smith was discharged.

Very Fine.

The finest potatoes we have seen this summer were raised by Mr. W. H. Smaw in his garden, on the corner of Ninth and Market streets. They are of the early rose variety and are fully as large as any brought here from Northern markets.

Furniture Polish.

Make a mixture of three parts linseed oil, and one part spirits of turpentine; it not only covers the disfigured surface, but restores wood to its original color, and leaves a lustre upon the surface. Pat on with a woollen cloth and when dry rub with woolen.

Put in Below.

The steamer Eliza, of 300 tons burden, from New York, en route to Para, put in below this morning on account of strong Northeast winds and heavy sea. She was recently purchased by the Brazilian Government and now carries the Brazilian flag. She will proceed on her voyage when weather permits.

More Improvements

The work of erecting a two story brick store on the vacant lot on Front street, next the old National Bank building, was commenced yesterday. The property belongs to Messrs. Sol Bear & Bro. and the new store will add to the looks of the street.

Rest for the Clerks.

We understand that the retail grocers of this city will, on and after Monday next, close their places of business at 7 1/2 o'clock, thus giving the clerks and employes an opportunity for needful recreation and amusement. This arrangement is to affect every night except Saturday, at which time the stores will be kept open for the accommodation of customers as usual.

City Court.

Stephen Hannon, colored, was arraigned for assault and battery upon the person of Billy Miller, the colored janitor of the Bank of New Hanover. Mayor Fishplate imposed a rather heavy fine of \$25 and gave the defendant the alternative of serving thirty days in the City Prison. The fine was paid and the defendant released.

R. H. Martin, colored, arrested day before yesterday for an affray with Jacob Thompson, a colored driver of a baggage wagon, had his case continued until tomorrow.

Drake, the limping colored shoemaker from Paddy's Hollow, who has spent two days in a cell awaiting trial, had judgment suspended in his case this morning and was released.

This Morning's Fire.

The alarm of fire was sounded this morning about twenty minutes past 3. It was caused by the burning of a small frame house on Castle, between Fifth and Sixth streets, occupied by Mr. Jno. King. The fire originated on the roof near the chimney.

Mr. King succeeded in saving only one mattress. The flames communicated with an adjoining dwelling occupied by Mr. Melton, though the house was not badly damaged. Mr. King had a very bad dog on his premises who gave Sergeant Davis, of the police force, much trouble while trying to get to the piazza of the house to awaken the sleeping inmates. He had to fight his way in and tear off a shutter before he could notify them of their danger. Mr. K's children narrowly escaped from the burning building. Most of Mr. Melton's furniture, etc., was saved. Mr. King had an insurance of \$400 on his furniture, wearing apparel, etc, in a company represented by Messrs. De-Rosset & Northrop. There was an insurance of \$500 on the two houses in a company represented by Col. W. L. Smith, though the above amount will not cover the loss.

A Card.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. JOSEPH T. INMAN Station D, New York City.

The Duplin Rifles.

The question has been asked, Why is it that the old military organization known as the Duplin Rifles has not been reorganized since the war? This company, we are told, started out in the war with the present Attorney-General of the State Col. Thos. S. Kenan, as its captain, and it afterwards became a part of the Forty-third Regiment, of which Col. Kenan was the commanding officer. We have been told by a gentleman who is privy to the facts, that the Rifles brought back the old company flag with them from the war. Now let this old flag be brought out on the Fourth of July and unfurled, and let the old veterans assemble together at Kenansville, on that day, for a reunion, and then send there perfect the reorganization. What say the 'boys' of the Duplin Rifles?

The Life Saving Stations Located--Return of the Colfax.

The U. S. steam Revenue Cutter Colfax, Capt. Frank Barr commanding, returned to her moorings at Smithville, and put in at this port this morning to coal up, after a week's cruise along the coast with government officials locating the life saving stations which are soon to be permanently established as follows: The one on the outer edge of Smith's Island, where it projects in a sharp point seaward about seven miles from Bald Head Light, is the station for Cape Fear.

The spot selected will enable the parties who ship the boat for assistance to launch either to the North or the South as the occasion may require. The Cape Lookout Station is located in a similar manner at a point some two or two and a half miles from Lookout Light House. Lieut. Shoemaker, of the U. S. Marine Service, located the sites and M. D. Parker, Esq., connected with the law department of the Treasury service, examined into the deeds of the land where the stations are to be located. General A. M. Barney, special agent of the Treasury department, was one of the party also, and was making a tour of inspection at the different Custom Houses, having visited the Custom House at Beaufort and Newbern during the trip.

By special invitation of Lieutenant Shoemaker, Hon. A. M. Waddell, at whose urgent solicitation these stations were so speedily located, was one of the party.

A Step in the Right Direction.

A written request, signed by a number of our prominent merchants, was this morning directed to A. H. Van Bokkelen, Esq. President of the Chamber of Commerce of this city, and one of like import with the same signatures attached, directed to Mr. C. H. Robinson, President of the Produce Exchange, in order that the two bodies, if we understand it, may assemble together at the same time, for the same purpose mentioned in the communication, which is as follows:

A. H. VAN BOKKELEN, Esq.,
President of Chamber of Commerce.

We respectfully request you to call a meeting of the members of the Chamber of Commerce to take steps towards an acknowledgement, by the citizens of Wilmington, of the persevering public spirit of Mr. Henry Nutt, in keeping before us steadily the operations of the general government in the great work they are accomplishing at New Inlet.

[SIGNED] S. H. Fishplate, Mayor; Worth & Worth, Edw Kidder & Sons, Alex Sprunt & Son DeRosset & Co, Harris & Howell, Jas H Chadbourne, Williams & Murchison, Kerchner & Calder Bros.

Mr. Van Bokkelen, we understand, is out of the city. Whether any steps will be taken during his absence to further the object mentioned in the above communication we are not informed. But Mr. Robinson, the President of the Produce Exchange, has called a meeting of the members of the Exchange and a request for the citizens generally interested in this matter to meet at the rooms of the Exchange on Saturday, the 21st inst., at 12 o'clock.

The interest in the five cents and ten cents stores deepens most intensely. Messrs Brown & Roddick have opened at the corner of Market and Second streets and their stock is a fine one. The store is full all of the time and the goods are gliding.

The closing exercises of Williston Free School, on Seventh, between Ann and Nun streets, will take place to-morrow afternoon, at 8 o'clock. We acknowledge the courtesy of an invitation to be present on the occasion.

No comedian can make as laughable a face as that made by the small boy when he brings a jelly jar down from the closet shelf and discovers it to be full of ten-penny nails.

Schedule B Tax Notice.

THE ATTENTION of merchants and traders in Pender county is invited to the following extract from the Revenue Laws for 1877:

Sec 12. Every merchant, jeweler, grocer, druggist, and every other dealer, who shall buy and sell goods, wares or merchandise of whatever name or description, except such as are specially taxed elsewhere in this act, shall, in addition to his ad valorem tax on his stock, pay as a license tax one-tenth of one per centum on the total amount of purchases in or out of the State, for cash or on credit, whether such persons herein mentioned shall purchase as principal or through an agent or commission merchant. Every person mentioned in this section shall, within ten days after the first day of January and July in each year, deliver to the Register of Deeds his sworn statement of the total amount of his purchases for the preceding six months, ending on the 31st day of December or the 30th of June. Any agent or commission merchant making such purchases shall, for his principal, make and deliver this statement as herein required. Provided, that the persons mentioned in this section may make out in writing a list of their purchases, and swear to the same before any Justice of the Peace of their county, and return said list to the Register of Deeds; the Register of Deeds shall keep a book in which shall be recorded the list given to him, as herein required, and shall furnish the Sheriff with a copy of said list within ten days after the date herein given in. It shall be the duty of the Justice to collect from every person on the list the tax embraced therein. The Register of Deeds shall have power to require the merchant making a statement to submit his books for examination to him, and every merchant failing to render such list, or refusing a demand, to submit his books for such examination, shall be guilty of a misdemeanor, and on conviction shall be fined not more than fifty dollars or imprisoned not more than thirty days. It shall further be the duty of the Register of Deeds to prosecute every merchant refusing as aforesaid to the end of obtaining such information and compelling payment of the proper tax.

As will be seen the law allows me no discretion in the matter and I shall be compelled to prosecute to the full extent of the law all who fail to comply with its provisions.
